- 2) Credit for Attendance at Approved Workshops/Seminars and College Classes - A Professional Employee may request that attendance/participation at approved workshops/seminars and college classes be considered for credit that will result in an increase in that Professional Employee's salary. The following provisions will govern all requests:
 - a) To receive credit, the proper application forms utilized by the human resources/payroll departments must be completed/submitted and approved by the Vice President of Instruction or designee, in advance of the Professional Employee's attendance at the workshops/seminars and college classes.
 - b) Credit for approved workshop/seminar attendance will be considered on the basis of clock hours, with fifteen (15) clock hours of attendance being considered as the equivalent of one (1) credit hour. College classes will be based on credit hours as determined by the credit-granting institution.
 - c) All workshops/seminars or college classes relating to the Professional Employee's professional development (content area, leadership, pedagogy, technology, career exploration, and related areas) or at the request of the College will be eligible for approval.

Fair Market Value will be reassessed every three years. The process for the Fair Market Value assessment will be initiated by the department with the information to then be provided to the Dean and Vice President of Instruction. The Dean and Vice President of Instruction will then analyze the proposed Fair Market Value and have the opportunity to respond with their own information and Fair Market Value for the respective position. The administration will attempt to give adequate notice prior to meetings and other required events.

Primary expectations of Professional Employees are quality instruction, availability for students, and the institutional work noted in Appendix A, Job Expectations for Professional Employees. It is understood that a Professional Employee shall devote whatever time is required to satisfy

ARTICLE V - PROFESSIONAL EMPLOYEE LOAD

Section A. Professional Workload

- 1) Departments will work with their Division Chairs, Instructional Dean, the Director for Online Learning and Instructional Design, and the Vice President for Instructional Services to determine the line schedule, including what courses are needed, times for course delivery (including evenings and weekends), and course modalities (face-to-face, hybrid, Buster Live Distance, Online, etc.) best meet the needs of students and the institution.
- 2) In all departments, the maximum class size shall be decided for each individual course by the Vice President for Instructional Services, or designee, after conferring with the Division Chair and the Professional Employee. Every effort shall be made to keep the class size at the recommended maximum. No new sections of a class or subject area will be opened at enrollment time as long as it appears that scheduled sections of the same course or subject areas are still open.
- 3) Overload - In the event a Professional Employee has a professional workload exceeding 15 credit hours or 21 contact hours during a semester or 30 credit hours or 42 contact hours per base contract year, the Professional Employee shall qualify for overload pay. In order that effectiveness of teaching not be sacrificed, the assigned overload will not be excessive. Should an overload be necessary, the assignment will be made by the Vice President for Instructional Services, or designee, only after consultation with the Division Chair and the Professional Employee involved. Overload pay shall be determined each semester and paid in one (1) lump sum.

Professional Employees may also request that their loads be adjusted on a contract year basis; in that case, overload pay will be determined and paid only at the end of the spring semester.

- 4) In the event the workload of a Professional Employee does not meet the minimum class size of eight (8) students per class or six (6) students per class for online, then an average number of students per credit hour calculation of twelve (12) or more for a fall or spring semester will be applied. If this calculation does not yield the Professional Employee with minimum professional workload, then the Professional Employee may be assigned other classes and/or other duties. When this becomes necessary, the assignment will be made by the Vice President for Instructional Services, or designee, after consultation with the Division Chair and Professional Employee involved. Immediately after the assignment is made, the Professional Employee shall submit in writing a proposed work schedule, to be approved by the Division Chair and Vice President for Instructional Services, or designee. The proposed schedule can be adjusted by the Division Chair and Vice President for Instructional Services, or designee, if necessary. A Professional Employee assigned an off-campus class shall be compensated for use of personal vehicle to and from said class at a mileage rate not less than that paid by State of Kansas to its employees.
- 5) Administrative assignments are calculated at 1 credit hour per 30 contact hours. Administrative assignments are intended to be one (1) semester or one (1) school year assignments, but they may

annually reoccur, in limited circumstances.

- 6) A student assistant may be requested by the Professional Employee should the workload exceed 18 credit hours per semester. The student assistant must meet the requirements established by the Professional Employee. The actual assignment of a student assistant shall be subject to approval by the Vice President for Instructional Services.
- 7) Any Professional Employee who has more than four (4) different academic preparations (preparations) for a professional workload of fifteen (15) credit hours, shall receive one (1) credit hour of overload for each preparation over four (4). This section shall not be applicable to overload class preparations.
- 8) Any Professional Employee that is assigned as a liaison for an adjunct instructor shall receive one (1) additional personal day each semester the Professional Employee serves as a liaison.

ARTICLE VI - PROFESSIONAL EMPLOYEE EVALUATIONS

Section A. Tenured Professional Employees

All Tenured Professional Employees will be evaluated on a three (3)-year rotation through the use of the following instruments: Classroom Visitation (Classroom Visitation), Self-Evaluation (Self-Evaluation), and Administrative Evaluation (Administrative Evaluation). In addition, each Tenured Professional Employee will have a Student Evaluation conducted for each of their classes. Guidelines for the implementation and administration of these evaluations are as follows:

1) Student Evaluations

Each semester, at the end of each course, Student Evaluations will be administered for all classes. Responsibility for administration of these surveys lies with the Office of Institutional Effectiveness & Accountability. Professional Employees will announce to all students that survey administration is taking place and is available through Canvas or through their GCCC email using the unique link sent to them. Student Evaluations will be available through Evaluation KIT to Professional Employees no later than three (3) weeks after the final grade submission deadline each semester.

2) Three-year rotation schedule

- a. Classroom Visitation—The Vice President for Instructional Services or designee will notify the Professional Employee that they will be evaluated during the school year. During the school year, the Professional Employee will have at least one (1) Classroom Visitation by the Vice President for Instructional Services or designee. The Vice President for Instructional Services or designee shall provide the Professional Employee with notice of the Classroom Visitation. After the Classroom Visitation, the Vice President for Instructional Services or designee will meet with the Professional Employee, within ten (10) business days, to discuss the Classroom Visitation. Two (2) copies of the Classroom Visitation form shall be signed by the Vice President for Instructional Services or designee and the Professional Employee with one (1) copy being retained by the Professional Employee and the other being submitted to the Human Resources Office to be placed in the Professional Employee's file. The Professional Employee may attach comments to the Classroom Visitation form and those comments will be included in the Professional Employee's permanent file. The Self-Evaluation will be submitted to the Vice President for Instructional Services or designee for review. The Self-Evaluation will then be signed by the Vice President for Instructional Services or designee. Once signed, the Self-Evaluation will be submitted along with the Administrative Evaluation to the Human Resources office for inclusion in the Professional Employee's file.

ARTICLE VII - LEAVES

Section A. Sick Leave

Each Professional Employee shall receive twelve (12) days of sick leave, with pay, each year. Sick leave may be used for the illness or injury of the Professional Employee, or the Professional Employee's immediate family. Immediate family member is defined as spouse, parent, spouse's parent, child, grandparent, grandchild, sibling or any individual residing in the Professional Employee's home. For extended leave under the Family Medical Leave Act (FMLA), the FMLA's definition will apply. Sick leave may be accumulated to a total of ninety (90) days. In the event a Professional Employee suffers an extended illness, injury or disability, the President may extend sick leave days.

Retiring Professional Employees, in good standing, with at least fifty (50) days of accumulated sick leave, shall be paid for ten (10) days of accumulated sick leave, at One Hundred Dollars (\$100) per day.

Section B. Workers' Compensation

Workers' compensation coverage and benefits for Professional Employees shall be governed by state statutes, and rules, regulations and policies of the Kansas Department of Labor, Workers' Compensation Division. (Workers compensation laws of the State of Kansas can be found at K.S.A. 44-501, et seq., and the Kansas Department of Labor, Workers Compensation Division, website.)

Section C. Bereavement

In case of bereavement, the number of days of leave will be those deemed necessary as determined by the President or, in his/her absence, the President's designee.

Section D. Leave of Absence With Pay

Professional Employees may use five (5) days of annual sick leave for personal leave each contract year, for any reason deemed appropriate by the Professional Employee. A request for personal leave shall be submitted to the Professional Employee's Vice President, at least five (5) days prior to the intended leave, unless impracticable due to an emergency. Personal leave days shall not accumulate or carry over from year to year.

Professional Employees required to fulfill military service obligations shall be granted benefits provided under the Federal Government Universal Military Training and Service Act and its subsequent amendments.

Section E. Leave of Absence Without Pay

1. A leave of absence shall be available to all Professional Employees upon completion of probationary status. A Professional Employee may be granted leave without pay for personal reasons. In the event of a long-term absence, such leave shall be conditioned upon determination by the President and Board that a suitable replacement has been hired.

2. Any Professional Employee granted a leave will be returned to a position on the College staff within the division served by the Professional Employee at the time the leave was granted. The Professional Employee will sign a contract for the ensuing academic year at the same time as other Professional Employees, or the right to return will be forfeited.
3. The personnel hired to fill the position of the Professional Employee granted leave of absence without pay shall, unless otherwise agreed in writing between the Board and said replacement, be on probationary status with the College, and shall not be guaranteed a permanent position on the College staff. The replacement personnel will not receive contract renewal unless through independent determination by the Board following the first years' service.
4. The final terms and conditions of the leave of absence granted to any Professional Employee shall be governed exclusively by mutual agreement of the Board and the Professional Employee, with the written agreement reflecting terms and conditions of the leave of absence without pay. The written agreement will be signed by both the Board Chairman and the Professional Employee.

Section F. Medical (Including Maternity) Leave

A medical leave of absence with sick leave benefits while applicable to the leave and thereafter without pay may be granted upon written request for a reasonable period of time (not to exceed the then current school year or the next succeeding school year if the Professional Employee has signed a contract for said school year) to any Professional Employee who because of illness, accident, or other medical reason (including childbearing by the Professional Employee), is physically unable to perform normal teaching assignments, provided the Professional Employee intends to return to work at the end of the leave. Such leave will be granted only after approval by the President and the Board. For the purposes of such leave, "physical inability to perform the normal teaching assignments" shall be shown by medical certification from the Professional Employee's physician and, at the Board's option, from the Board's physician.

Many of the specific terms of medical leave involving childbearing of the Professional Employee shall be negotiated by the individual Professional Employee and the President. Such negotiations shall be subject to the approval of the Board.

Section G. Paid Sabbatical Leave

The President may grant paid sabbatical leave (sabbatical leave) for any activity, which, in the President's judgment, will contribute to the personal and professional growth of the applicant, as well as enhance the ability of the College to perform its stated mission and goals. Sabbatical leave may be granted in accordance with the following provisions:

1. Eligibility for Sabbatical Leave -
Professional Employees shall be eligible for two (2) semesters of sabbatical leave after six (6) years of full-time continuous service at the College. Those eligible must submit an application for sabbatical leave to the President according to dates established in paragraph 3 - Application Process.

Sabbatical leave is not cumulative. For example, a Professional Employee with twelve (12) years of service is not eligible for two (2) consecutive sabbatical leaves. Any Professional Employee taking sabbatical leave for any duration will not be eligible for consideration for another sabbatical leave for six (6) years following completion of the current sabbatical leave.

2. Considerations in the granting of Sabbatical Leave -

Sabbatical leaves will be considered for a Professional Employee to pursue an approved degree program or other appropriate study, that requires a residency and/or a full-time face-to-face load, to do research and/or publication, to pursue appropriate post-doctoral work, to travel in areas related to the Professional Employee's teaching assignments, or to participate in approved work experience.

The President shall be vested with the authority to grant or deny any application for sabbatical leave. The President shall consult with the appropriate Vice President, Dean, and Division Chair when considering a request for sabbatical leave.

3. Application Process -

Applications for sabbatical leave for the full academic year, or for the fall semester of an academic year, shall be submitted by the preceding October 1st, and applications for leave for the spring semester of an academic year shall be submitted by the preceding February 1st. Applications shall be in writing and submitted to the President.

The President shall consider and act upon requests for sabbatical leave, and the President shall promptly notify the Professional Employee of approval or disapproval of the request. If an application for sabbatical leave is approved, the Professional Employee shall have thirty (30) days after the President's approval to submit, in writing, to the President, a final decision concerning the sabbatical leave. If the Professional Employee fails to accept the sabbatical leave within such thirty (30) day period, the request for sabbatical leave shall be considered withdrawn.

4. Terms of the Sabbatical Leave -

A sabbatical leave may last one (1) semester or two (2) consecutive semesters, but shall not exceed two (2) consecutive semesters.

The Professional Employee granted a sabbatical leave will be required to sign an agreement that the Professional Employee will return to the College from sabbatical leave and teach for four (4) consecutive semesters thereafter. Breach of the agreement will obligate the Professional Employee for repayment of salary and fringe benefits paid by the College during the sabbatical leave, due on the date the Professional Employee fails to return to the College for the next semester. In the event that the Professional Employee voluntarily leaves the employment of the College at any time prior to or during the four (4) semester period, the Professional Employee will be required to make repayment, prorated on a semester basis according to the amount of the four (4) semesters remaining. The Professional Employee will have no obligation to repay any remaining fractional portion of the four (4) semesters if terminated or nonrenewed by the College.

Compensation for a two (2) semester sabbatical leave shall be 0.5 times the annual contract rate and for a single semester sabbatical leave 1.0 times one (1) semester's rate, based on the Professional Employee's salary. The compensation will be paid monthly during the duration of the sabbatical leave.

Life insurance, health insurance, disability insurance and other Section 125 options will continue during the sabbatical leave on the basis of the regular base salary, to the extent permitted by the insurance carrier, IRS tax codes and as provided by the College for other Professional Employees.

If a Professional Employee is on sabbatical leave during one (1) semester and teaches at the College during the other semester of an academic year, the half (1/2) year taught will count in determining number of years of teaching experience.

A Professional Employee on sabbatical leave who accepts gainful employment by an employer other than the College during the sabbatical leave period, shall have the amount of compensation received from such employment deducted from the sabbatical leave compensation. Assistantships, grants and scholarships will not be considered gainful employment.

Section B. Tuition Waiver

All full-time Professional Employees who have retired from the College are eligible to receive a Tuition Waiver for the College courses. Retirees taking online classes will receive a waiver equal to the College in-state per credit hour tuition rate. All classes must be taken for credit (including pass/fail option). The waiver is for tuition only; the retired Professional Employee is required to pay all fees.

ARTICLE IX - INSURANCE BENEFITS

Section A. Salary Reduction Plan

The Board establishes an IRC Section 125 Cafeteria Salary Reduction Plan (Plan) whereby each eligible Professional Employee has the right to reduce his/her compensation in the amount necessary to purchase from those nontaxable benefits contained in the Plan and selected by the Professional Employee. There is no cash option and the amount can be applied toward other College sponsored health insurance options or enrollment levels.

ARTICLE X - GRIEVANCE PROCEDURE

Section A.

A Professional Employee shall first seek to resolve a concern through discussion of the matter with his/her direct supervisor.

Grievances of a Professional Employee with respect to the interpretation or application of this Agreement (excluding matters which have separate procedures for hearings and determination set forth in this Agreement), not resolved through discussion with a direct supervisor, shall be handled as follows:

- Step 1. The Professional Employee shall request an informal conference with his/her Dean within ten (10) business days after the Professional Employee is aware of possible violations of the Agreement and discuss the matter with his/her Dean.
- Step 2. If the matter is not resolved through the informal procedure set forth in Step 1, the Professional Employee (Grievant) may file a written grievance, using the Grievance Form (See Appendix C, Grievance Form), with the Vice President for Instructional Services stating in detail the facts of which the Grievant complains and the provisions of the Agreement which are deemed to have been violated; provided, no grievance shall be filed or processed based on facts or events which have occurred more than ninety (90) calendar days before the grievance is filed with the Vice President for Instructional Services. A grievance shall be deemed filed when delivered to the Vice President for Instructional Services. A copy of all grievances shall be forwarded to the appropriate administrator. The Association shall be notified at the time a grievance is filed with the Vice President for Instructional Services.

The Grievant may discuss the problem with the Vice President for Instructional Services and may present information or arguments in support of the grievance. The Vice President for Instructional Services may also hear other information or arguments. The Vice President for Instructional Services shall make a written decision regarding the grievance within ten (10) business days after delivery of the grievance to the Vice President for Instructional Services.

- Step 3. If a solution satisfactory to the Grievant has not been reached in Step 2, the Grievant may appeal to the President, using the Grievance Form, within ten (10) business days after the decision of the Vice President for Instructional Services have been delivered in writing to the Grievant.

The President will review the grievance, and any record of the above proceedings, together with any additional information or arguments presented by the Grievant. The President may also hear other information or arguments, subject to notice to Grievant of all additional information or arguments. Within ten (10) business days after the grievance is appealed to him/her, the President shall render a written decision.

- Step 4. If a solution satisfactory to the Grievant has not been reached through the above procedures, the Grievant may appeal to the Board, using the Grievance Form, within ten (10) business days after delivery of the President's decision. Grievant shall be entitled to a hearing before the Board. The hearing shall be held within thirty (30)

business days of the filing of the appeal with the Board. The Board will review the grievance and any record of the above proceedings. Any relevant evidence or arguments which the Grievant desires to submit or which the Board deems necessary may be presented at the hearing. The Board will thereafter render its decision and submit a written copy of the decision to the Grievant within twenty (20) business days of the hearing. The decision of the Board shall be final.

Section B.

Grievance shall be processed according to the following rules:

1. If at any stage of the grievance procedure, the grievant does not take the next step within the time allotted, the grievance shall be settled in the manner recommended or decided at the last step taken by the grievant.
2. All reference to number of days in this procedure shall be determined to mean working school days. In the event grievances are not filed or processed in the manner and within the times set forth above, they shall be forever barred.
3. Grievances shall be processed as rapidly as possible. The number of days indicated in each step shall be considered a maximum and every effort shall be made to expedite the process in a shorter period of time.
4. The parties may mutually agree in writing to extend any of said time periods.
5. It is agreed that the grievant may request information in the possession of the Board necessary for the processing of said grievance. The Board shall consider all such requests in good faith.
6. The grievant may withdraw the grievance at any step.
7. All parties shall have the right to have counsel present in the formal grievance procedure.
8. It is agreed that nothing in the above procedure shall be interpreted in such a way as to modify or reduce the rights guaranteed under the Constitutions and laws of the United States and the State of Kansas.

ARTICLE XI – NONRENEWAL AND TERMINATION OF CONTRACTS

Section A. Tenured Professional Employees

1. Grounds - The grounds for the nonrenewal of a Tenured Professional Employee's contract, and the causes for termination of a Tenured Professional Employee's contract, except in the case of reduction in force, shall be as follows:
 - a. Conviction of a felony crime;
 - b. Incapacity or continuing illness after exhaustion of leave;
 - c. Incompetency, insubordination, inefficiency, neglect of duty, dishonesty, or other unprofessional conduct on campus, or in connection with job-related responsibilities, including failure to perform assigned duties and responsibilities;
 - d. Failure to comply with reasonable requirements of administration or Board, pertaining to professional duties after notice of same;
 - e. Failure to cooperate with fellow Professional Employees or administration, when such failure interferes with overall learning atmosphere and professional effectiveness of Professional Employee;
 - f. Violation of Federal and/or state laws covering all forms of discrimination and sexual harassment; and
 - g. Other good and just cause.
2. Procedures - The procedures for the nonrenewal and termination of the contracts of Tenured Professional Employees provided in K.S.A. 72-2251 through K.S.A. 72-2260, et seq., and amendments thereto, shall be incorporated into this Agreement by reference.

Section B. Non-Tenured Professional Employees

The nonrenewal of a Non-Tenured Professional Employee's contract, shall be governed by K.S.A. 72-2251 and K.S.A. 72-2260, and amendments thereto.

Section C. Reduction in Force

1. In the event the Board determines a reduction in force is necessary, the order of nonrenewal or termination, by category of employment, shall be the following:
 - 1st – Temporary Instructors;
 - 2nd – Non-Tenured Professional Employees; and
 - 3rd – Tenured Professional Employees.

In the event the Board is required to reduce the number of Tenured Professional Employees, the appropriate Vice President, Dean and Division Chair shall use the following procedure to determine recommendations for reduction in force.

- a. If certain courses or programs are eliminated, Professional Employees who are not properly qualified to teach the remaining courses shall be released first. Qualifications to be considered shall include education, experience and the administrative evaluations required by Article VI Section A. (2). That Professional Employee's credentials will be reviewed to determine if he/she is qualified to teach in another area. In the event two (2) or more Professional Employees are qualified, then the summation of the following criteria will be used to determine retention:

- i. The length of service with the College, computed from the Professional Employee’s last date of hire, excluding any prior reductions in force, not to exceed sixteen (16) months as set forth in subsection Recall, below. This shall be computed at one (1) point per each year of service at the College.
 - ii. The highest earned degree and/or industry certifications within the instructional area from an accredited institution and/or industry certification agency. This shall be computed as follows: one (1) point for an Associate’s degree; two (2) points for each industry certification that is specific to the Professional Employee’s discipline; four (4) points for Bachelor’s degree; six (6) points for Master’s degree; eight (8) points for MFA or doctorate degree.
 - iii. The highest number of graduate credit hours, approved workshops, additional certification hours or advancements beyond the degree, or industry certification in subparagraph ii above, in the teaching area of the Professional Employee; one (1) point for each fifteen (15) graduate credit hours or two hundred twenty-five (225) workshop clock hours.
 - iv. Faculty Administrative Evaluation Form point total. Points are assigned in five (5) categories, from five (5) for *strongly exceeds expectations*, to one (1) for *does not meet expectations*. This shall be computed by taking the total number of points assigned, times twenty-five percent (25%), for a maximum of 6.25 points. (See Appendix D, Faculty Administrative Evaluation Form, and as amended)
2. Service and Benefits - Professional Employees shall retain credit for their length of service up to the time of the reduction in force, but shall not be entitled to earn additional credit for service or receive benefits during the reduction in force.
3. Recall - Professional Employees shall retain the right to recall until sixteen (16) months after the day the Professional Employee’s last regular contract was scheduled to terminate. If the Board decides additional Professional Employees are needed during this time, those on release shall be eligible for reinstatement, before other applicants are considered, using the criteria as were used to determine retention from the reduction. Any Professional Employees who are not recalled during this period shall be considered terminated at that time without liability to either party.

Section D. Cancellation of Contract/Liquidated Damages

Any Professional Employee who is under contract with the College will be released from that contract only by formal action of the Board when the resignation is deemed to be in the best interest of the College. The Professional Employee requesting the release shall make application in writing to the President of the College stating the specific reasons for the requested release. Each such request will be judged on its own merits, with consideration given to the reason for the request, difficulty in promptly filling a vacated position, disruption to the education process caused by the resignation, and any diminution of the quality of education provided to students. The Board shall not be required to release a Professional Employee from contract.

The Board may assess liquidated damages for a resignation after the fourteenth (14th) calendar day following the third (3rd) Friday in May, or a failure to complete the full term of a contract, according to the following schedule:

After the 14 th calendar day following the 3 rd Friday in May through June 30	\$ 500.00
July 1 through July 31	\$1,000.00
August 1 through the end of the school year	\$2,000.00

All liquidated damages, based on the schedule above, are due when the request for release is presented to the Board.

Notwithstanding the statutory date for notice of resignation by a Professional Employee set forth in K.S.A. 72-2251, and amendments thereto, this section shall control assessment of liquidated damages. At the same time the Professional Employee requests a release from the Professional Employee's contract, the Professional Employee may request that the liquidated damages be waived by making an application in writing to the President of the College stating the specific reasons for the requested waiver. Each such request will be judged on its own merits, and a hearing will be held before a panel of two Professional Employees appointed by the Association and two administrators appointed by the President. The hearing will be held within five working days after being received by the President. The Professional Employee shall be notified of the date, time and place of the hearing and shall have the opportunity to address the Appeals Panel. The Appeals Panel will make a recommendation to the Board at their next regularly scheduled meeting. The Board may choose to accept or reject the recommendation of the Appeals Panel. A Professional Employee not released from contract will be expected to continue discharge of duties until the end of a contract term or any subsequent action of the Board releasing the Professional Employee.

A Professional Employee currently under contract shall be determined to be under contract for the next teaching year unless a resignation is submitted on or before the fourteenth (14th) calendar day following the third (3rd) Friday in May. New Professional Employees shall be determined to be under contract once a signed contract has been received by the College.

Any Professional Employee who is not released from a contract by Board action shall fulfill the terms of such contract and any action by the Professional Employee resulting in a failure to fulfill the terms of the contract shall amount to a breach of contract and will subject the Professional Employee to any and all legal remedies available to the Board. In the event of a breach of contract by the Professional Employee, appropriate notation of the same will be placed in the Professional Employee's personnel file.

ARTICLE XII – NON-TENURED STATUS

Section A. Non-Tenured Professional Employees

The non-tenured status of Professional Employees shall be governed by K.S.A. 72-2260, and amendments thereto.
