

CAMP Ambassador Program

The College Assistance Migrant Program is offering a CAMP Ambassador Program for students interested in helping to promote and recruit for the scholarship program.

CAMP Ambassadors will serve as a liaison, spokesperson, and advocate for the program and GCCC. Ambassadors must have strong interpersonal skills, positive attitude, and commitment to integrity.

We are looking for students who are highly motivated and energetic with the ability to motivate other students to attend college and graduate. These students should also possess decision-making skills and the willingness to work as a team, collaborating with each other while keeping good grades and attendance.

CAMP Student Ambassadors will be able to meet new people, develop new skills, and play a leadership role on campus.

Activities will include participation in recruitment events on campus and special occasions off campus.

The program offers students the opportunity to serve as a voice and mentor to younger students in their hometowns.

CAMP Ambassadors meet twice a year to plan the activities for each semester.
