

# **GARDEN CITY COMMUNITY COLLEGE**

## **Non-Discrimination/Anti-Harassment Policy**

Garden City Community College (“the College”) is committed to providing a workplace and educational environment, as well as other benefits, programs, and activities, that are free from discrimination, harassment, and retaliation. To ensure compliance with federal and state civil rights laws and regulations, and to affirm its commitment to promoting the goals of fairness and equity in all aspects of the educational program or activity, the College has internal policies and procedures that provide a prompt, fair, and impartial process for those involved in an allegation of discrimination, or harassment on the basis of protected class status, and for allegations of retaliation. The College values and upholds the equal dignity of all members of its community and strives to balance the rights of the parties in the grievance process for all those involved.

The core purpose of this Policy is the prohibition of all forms of discrimination. Sometimes, discrimination involves exclusion from activities, such as admission, athletics, or employment. Other times, discrimination takes the form of harassment or, in the case of sex-based discrimination, can encompass sexual harassment, sexual assault, stalking, sexual exploitation, dating violence, or domestic violence. When an alleged violation of this Policy is reported, the allegations are subject to resolution using the College’s Informal or Formal Grievance Processes, determined by the Title IX Coordinator.

When the Respondent is a member of the College community, a grievance process may be available regardless of the status of the Complainant, who may or may not be a member of the College’s community. This community includes, but is not limited to, students, faculty, administrators, staff, and third parties such as guests, visitors, volunteers, invitees, and campus camp attendees.

### **1. Glossary (See [Appendix B](#))**

### **2. Title IX Coordinator**

The Title IX Coordinator oversees implementation of the College’s Non-Discrimination/Anti-Harassment Policy. The Title IX Coordinator has the primary responsibility for coordinating the College’s efforts related to the intake, investigation, resolution, and implementation of supportive measures to stop, remediate, and prevent discrimination, harassment, and retaliation prohibited under this Policy.

### **3. Independence and Conflict-of-Interest**

The Title IX Coordinator manages the Title IX Team and acts with independence and authority free from bias and conflicts of interest. The Title IX Coordinator oversees all resolutions under this Policy and these procedures. The members of the Title IX Team are vetted and trained to ensure they are not biased for or against any party in a specific case, or for or against Complainants and/or Respondents, generally.

To raise any concern involving bias, conflict of interest, misconduct, or discrimination by the Title IX Coordinator, contact the Garden City Community College President. Concerns of bias, misconduct, discrimination, or a potential conflict of interest by any other Title IX Team member should be raised with the Title IX Coordinator.

The College has classified all full-time employees as Mandated Reporters of any knowledge they have that a member of the community is experiencing harassment, discrimination, and/or retaliation. The section below on Mandated Reporting details which employees have this responsibility and their duties, accordingly.

## **5. Notice/Complaints of Discrimination, Harassment, and/or Retaliation**

Notice or complaints of discrimination, harassment, and or retaliation may be made using any of the following options:

- File a complaint with, or give verbal notice to the Title IX Coordinator, a Title IX Team Member, or any OWA. Such a report or Formal Complaint may be made at any time (including during non-business hours) by using the telephone number or email address, or by mail, to the office listed for the Title IX Coordinator, or any other official listed.
- Report online, using the [Safety Assessment Form](#). Anonymous reports are accepted but can give rise to a need to investigate to determine if the parties can be identified. If not, no further formal action is taken, though measures intended to protect the community may be enacted. The College tries to provide supportive measures to all Complainants,

which may be impossible with an anonymous report that does not identify the Complainant.

Because reporting carries no obligation to initiate a formal response, and because the College respects Complainant requests to dismiss complaints unless there is a compelling threat to health and/or safety, the Complainant is largely in control and should not fear a loss of confidentiality by making a report that allows the College to discuss and/or provide supportive measures.

- GCCC Campus Police Department at (620) 272-6828, or 911 Emergency TDD.

As used in this Policy, the term “Formal Complaint” means a document or electronic submission (such as by electronic mail or through an online portal provided by the College for this purpose) that contains the Complainant’s physical or digital signature, or otherwise indicates that the Complainant is the person filing the complaint, and requests that the College investigate the allegations. If notice is submitted in a form that does not meet this standard, the Title IX Coordinator will contact the Complainant to ensure that it is filed correctly.

## **6. Supportive Measures**

The College will offer and implement appropriate and reasonable supportive measures to the parties upon notice of alleged harassment, discrimination, and/or retaliation. Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate and as reasonably available. They are offered, without fee or charge to the parties, to restore or preserve access to the College’s education program or activity, including measures designed to protect the safety of all parties and/or the College’s educational environment and/or to deter harassment, discrimination, and/or retaliation.

The Title IX Coordinator promptly makes supportive measures available to the parties upon receiving notice or a complaint. At the time that supportive measures are offered, the College will inform the Complainant, in writing, that they may file a Formal Complaint with the College either at that time or in the future, if they have not done so already. The Title IX Coordinator works with the Complainant to ensure that their wishes are considered with respect to any planned and implemented supportive measures.

The College will maintain the confidentiality of the supportive measures, provided that confidentiality does not impair the College’s ability to provide those supportive measures. The College will act to ensure as minimal an academic/occupational impact on the parties as possible. The College will implement measures in a way that does not unreasonably burden the other party.

These actions may include, but are not limited to:

- Referring to counseling, medical, and/or other healthcare services
- Referring to the Employee Assistance Program, New Directions
- Counseling for student financial aid
- Referring to community-based service providers
- Altering campus housing assignment(s)
- Altering work arrangements for employees or student-employees
- Preparing a safety plan
- Providing campus safety escorts

- Issuing no contact orders between the parties
- Providing academic support, extensions of deadlines, or other course/program-related adjustments
- Issuing a College No Trespass Notice
- Issuing timely warnings
- Modification of class schedule, withdrawals, or leaves of absence
- Increasing security and monitoring of certain areas of the campus
- Any other actions deemed appropriate by the Title IX Coordinator

Violations of no contact orders or other restrictions may be referred to appropriate student or employee conduct processes for enforcement or added as collateral misconduct allegations to an ongoing complaint under this Policy.

## **7. Emergency Removal**

The College can act to remove a Respondent entirely or partially from its education program or activities on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical health or safety of any student or other individual justifies removal. This risk analysis is performed by the Title IX Coordinator in conjunction with the CARE Team using its standard objective violence risk assessment procedures.

In all cases in which an emergency removal is imposed, the student will be given notice of the action and the option to request to meet with the Title IX Coordinator prior to such action/removal being imposed, or as soon thereafter as reasonably possible, to show cause why the action/removal should not be implemented or should be modified.

This meeting is not a hearing on the merits of the allegation(s), but rather is an administrative process intended to determine solely whether the emergency removal is appropriate. When this meeting is not requested in a timely manner, objections to the emergency removal will be deemed waived. A Complainant and their Advisor may be permitted to participate in this meeting if the Title IX Coordinator determines it is equitable to do so. This section also applies to any restrictions that a coach or athletic administrator may place on a student-athlete arising from allegations related to Title IX. There is no appeal process for emergency removal decisions.

A Respondent may be accompanied by an Advisor of their choice when meeting with the Title IX Coordinator for the show cause meeting. The Respondent will be given access to a written summary of the basis for the emergency removal prior to the meeting to allow for adequate preparation.

The Title IX Coordinator has sole discretion under this Policy to implement or modify an emergency removal and to determine the conditions and duration. Violation of an emergency removal under this Policy will be grounds for discipline within the student or employee conduct processes, which may include dismissal or termination.

The College will implement the least restrictive emergency actions possible in light of the circumstances and safety concerns. As determined by the Title IX Coordinator, these actions could include, but are not limited to: removing a student from a residence hall, temporarily reassigning an employee, restricting a student's or employee's access to or use of facilities or equipment, allowing a student to withdraw or take grades of incomplete without financial penalty, authorizing an administrative leave, and suspending a student's participation in

extracurricular activities, student employment, student organizational leadership, or intercollegiate/intramural athletics.

At the discretion of the Title IX Coordinator, alternative coursework options may be pursued to ensure as minimal an academic impact as possible on the parties.

When the Respondent is an employee accused of misconduct in the course of their employment, existing provisions for interim action are applicable instead of the above emergency removal process.

## **8. Promptness**

Once the College has received notice or a Formal Complaint, all allegations are promptly acted upon. Complaints typically take 60-90 business days to resolve. There are always exceptions and extenuating circumstances that can cause a resolution to take longer, but the College will avoid all undue delays within its control.

Any time the general timeframes for resolution outlined in this Policy will be delayed, the College will provide written notice to the parties of the delay, the cause of the delay, and an estimate of the anticipated additional time that will be needed as a result of the delay.

## **9. Confidentiality/Privacy**

Every effort is made by the College to preserve the confidentiality of reports. The College will not share the identity of any individual who has made a report or Formal Complaint of harassment, discrimination, or retaliation; any Complainant; any individual who has been reported to be the perpetrator of harassment, discrimination, or retaliation; any Respondent; or any witness, except as permitted by the Family Educational Rights and Privacy Act (FERPA) or its implementing regulations, or as required by law; or to carry out the purposes of 34 C.F.R. Part 106, including any investigation, hearing, or grievance proceeding arising under these Policies and procedures.

The College reserves the right to determine which College officials have a legitimate educational interest in being informed about incidents that fall under this Policy, pursuant to the Family Educational Rights and Privacy Act (FERPA).

Only a small group of officials who need to know will typically be told about the complaint, including but not limited to: Residential Life, CARE Team, Campus Safety & Security, Athletic Director, and the Division of Student Services. Information will be shared as necessary with investigators, decision-makers, witnesses, and the parties. The circle of people with this knowledge will be kept as tight as possible to preserve the parties' rights and privacy.

## **10. College Jurisdiction**

This Policy applies to the College's education program and activities, to conduct that takes place on property owned or controlled by the College, and at College-sponsored events. The Respondent must be a member of College's community in order for this Policy to apply.

This Policy can also be applicable to the effects of off-campus misconduct that effectively deprives someone of access to the College's educational program. The College may also extend jurisdiction to off-campus and/or to online conduct when the Title IX Coordinator determines that the conduct affects a substantial College interest.

Regardless of where the conduct occurred, the College will address notice/complaints to determine whether the conduct occurred in the context of its employment or education program or activity and/or has continuing effects on campus (including virtual learning and employment environments) or in an off campus sponsored program or activity. A substantial College interest includes:

- Any action that constitutes a criminal offense as defined by law. This includes, but is not limited to, single or repeat violations of any local, state, or federal law.
- Any situation in which it is determined that the Respondent poses an immediate threat to the physical health or safety of any student or other individual.
- Any situation or conduct that significantly impinges upon the rights, property, or achievements of others, significantly breaches the peace, and/or causes social disorder.
- Any situation that substantially interferes with the educational interests or mission of the College.

If the Respondent is unknown or is not a member of the College community, the Title IX Coordinator will assist the Complainant in identifying appropriate campus and local resources and supportive measures and/or, when criminal conduct is alleged, in contacting local or campus law enforcement if the individual would like to file a police report.

Further, even when the Respondent is not a member of the College community, supportive measures, remedies, and resources may be provided to the Complainant by contacting the Title IX Coordinator.

In addition, the College may take other actions as appropriate to protect the Complainant against third parties, such as barring individuals from College property and/or events.

All vendors serving the College through third-party contracts are subject to the policies and procedures of their employers.

When the Respondent is enrolled in or employed by another institution, the Title IX Coordinator can assist the Complainant in liaising with the appropriate individual at that institution, as it may be possible to allege violations through that institution's policies.

Similarly, the Title IX Coordinator may be able to assist and support a student or employee Complainant who experiences discrimination in an externship or other environment external to the College where sexual harassment or nondiscrimination policies and procedures of the facilitating or host organization may give recourse to the Complainant.

## **11. Time Limits on Reporting**

There is no time limitation on providing notice/complaints to the Title IX Coordinator. However, if the Respondent is no longer subject to the College's jurisdiction and/or significant time has

passed, the ability to investigate, respond, and provide remedies may be more limited or impossible.

Acting on notice/complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of policy) is at the discretion of the Title IX Coordinator, who may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal or formal action, as appropriate.

When notice/complaint is affected by significant time delay, the College will typically apply the policy in place at the time of the alleged misconduct and the procedures in place at the time of notice/complaint. Typically, this Policy is only applied to alleged incidents that occurred after August 14, 2020. For alleged incidents that occurred prior to August 14, 2020, previous versions of this Policy will apply. Those versions are available from the Title IX Coordinator.

## **12. Online Harassment and Misconduct**

College policies are written and interpreted broadly to include online manifestations of any of the behaviors prohibited below, when those behaviors occur in or have an effect on the College's education program and activities or when they involve the use of College networks, technology, or equipment.

Although the College may not control websites, social media, and other venues through which harassing communications are made, when such communications are reported to the College, it will engage in a variety of means to address and mitigate the effects.

Members of the community are encouraged to be good digital citizens and to refrain from online misconduct, such as feeding anonymous gossip sites; sharing inappropriate content via social media; unwelcome sexual or sex-based messaging; distributing, or threatening to distribute, nude or semi-nude photos or recordings; breaches of privacy; or otherwise using the ease of transmission and/or anonymity of the Internet or other technology to harm another member of the College community.

Any online posting or other electronic communication by students, including cyber-bullying, cyber-stalking, cyber-harassment, etc., occurring completely outside of the College's control (e.g., not on College networks, websites, or between College email accounts) will only be subject to this policy when such online conduct can be shown to cause a substantial in-program disruption or infringement on the rights of others.

Otherwise, such communications are considered speech protected by the First Amendment. Supportive measures for Complainants will be provided, but legally protected speech cannot be subjected to discipline.

Off-campus harassing speech by employees, whether online or in person, may be regulated by the College only when such speech is made in an employee's official or work-related capacity.

## **13. Policy on Nondiscrimination**

The College adheres to all federal and state civil rights laws and regulations prohibiting discrimination in public institutions of higher education.

### **A. Protected Characteristics**

The College does not discriminate any employee, applicant for employment, student, or applicant for admission on the basis of:

- Race
- Religion
- Color
- Sex
- Ancestry
- National Origin
- Disability
- Age
- Martial Status
- Veteran Status
- Sexual Orientation
- Gender Identity
- Genetic Information
- Other Non-Merit Reasons
- or any other protected category under applicable local, state, or federal law, including protections for those opposing discrimination or participating in any grievance process on campus, with the Equal Employment Opportunity Commission, or other human rights agencies.

This Policy covers nondiscrimination in both employment and access to educational opportunities. Therefore, any member of the College community whose acts deny, deprive, or limit the educational or employment access, benefits, and/or opportunities of any member of the College community, guest, or above is in violation of the College's Policy on non-discrimination and anti-harassment.

When brought to the attention of the College, any such discrimination will be promptly and fairly addressed and remedied by the College according to the appropriate grievance process, as determined by the Title IX Coordinator.

## **B. Inclusion Related to Gender Identity**

The College strives to ensure that all individuals are safe, included, and respected in their working and learning environments, regardless of their gender identity, including intersex, transgender, agender, and gender diverse students and employees.

Discrimination on the basis of gender identity is not tolerated by the College. If a member of the College community feels they have been subjected to discrimination under this Policy, they should follow the appropriate reporting/Formal Complaint process described above.

In upholding the principles of equity and inclusion, the College supports the full integration and healthy development of those who are transgender, transitioning, or gender diverse, and seeks to eliminate any stigma related to gender identity.

The College is committed to fostering a climate where all identities are valued and create a more vibrant and diverse community. The purpose of this Policy is to have the College administratively address issues some students and employees, including those identifying as intersex, transgender, agender, and gender diverse, may confront as they navigate

systems originally designed around the assumption that gender is binary. As our society's understanding of gender evolves, so do the College's processes and policies.

Concepts like misgendering and deadnaming may not be familiar to all but understanding them is essential to the College's goal of being as welcoming and inclusive a community as possible.

Misgendering is the intentional or unintentional use of pronouns or identifiers that are different from those used by an individual. Unintentional misgendering is usually resolved with a simple apology if someone clarifies their pronouns for you. Intentional misgendering is inconsistent with the type of community we hold ourselves out to be. We all get to determine our own gender identity, but we don't get to choose or negate someone else's.

Deadnaming, along with misgendering, can be very traumatic to a person who is transgender, transitioning, or gender diverse. Deadnaming means using someone's birth-assigned (cisgender) name, rather than the name they have chosen.

To a person who is transgender, transitioning, or gender diverse, their cisgender identity may be something that is in their past, dead, buried, and behind them. To then revive their deadname could trigger issues, traumas, and experiences of the past that the individual has moved past, or is moving past, and can interfere with their health and well-being.

Again, unintentional deadnaming can be addressed by a simple apology and an effort to use the person's chosen name. Intentional deadnaming could be a form of bullying, outing, or otherwise harassing an individual, and thus should be avoided.

This Policy should be interpreted consistent with the goals of maximizing the inclusion of intersex, transgender, transitioning, agender, and gender diverse students and employees, including:

- Maintaining the privacy of all individuals consistent with law
- Ensuring all students equal access to educational programming, activities, and facilities, including restrooms and locker rooms
- Ensuring all employees equal access to employment opportunities and work, service, or health-related facilities
- Providing professional development for employees and education for students on topics related to gender inclusion
- Encouraging all students and employees to respect the pronoun usage and identities of all members of the College community

The College has set forth its specific processes for implementing this policy through the accompanying Title IX-related procedures.

#### **14. Disability Discrimination and Accommodation Policy**

The College is committed to full compliance with the Americans With Disabilities Act of 1990 (ADA), as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibit discrimination against qualified persons with disabilities, as well as other federal and state laws and regulations pertaining to individuals with disabilities.

Under the ADA and its amendments, a person has a disability if they have a physical or mental impairment that substantially limits a major life activity.

The ADA also protects individuals who have a record of a substantially limiting impairment or who are regarded as disabled by the College, regardless of whether they currently have a disability. A substantial impairment is one that significantly limits or restricts a major life activity such as hearing, seeing, speaking, breathing, performing manual tasks, walking, or caring for oneself.

The Coordinator of Accommodations has been designated as the College's ADA/504 Coordinator responsible for overseeing efforts to comply with these disability laws, including responding to grievances and conducting investigations of any allegation of noncompliance or discrimination based on disability. Complaints may be made to:

Coordinator of Accommodations  
(620) 276-9638  
[accommodations@gcccks.edu](mailto:accommodations@gcccks.edu)

#### **A. Students with Disabilities**

**Apply for Accommodations:** Garden City Community College is dedicated to the belief that students with disabilities should have equal opportunity to develop and extend their skills and knowledge. We strive to maintain a least-restrictive environment and provide appropriate support services necessary to ensure access to our educational programs. We encourage you to communicate your needs and utilize available resources.

Documentation of the disability must be submitted to provide evidence of the need for accommodations. It will be reviewed to determine what accommodations will be approved. Reasonable services and accommodations are provided to enrolled students on an individual basis and with respect to confidentiality.

Requests for accommodations should be directed to:

Coordinator of Accommodations  
(620) 276-9638  
[accommodations@gcccks.edu](mailto:accommodations@gcccks.edu)

#### **B. Employees with Disabilities**

Accommodations are intended to increase efficiency or reduce the additional deterioration of the disability. Written requests for accommodations should be directed to the Director of Human Resources. Such requests will be reviewed on an individual basis. If the individual is qualified to perform essential job functions, but is substantially restricted by the eliminations caused by the disability, the College will consider whether the individual could perform these functions more effectively with reasonable accommodation. If an accommodation is deemed to result in the enhanced performance of essential job functions, the accommodation will be made, assuming it does not create an undue hardship on the College. The College may require documentation about the disability and the functional limitations related to the disability. The documentation must come from an appropriate health care or rehabilitation professional. The appropriate professional in any particular situation will depend on the disability and type of function it imposes.

### **15. Discriminatory Harassment Policy**

Students, staff, administrators, and faculty are entitled to an employment and educational environment that is free of discriminatory harassment. The College's Non-Discrimination and Anti-Harassment Policy is not meant to inhibit or prohibit educational content or discussions inside or outside of the classroom that include germane, but controversial or sensitive subject matters protected by academic freedom.

The sections below describe the specific forms of legally prohibited harassment that are also prohibited under College policy. When speech or conduct is protected by academic freedom and/or the First Amendment, it will not be considered a violation of College Policy, though supportive measures will be offered to those impacted. All policies encompass actual and/or attempted offenses.

### **A. Discriminatory Harassment**

Discriminatory harassment—defined as unwelcome conduct by any member or group of the community on the basis of actual or perceived characteristic protected by policy or law—is a form of prohibited discrimination under College Policy.

The College does not tolerate discriminatory harassment of any employee, student, visitor, or third-party. The College will act to remedy all forms of harassment when reported, whether or not the harassment rises to the level of creating a “hostile environment.” A hostile environment is one that unreasonably interferes with, limits, or effectively denies an individual's educational or employment access, benefits, or opportunities (based on Federal Register/Vol. 59, No. 47 / Thursday, March 10, 1994). This discriminatory effect results from harassing verbal, written, graphic, or physical conduct that is severe, pervasive, and objectively offensive.

When discriminatory harassment rises to the level of creating a hostile environment, the College may also impose sanctions on the Respondent through application of the appropriate grievance process below. The College reserves the right to address offensive conduct and/or harassment that 1) does not rise to the level of creating a hostile environment, or 2) that is of a generic nature and not based on a protected characteristic. Addressing such conduct will not result in the imposition of discipline under College Policy, but may be addressed through respectful conversation, remedial actions, education, and/or other informal resolution mechanisms.

### **B. Sexual Harassment**

The Department of Education's Office for Civil Rights (OCR), the Equal Employment Opportunity Commission (EEOC), and the state of Kansas regard Sexual Harassment, a specific form of discriminatory harassment, as an unlawful discriminatory practice. The College has adopted the following definition of Sexual Harassment in order to address the unique environment of an academic community, which consists of employer and employees, and students.

Acts of sexual harassment may be committed by any person upon any other person, regardless of the sex, sexual orientation, and/or gender identity of those involved.

Sexual Harassment, as an umbrella category, includes the offenses of sexual harassment, sexual assault, domestic violence, dating violence, and stalking, and is defined as:

Conduct on the basis of sex<sup>1</sup> that satisfies one or more of the following:

**1. Quid Pro Quo:**

- a. an employee of the College,
- b. conditions<sup>2</sup> the provision of an aid, benefit, or service of the College,
- c. on an individual's participation in unwelcome sexual conduct.

**2. Sexual Harassment:**

- a. unwelcome conduct,
- b. determined by a reasonable person,
- c. to be so severe, and
- d. pervasive, and,
- e. objectively offensive,
- f. that it effectively denies a person equal access to the College's education program or activity.<sup>3</sup>

---

<sup>1</sup> Including gender identity, sexual orientation, and sex stereotypes.

<sup>2</sup> Implicitly or explicitly.

<sup>3</sup> Unwelcomeness is subjective and determined by the Complainant (except when the Complainant is younger than the age of consent). Severity, pervasiveness, and objective offensiveness are evaluated based on the totality of the circumstances from the perspective of a reasonable person in the same or similar circumstances ("in the shoes of the Complainant"), including the context in which the alleged incident occurred and any similar, previous patterns that may be evidenced. This definition is broad enough to potentially encompass forms of sex-based disparate treatment, even if not harassing in nature.

**3. Sexual Assault, defined as:**

- a. Any sexual act<sup>4</sup> directed against a Complainant<sup>5</sup>,
  - without their consent, or
  - instances in which the Complainant is incapable of giving consent.
- b. **Incest:**
  - Non-forcible sexual intercourse,
  - between persons who are related to each other,
  - within the degrees wherein marriage is prohibited by Kansas law.
- c. **Statutory Rape:**
  - Non-forcible sexual intercourse,
  - with a person who is under the statutory age of consent of 16 years old.

**4. Dating Violence, defined as:**

- a. violence,
- b. on the basis of sex,
- c. committed by a person,
- d. who is in or has been in a social relationship of a romantic or intimate nature with the Complainant.
  - i. The existence of such a relationship shall be determined based on the Complainant's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of

---

<sup>4</sup> A 'sexual act' is specifically defined by federal regulations to include one or more of the following:

**Rape:**

- Penetration no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person,
- without their consent,
- including instances where they are incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity."

**Sodomy:**

- Oral or anal sexual intercourse with a Complainant,
- forcibly, and/or
- against their will (non-consensually), or
- not forcibly or against their will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

**Sexual Assault with an Object:**

- The use of an object or instrument to penetrate,
- however slightly,
- the genital or anal opening of the body of the Complainant,
- forcibly, and/or
- against their will (non-consensually), or
- not forcibly or against their will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

**Fondling:**

- The touching of the private body parts of the Complainant (buttocks, groin, breasts),
- for the purpose of sexual gratification,
- forcibly, and/or
- against their will (non-consensually), or
- not forcibly or against their will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

<sup>5</sup> This would include having another person touch you sexually, forcibly, and/or without their consent.

interaction between the persons involved in the relationship. For the purposes of this definition—

- a) Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
- b) Dating violence does not include acts covered under the definition of domestic violence.

**5. Domestic Violence**, defined as:

- a. violence,
- b. on the basis of sex,
- c. committed by a current or former spouse or intimate partner of the Complainant,
- d. by a person with whom the Complainant shares a child in common, or
- e. by a person who is cohabitating with, or has cohabitated with, the Complainant as a spouse or intimate partner, or
- f. by a person similarly situated to a spouse of the Complainant under the domestic or family violence laws of the State of Kansas, or
- g. by any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of the State of Kansas.

**6. Stalking**, defined as:

- a. engaging in a course of conduct,
- b. on the basis of sex,
- c. directed at a specific person, that
  - ii. would cause a reasonable person to fear for the person's safety, or
  - iii. the safety of others; or
  - iv. suffer substantial emotional distress.

For the purposes of this definition—

- Course of conduct means two or more acts, including, but not limited to, acts in which the Respondent directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.
- Reasonable person means a reasonable person under similar circumstances and with similar identities to the Complainant.
- Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

The College reserves the right to impose any level of sanction, ranging from a reprimand up to and including suspension or expulsion/termination, for any offense under this Policy. The most serious offenses are likely to result in suspension/expulsion/termination.

### **C. Expectations Regarding Unethical Relationships**

There are inherent risks in any romantic or sexual relationship between individuals in unequal positions (such as faculty member and student or supervisor and employee). In reality, these relationships may be less consensual than perceived by the individual whose position confers power or authority. Similarly, the relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Circumstances may change,

and conduct that was once welcome may, at some point in the relationship, become unwelcome.

Even when both parties have initially consented to romantic or sexual involvement, the possibility of a later allegation of a relevant policy violation still exists. The College does not wish to interfere with private choices regarding personal relationships when these relationships do not interfere with the goals and policies of the College. However, for the personal protection of members of this community, relationships in which power differentials are inherent (e.g., faculty-student, staff-student) are generally discouraged. They may also violate standards of professionalism and/or professional ethics.

Consensual romantic or sexual relationships in which one party maintains a direct supervisory or otherwise evaluative role over the other party are inherently problematic. Therefore, persons with direct supervisory or otherwise evaluative responsibilities who are involved in such relationships must bring these relationships to the timely attention of their supervisor and/or the Title IX Coordinator. The existence of this type of relationship will likely result in removing the supervisory or evaluative responsibilities from the employee or shifting a party from being supervised or evaluated by someone with whom they have established a consensual relationship. When an affected relationship existed prior to adoption of this policy, the duty to notify the appropriate supervisor still pertains.

This type of relationship includes Resident Assistants (RAs) and students over whom the RA has direct responsibility. While no relationships are specifically prohibited by this policy, failure to timely self-report such relationships to a supervisor as required can result in disciplinary action for an employee. The Title IX Coordinator will determine whether to refer violations of this provision to Human Resources for resolution, or to pursue resolution under this policy, based on the circumstances of the allegation.

#### **D. Force, Coercion, Consent, and Incapacitation**

As used in the offenses above, the following definitions apply:

**Force:** Force is the use of physical violence and/or physical imposition to gain sexual access. Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent (e.g., "Have sex with me or I'll hit you," which elicits the response, "Okay, don't hit me. I'll do what you want.").

Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Silence or the absence of resistance alone is not consent. Consent is not demonstrated by the absence of resistance. While resistance is not required or necessary, it is a clear demonstration of non-consent.

**Coercion:** Coercion is unreasonable pressure for sexual activity. Coercive conduct differs from seductive conduct based on factors such as the type and/or extent of the pressure used to obtain consent. When someone makes clear that they do not want to engage in certain sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

**Consent is:**

- knowing, and

- voluntary, and
- clear permission
- by word or action
- to engage in sexual activity.

Individuals may perceive and experience the same interaction in different ways. Therefore, it is the responsibility of each party to determine that the other has consented before engaging in the activity.

If consent is not clearly provided prior to engaging in the activity, consent may be ratified by word or action at some point during the interaction or thereafter, but clear communication from the outset is strongly encouraged.

For consent to be valid, there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct. Reasonable reciprocation can be implied consent. For example, if someone kisses you, you can kiss them back (if you want to) without the need to explicitly obtain *their* consent to being kissed back.

Consent can also be withdrawn once given, as long as the withdrawal is reasonably and clearly communicated. If consent is withdrawn, that sexual activity should cease within a reasonably immediate time.

Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous intimate relationship is not sufficient to constitute consent. If an individual expresses conditions on their willingness to consent (e.g., use of a condom) or limitations on the scope of their consent, those conditions and limitations must be respected.

Proof of consent or non-consent is not a burden placed on either party involved in a complaint. Instead, the burden remains on the College to determine whether its policy has been violated. The existence of consent is based on the totality of the circumstances evaluated from the perspective of a reasonable person in the same or similar circumstances, including the context in which the alleged misconduct occurred and any similar and previous patterns that may be evidenced.

Consent in relationships must also be considered in context. When parties consent to BDSM<sup>6</sup> or other forms of kink, non-consent may be shown by the use of a safe word. Resistance, force, violence, or even saying “no” may be part of the kink and thus consensual, thus the College’s evaluation of communication in kink situations should be guided by reasonableness, rather than strict adherence to policy that assumes non-kink relationships as a default.

**Incapacitation:** A person cannot consent if they are unable to understand what is happening or are disoriented, helpless, asleep, or unconscious for any reason, including due to alcohol or other drug consumption. As stated above, a Respondent violates this Policy if they engage in sexual activity with someone who is incapable of giving consent.

It is a defense to a sexual assault policy violation that the Respondent neither knew nor should have known the Complainant to be physically or mentally incapacitated. “Should

---

<sup>6</sup> Bondage, discipline/dominance, submission/sadism, and masochism.

have known” is an objective, reasonable person standard that assumes that a reasonable person is both sober and exercising sound judgment.

Incapacitation occurs when someone cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, and how” of their sexual interaction).

Incapacitation is determined through consideration of all relevant indicators of an individual's state and is not synonymous with intoxication, impairment, blackout, and/or being drunk.

This Policy also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating substances.

## **E. Other Civil Rights Offenses**

In addition to the forms of sexual harassment described above, which are covered by Title IX, the College additionally prohibits the following offenses as forms of discrimination that may be within or outside of Title IX when the act is based upon the Complainant's actual or perceived protected characteristic.

- 1) **Sexual Exploitation**, defined as:
  - a. an individual taking non-consensual or abusive sexual advantage of another
  - b. for their own benefit or for the benefit of anyone other than the person being exploited, and
  - c. that conduct does not otherwise constitute Sexual Harassment under this Policy.

Examples of Sexual Exploitation include, but are not limited to:

- Sexual voyeurism (such as observing or allowing others to observe a person undressing or using the bathroom or engaging in sexual acts, without the consent of the person being observed)
- Invasion of sexual privacy (e.g., doxxing)
- Knowingly making an unwelcome disclosure of (or threatening to disclose) an individual's sexual orientation, or gender identity
- Taking pictures, video, or audio recording of another in a sexual act, or in any other sexually related activity when there is a reasonable expectation of privacy during the activity, without the consent of all involved in the activity; or exceeding the boundaries of consent (such as allowing another person to hide in a closet and observe sexual activity; or disseminating sexual pictures without the photographed person's consent), including the making or posting of non-consensual pornography
- Prostituting another person
- Engaging in sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or a sexually transmitted disease (STD) or infection (STI), without informing the other person of the virus, disease, or infection
- Causing or attempting to cause the incapacitation of another person (through alcohol, drugs, or any other means) for the purpose of compromising that person's ability to give consent to sexual activity, or for the purpose of making that person vulnerable to non-consensual sexual activity
- Misappropriation of another person's identity on apps, websites, or other venues designed for dating or sexual connections (e.g., spoofing)

- Forcing a person to take an action against that person's will by threatening to show, post, or share information, video, audio, or an image that depicts the person's nudity or sexual activity
  - Knowingly soliciting a minor for sexual activity
  - Engaging in sex trafficking
  - Knowingly creating, possessing, or disseminating child pornography
- 2) **Harm/Endangerment**, defined as:
- a. threatening or causing physical harm;
  - b. extreme verbal, emotional, or psychological abuse; or
  - c. other conduct which threatens or endangers the health or safety of any person or damages their property.
- 3) **Discrimination**, defined as:
- a. actions that deprive, limit, or deny
  - b. other members of the community
  - c. of educational or employment access, benefits, or opportunities,
  - d. including disparate treatment.
- 4) **Intimidation**, defined as:
- a. implied threats or
  - b. acts that cause the Complainant reasonable fear of harm.
- 5) **Hazing**, defined as:
- a. acts likely to cause physical or psychological harm or social ostracism
  - b. to any person within the College community,
  - c. when related to the admission, initiation, pledging, joining or any other group affiliation activity. Hazing is defined further in the Student Handbook.
- 6) **Bullying**, defined as:
- a. repeated/and or severe aggressive behavior
  - b. that is likely to intimidate or intentionally hurt, control, or physically or mentally diminish the Complainant,
  - c. that is not speech or conduct that is otherwise protected by the First Amendment.

Violation of any other College policies may constitute a Civil Rights Offense when a violation is motivated by actual or perceived protected characteristic(s), and the result is a discriminatory limitation or denial of employment or educational access, benefits, or opportunities.

Sanctions for the above-listed Civil Rights Offenses range from reprimand through expulsion/termination.

## **16. Retaliation**

Protected activity under this Policy includes reporting an incident that may implicate this Policy, participating in the resolution process, supporting a Complainant or Respondent, assisting in providing information relevant to an investigation, and/or acting in good faith to oppose conduct that constitutes a violation of this Policy.

Acts of alleged retaliation should be reported immediately to the Title IX Coordinator and will be promptly investigated. The College will take all appropriate and available steps to protect individuals who fear that they may be subjected to retaliation.

The College and any member of the College community are prohibited from taking or attempting to take materially adverse action by intimidating, threatening, coercing, harassing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by law or policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy.

Charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

The exercise of rights protected under the First Amendment does not constitute retaliation.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this Policy and procedure does not constitute retaliation, provided that a determination regarding responsibility, alone, is not sufficient to conclude that any party has made a materially false statement in bad faith.

## **17. Mandated Reporting**

All full-time College employees (faculty, staff, administrators) are expected to report actual or suspected discrimination, harassment, and/or retaliation to appropriate officials immediately, although there are some limited exceptions.

To make informed choices, it is important to be aware of confidentiality and mandatory reporting requirements when consulting institutional resources. Within the institution, some resources may maintain confidentiality and are not required to report actual or suspected harassment, discrimination, or retaliation in a way that identifies the parties. They may offer options and resources without any obligation to inform an outside agency or institution official unless a Complainant has requested the information be shared.

If a Complainant expects formal action in response to their allegations, reporting to any Mandated Reporter can connect them with resources to report alleged crimes and/or policy violations, and these employees will immediately pass reports to the Title IX Coordinator (and/or police, if desired by the Complainant or required by law), who will act when an incident is reported to them.

The following sections describe the reporting options at the College for a Complainant or third party (including parents/guardians when appropriate):

### **A. Confidential Resources:**

If a Complainant would like the details of an incident to be kept confidential, the Complainant may speak with:

- **GCCC Counseling Services** – (620) 276-9683 or (620) 276-9635, Regular business hours M-F

- **GCCC Campus Health Nurse** – Trisha Miller, R.N., B.S.N. – (620) 276-9601, Regular business hours M-F
- **St. Catherine Hospital, *Emergency*** – 911, *Non-Emergency* – (620) 272-2222, 24/7 (401 E Spruce St, Garden City, KS, [www.centura.org](http://www.centura.org))
- **Compass Behavioral Health\*** – 1111 E Spruce – 620-276-7689; Hotline 1-800-259-9576
- **Finney County Sexual Assault Nurse Examiner (SANE)**, *Emergency* – (620) 272-2222 (St. Catherine Emergency Room)
- **Family Crisis Services, *Crisis Hotline*** – Kaylee Crawford, Campus Advocate (620) 295-1654 or the office at (620) 275-2018 (106 W Fulton St, Garden City, KS. Also available Text 2 Talk for non-emergencies (620) 640-9050.
- **Genesis Family Health**, (620) 275-1766, Beth Tedrow Student Center, Monday through Friday, virtual appointments, or 712 St. John St, Garden City.
- **Kansas Coalition Against Sexual & Domestic Violence, *Crisis Hotline*** – 1-888-END-ABUSE (363-2287), ([www.kcsdv.org](http://www.kcsdv.org))
- **National Sexual Assault Hotline** – 1-800-656-HOPE (4673), (<https://ohl.rainn.org/online/>)
- **National Domestic Violence Hotline** – 1-800-799-SAFE (7233)
- ***If you are off campus and experiencing an emergency situation, you can call local police by dialing 911.***

All the above-listed individuals will maintain confidentiality when acting under the scope of their licensure, professional ethics, and/or professional credentials, or official designation, except in extreme cases of immediacy of threat or danger or abuse of a minor or individual with a disability, or when required to disclose by law or court order. Unlike other College employees, the options above are *confidential* and are exempted from mandatory reporting obligations to the Title IX Coordinator. These Resources are free and include both internal and external options:

College employees who have confidentiality as described above, and who receive reports within the scope of their confidential roles will timely submit anonymous statistical information for Clery Act purposes unless they believe it would be harmful to their client or patient.

## **B. Mandated Reporters and Formal Notice/Complaints**

All **full-time** employees (including student employees), with the exception of those who are designated as Confidential Resources, are Mandated Reporters and must promptly share with the Title IX Coordinator all known details of a report made to them in the course of their employment. The College strongly encourages all part-time employees to also report incidents of harassment, discrimination, and/or retaliation.

Employees must also promptly share all details of behaviors under this Policy that they observe or have knowledge of, even if not reported to them by a Complainant or third party.

Complainants may want to carefully consider whether they share personally identifiable details with non-confidential Mandated Reporters, as those details must be shared with the Title IX Coordinator.

Generally, disclosures in climate surveys, classroom writing assignments or discussions, human subjects research, or at events such as “Take Back the Night” marches or speak-

outs do not provide notice that must be reported to the Title IX Coordinator by employees, unless the Complainant clearly indicates that they desire a report to be made or a seek a specific response from the College.

Supportive measures may be offered as the result of such disclosures without formal College action.

Failure of a Mandated Reporter, as described above in this section, to report an incident of harassment, discrimination, or retaliation of which they become aware is a violation of College Policy and can be subject to disciplinary action for failure to comply/failure to report.

Though this may seem obvious, when a Mandated Reporter is engaged in harassment or other violations of this Policy, they still have a duty to report their own misconduct, though the College is technically not on notice simply because a harasser is also a Mandated Reporter unless the harasser does in fact report themselves.

Finally, it is important to clarify that a Mandated Reporter who is themselves a target of harassment or other misconduct under this policy is not required to report their own experience, though they are, of course, encouraged to do so.

## **18. When a Complainant Does Not Wish to Proceed**

If a Complainant does not wish for their name to be shared with the Respondent, does not wish for an investigation to take place, or does not want a formal complaint to be pursued, they may make such a request to the Title IX Coordinator, who will evaluate that request in light of the duty to ensure the safety of the campus and to comply with state or federal law.

The Title IX Coordinator has ultimate discretion over whether the College proceeds when the Complainant does not wish to do so, and the Title IX Coordinator may sign a Formal Complaint to initiate a grievance process upon completion of an appropriate violence risk assessment.

The Title IX Coordinator's decision should be based on results of the violence risk assessment that show a compelling risk to health and/or safety that requires the College to pursue formal action to protect the community.

A compelling risk to health and/or safety may result from evidence of patterns of misconduct, predatory conduct, threats, abuse of minors, use of weapons, and/or violence. The College may be compelled to act on alleged employee misconduct irrespective of a Complainant's wishes.

The Title IX Coordinator must also consider the effect that non-participation by the Complainant may have on the availability of evidence and the College's ability to pursue a Formal Grievance Process fairly and effectively.

When the Title IX Coordinator executes the written complaint, they do not become the Complainant. The Complainant is the individual who is alleged to be the victim of conduct that could constitute a violation of this Policy.

When the College proceeds, the Complainant (and/or their Advisor) may have as much or as little involvement in the process as they wish. The Complainant retains all rights of a Complainant under this Policy irrespective of their level of participation. Typically, when the Complainant chooses not to participate, the Advisor may be appointed as proxy for the Complainant throughout the process, acting to ensure and protect the rights of the Complainant, though this does not extend to the provision of evidence or testimony.

Note that the College's ability to remedy and respond to notice may be limited if the Complainant does not want the College to proceed with an investigation and/or grievance process. The goal is to provide the Complainant with as much control over the process as possible, while balancing the College's obligation to protect its community.

In cases in which the Complainant requests confidentiality/no formal action and the circumstances allow the College to honor that request, the College will offer Informal Resolution Options (see below), supportive measures, and remedies to the Complainant and the community, but will not otherwise pursue formal action.

If the Complainant elects to take no action, they can change that decision if they decide to pursue a Formal Complaint at a later date. Upon making a Formal Complaint, a Complainant has the right, and can expect, to have allegations taken seriously by the College and to have the incidents investigated and properly resolved through these procedures. Please consider that delays may cause limitations on access to evidence, or present issues with respect to the status of the parties.

### **19. Federal Timely Warning Obligations**

Parties reporting sexual assault, domestic violence, dating violence, and/or stalking should be aware that under the Clery Act, the College must issue timely warnings for incidents reported to them that pose a serious or continuing threat of bodily harm or danger to members of the campus community.

The College will ensure that a Complainant's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the potential danger.

### **20. False Allegations and Evidence**

Deliberately false and/or malicious accusations under this Policy, as opposed to allegations which, even if erroneous, are made in good faith, are a serious offense and will be subject to appropriate disciplinary action.

Additionally, witnesses and parties knowingly providing false evidence, tampering with or destroying evidence after being directed to preserve such evidence, or deliberately misleading an official conducting an investigation can be subject to discipline under College Policy.

### **21. Amnesty**

The College community encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to report to College officials or participate in resolution processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

It is in the best interests of the College community that Complainants choose to report misconduct to College officials, that witnesses come forward to share what they know, and that all parties be forthcoming during the process.

To encourage reporting and participation in the process, the College maintains a policy of offering parties and witnesses amnesty from minor policy violations—such as underage consumption of alcohol or the use of illicit drugs—related to the incident.

Amnesty does not apply to more serious allegations such as physical abuse of another or illicit drug distribution. The decision not to offer amnesty to a Respondent is based on neither sex nor gender, but on the fact that collateral misconduct is typically addressed for all students within a progressive discipline system, and the rationale for amnesty—the incentive to report serious misconduct—is rarely applicable to Respondent with respect to a Complainant.

### **A. Students**

Sometimes, students are hesitant to assist others for fear that they may get in trouble themselves (for example, an underage student who has been drinking or using marijuana might hesitate to help take an individual who has experienced sexual assault to the GCCC Campus Safety & Security).

The College maintains a policy of amnesty for students who offer help to others in need. Although policy violations cannot be overlooked, the College may provide purely educational options with no official disciplinary finding, rather than punitive sanctions, to those who offer their assistance to others in need.

### **B. Employees**

Sometimes, employees are hesitant to report harassment, discrimination, or retaliation they have experienced for fear that they may get in trouble themselves. For example, an employee who has violated the unethical relationship policy and is then assaulted in the course of that relationship might hesitate to report the incident to College officials.

The College may, at its discretion, offer employee Complainants amnesty from such policy violations (typically more minor policy violations) related to the incident. Amnesty may also be granted to Respondents and witnesses on a case-by-case basis.

## **22. Federal Statistical Reporting Obligations**

Certain institutional officials—those deemed Campus Security Authorities—have a duty to report the following for federal statistical reporting purposes (Clery Act):

- 1) All “primary crimes,” which include criminal homicide, rape, fondling, incest, statutory rape, robbery, aggravated assault, burglary, motor vehicle theft, and arson
- 2) Hate crimes, which include any bias-motivated primary crime as well as any bias motivated larceny or theft, simple assault, intimidation, or destruction/damage/vandalism of property
- 3) VAWA-based crimes, which include sexual assault, domestic violence, dating violence, and stalking
- 4) Arrests and referrals for disciplinary action for weapons-related law violations, liquor-related law violations, and drug law violations

All personally identifiable information is kept private, but statistical information must be shared with the GCCC Campus Safety & Security regarding the type of incident and its general location

(on or off campus or in the surrounding area, but no addresses are given) for publication in the Annual Security Report and daily campus crime log.

Campus Security Authorities include: student affairs/student conduct staff, GCCC Campus Safety & Security, local law enforcement, coaches, athletic directors, residence life staff, student activities staff, human resources staff, advisors to student organizations, and any other official with significant responsibility for student and campus activities.

### **23. Preservation of Evidence**

The preservation of evidence in incidents of sexual assault and stalking is critical to potential criminal prosecution and to obtaining restraining/protective orders and is particularly time sensitive. The College will inform the Complainant of the importance of preserving evidence by taking actions such as the following:

#### **Sexual Assault**

- Seek forensic medical assistance at the St. Catherine hospital, ideally within 120 hours of the incident (sooner is better).
- Avoid urinating, showering, bathing, washing hands or face, or douching, if possible, but evidence may still be collected even if you do.
- If oral sexual contact took place, refrain from smoking, eating, drinking, or brushing teeth.
- If clothes are changed, place soiled clothes in a paper bag (plastic destroys evidence) or secure evidence container.
- Seeking medical treatment can be essential even if it is not for the purposes of collecting forensic evidence.

#### **Stalking**

- Evidence in the form of text and voice messages will be lost in most cases if the Complainant changes their phone number.
  - Make a secondary recording of any voice messages and/or save the audio files to a cloud server.
  - Take screenshots and/or a video recording of any text messages or other electronic messages (e.g., Instagram, Snapchat, Facebook).
- Save copies of e-mail and social media correspondence, including notifications related to account access alerts.
- Take timestamped photographs of any physical evidence including notes, gifts, etc. in place when possible.
- Save copies of any messages, to include those showing any request for no further contact.
- Obtain copies of call logs showing the specific phone number being used rather than a saved contact name if possible.

During the initial meeting between the Complainant and the Title IX Coordinator, the importance of taking these actions will be discussed, if timely.

## **RESOLUTION PROCESS FOR ALLEGED VIOLATIONS OF THE NON-DISCRIMINATION/ANTI-HARASSMENT POLICY**

### **1. Overview**

The College will act on any formal or informal notice/complaint of violation of the Non-Discrimination/Anti-Harassment Policy (“the Policy”) that is received by the Title IX Coordinator<sup>7</sup> or any other Official with Authority.

The procedures below apply **only** to qualifying allegations of Sexual Harassment (including sexual assault, dating violence, domestic violence, and stalking, as defined above) involving students, staff, administrators, or faculty members.

If other Policy definitions are invoked, such as protected characteristic harassment or discrimination as defined above, the relevant grievance process, as determined by the Title IX Coordinator, will be used to process the complaint. These grievance processes can also apply to Sexual Harassment (including sexual assault, dating violence, domestic violence, and stalking, as defined above) when jurisdiction does not fall within these resolution procedures, as determined by the Title IX Coordinator.

The procedures below may be used to address alleged collateral misconduct by the Respondent arising from the investigation of or occurring in conjunction with reported misconduct (e.g., vandalism, physical abuse of another), when alleged violations of the Policy are being addressed at the same time. In such cases, the Title IX Coordinator may consult with College officials who typically oversee such conduct (e.g., human resources, student conduct, academic affairs, etc.) to provide input as needed. All other allegations of misconduct unrelated to incidents covered by the Policy will be addressed through procedures described in the student, faculty, and staff handbooks.

### **2. Notice/Complaint**

Upon receipt of a Formal Complaint or notice of an alleged Policy violation by the Title IX Coordinator, the Title IX Coordinator initiates a prompt initial assessment to determine the next steps the College needs to take. The Title IX Coordinator will contact the Complainant to offer supportive measures and determine whether the Complainant wishes to file a Formal Complaint.

The Title IX Coordinator will then initiate at least one of three responses:

- 1) Offering supportive measures because the Complainant does not want to proceed formally;
- 2) An Informal Resolution (upon submission of a Formal Complaint);
- 3) A Formal Grievance Process including an investigation and a hearing (upon submission of a Formal Complaint).

The College uses a Formal Grievance Process as described below to determine whether the Policy has been violated. If so, the College will promptly implement effective remedies designed to ensure that it is not deliberately indifferent to harassment or discrimination, their potential recurrence, and/or their effects.

---

<sup>7</sup> All references herein to a Title IX Coordinator also include a designee of the Title IX Coordinator.

### **3. Initial Assessment**

Following receipt of notice or a Formal Complaint of an alleged violation of this Policy, the Title IX Coordinator<sup>8</sup> engages in an initial assessment, typically within one to five (1-5) business days. The steps in an initial assessment can include:

- The Title IX Coordinator seeks to determine if the person impacted wishes to make a Formal Complaint, and will assist them to do so, if desired.
  - If they do not wish to do so, the Title IX Coordinator determines whether to initiate a complaint because a violence risk assessment indicates a compelling threat to health and/or safety.
- If a Formal Complaint is received, the Title IX Coordinator assesses its sufficiency and works with the Complainant to make sure it is correctly completed.
- The Title IX Coordinator reaches out to the Complainant to offer supportive measures.
- The Title IX Coordinator works with the Complainant to ensure they are aware of the right to have an Advisor.
- The Title IX Coordinator works with the Complainant to determine whether the Complainant prefers a supportive and remedial response, an Informal Resolution option, or a formal investigation and grievance process.
  - If a supportive and remedial response is preferred, the Title IX Coordinator works with the Complainant to identify their needs, determine appropriate supports, and implements accordingly. No Formal Grievance Process is initiated, though the Complainant can elect to initiate one later, if desired.
  - If an Informal Resolution option is preferred, the Title IX Coordinator assesses whether the complaint is suitable for Informal Resolution, which informal mechanism may serve the situation best or is available, and may seek to determine if the Respondent is also willing to engage in Informal Resolution.
  - If a Formal Grievance Process is preferred by the Complainant, the Title IX Coordinator determines if the misconduct alleged falls within the scope of the 2020 Title IX regulations:
    - If it does, the Title IX Coordinator will initiate the formal investigation and grievance process, directing the investigation to address:
      - an incident, and/or
      - a pattern of alleged misconduct, and/or
      - a culture/climate issue
    - If alleged misconduct does not fall within the scope of the Title IX regulations, the Title IX Coordinator determines that the regulations do not apply (and will “dismiss” that aspect of the complaint, if any), assesses which policies may apply, and will refer the matter accordingly. Please note that dismissing a complaint under the 2020 Title IX regulations is solely a procedural requirement under Title IX, which does not limit the College’s authority to address a complaint with an appropriate process and remedies.

#### **A. Violence Risk Assessment**

In many cases, the Title IX Coordinator may determine that a Violence Risk Assessment (VRA) should be conducted by member of the CARE team if the Respondent is a student or

---

<sup>8</sup> If circumstances require, the President or Title IX Coordinator will designate another person to oversee the Resolution Process should an allegation be made about the Coordinator or the Coordinator be otherwise unavailable, unable to fulfill their duties, or have a conflict of interest.

student employee as part of the initial assessment. A VRA aids in ten critical and/or required determinations, including:

- 1) Emergency removal of a Respondent on the basis of immediate threat to physical health/safety
- 2) Whether the Title IX Coordinator should pursue/sign a formal complaint absent a willing/able Complainant
- 3) Whether the scope of the investigation should include an incident, and/or pattern of misconduct, and/or climate of hostility/harassment
- 4) To help identify potential predatory conduct
- 5) To help assess/identify grooming behaviors
- 6) Whether it is reasonable to try to resolve a complaint through Informal Resolution, and what approach may be most successful
- 7) Whether to permit a voluntary withdrawal by the Respondent
- 8) Whether to impose transcript notation or communicate with a transfer institution about a Respondent
- 9) Assessment of appropriate sanctions/remedies (to be applied post-hearing)
- 10) Whether a Clery Act Timely Warning and/or Trespass order is needed

Threat assessment is the process of evaluating the actionability of violence by an individual against another person or group following the issuance of a direct or conditional threat. A VRA is a broader term used to assess any potential violence or danger, regardless of the presence of a vague, conditional, or direct threat.

A VRA authorized by the Title IX Coordinator should occur in collaboration with the Threat Assessment Team. Where a VRA is required by the Title IX Coordinator, a Respondent refusing to cooperate may result in a charge of failure to comply within the appropriate student or employee conduct process.

## **B. Dismissal (Mandatory and Discretionary)**

The College must dismiss a formal complaint or any allegations therein if, at any time during the investigation or hearing, it is determined that:

- 1) The conduct alleged in the Formal Complaint would not constitute sexual harassment as defined above, even if proved
- 2) The conduct did not occur in an educational program or activity controlled by the College (including buildings or property controlled by recognized student organizations), and/or the College does not have control of the Respondent
- 3) The conduct did not occur against a person in the United States
- 4) At the time of filing a Formal Complaint, a Complainant is not participating in or attempting to participate in the College's education program or activity<sup>9</sup>

The College may dismiss a formal complaint or any allegations therein if, at any time during the investigation or hearing:

- 1) A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein
- 2) The Respondent is no longer enrolled in or employed by the College

---

<sup>9</sup> Such a Complainant is still entitled to supportive measures, but the formal grievance process is not applicable unless the Title IX Coordinator signs the complaint in the event the Complainant cannot/will not do so.

- 3) Specific circumstances prevent the College from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein

A Complainant who decides to withdraw a complaint may later request to reinstate it or refile it.

Upon any dismissal, the College will promptly send written notice of the dismissal and the rationale for doing so simultaneously to the parties.

This dismissal decision is appealable by any party under the procedures for appeal (See Section 37 below).

#### **4. Counterclaims**

The College is obligated to ensure that the grievance process is not abused for retaliatory purposes, thus counterclaims made with retaliatory intent will not be permitted. The College permits the filing of counterclaims but uses an initial assessment, described above, to assess whether the allegations in the counterclaim are made in good faith.

Counterclaims determined to have been reported in good faith will be processed using the Resolution Process below. Investigation of such claims may take place after resolution of the underlying initial complaint, in which case a delay may occur.

Counterclaims may also be resolved through the same investigation as the underlying complaint, at the discretion of the Title IX Coordinator. When counterclaims are not made in good faith, they will be considered retaliatory and may constitute a violation of this Policy.

#### **5. Right to an Advisor**

The parties may each have an Advisor of their choice present with them for all meetings, interviews, and hearings within the Resolution Process, if they so choose. The parties may select whoever they wish to serve as their Advisor as long as the Advisor is eligible and available. An advisor may be an attorney, advocate, or support person, and each party is allowed only one advisor.

Choosing an Advisor who is also a witness in the process creates potential for bias and conflict of interest. A party who chooses an Advisor who is also a witness can anticipate that issues of potential bias will be explored by the hearing Decision-maker(s).

The College may permit parties to have more than one Advisor upon special request to the Title IX Coordinator. The decision to grant this request is at the sole discretion of the Title IX Coordinator and will be granted equitably to all parties.

##### **A. Who Can Serve as an Advisor:**

The Advisor may be a friend, mentor, family member, attorney, or any other individual a party chooses to advise, support, and/or consult with them throughout the resolution process. The parties may choose Advisors from inside or outside of the College community.

The Title IX Coordinator will also offer to assign a trained Advisor to any party if the party so chooses. If the parties choose an Advisor from the pool available from the College, the Advisor will have been trained by the College and be familiar with the College's Resolution Process.

If the parties choose an Advisor from outside the pool of those identified by the College, the Advisor may not have been trained by the College and may not be familiar with College policies and procedures.

Parties also have the right to choose not to have an Advisor in the initial stages of the resolution process, prior to a hearing.

### **B. Advisor's Role in Meetings and Interviews**

The parties may be accompanied by their Advisor in all meetings and interviews at which the party is entitled to be present, including intake and interviews. Advisors should help the parties prepare for each meeting and are expected to advise ethically, with integrity, and in good faith.

The College cannot guarantee equal Advisory rights, meaning that if one party selects an Advisor who is an attorney, but the other party does not or cannot afford an attorney, the College is not obligated to provide an attorney.

### **C. Advisors in Hearings/College-Appointed Advisor**

Under the Title IX Regulations, a form of indirect questioning is required during the hearing but must be conducted by the parties' Advisors. The parties are not permitted to directly question each other or any witnesses. If a party does not have an Advisor for a hearing, the College will appoint a trained Advisor for the limited purpose of conducting any questioning of the parties and witnesses.

A party may reject this appointment and choose their own Advisor, but they may not proceed without an Advisor. If the party's Advisor will not conduct questioning, the College will appoint an Advisor who will do so, regardless of the participation or non-participation of the advised party in the hearing itself.

### **D. Pre-Interview Meetings**

Advisors and their advisees may request to meet with the Investigator(s) conducting interviews/meetings in advance of these interviews or meetings. This pre-meeting allows Advisors to clarify and understand their role and College's policies and procedures.

### **E. Advisor Violations of College Policy**

All Advisors are subject to the same College policies and procedures, whether they are attorneys or not. Advisors are expected to advise their advisees without disrupting proceedings. Advisors may not make a presentation or represent their advisee during any meeting or proceeding and may not speak on behalf of the advisee to the Investigator(s) or other Decision-makers except during a hearing proceeding, during cross-examination.

The parties are expected to ask and respond to questions on their own behalf throughout the investigation phase of the resolution process. Although the Advisor generally may not speak on behalf of their advisee, the Advisor may consult with their advisee, either privately as needed, or by conferring or passing notes during any resolution process meeting or interview. For longer or more involved discussions, the parties and their Advisors should ask for breaks to allow for private consultation.

Any Advisor who oversteps their role as defined by this policy will be warned only once. If the Advisor continues to disrupt or otherwise fails to respect the limits of the Advisor role, the meeting will be ended, or other appropriate measures implemented.

#### **F. Sharing Information with the Advisor**

The College expects that the parties may wish to have the College share documentation and evidence related to the allegations with their Advisors. Parties may share this information directly with their Advisor or other individuals if they wish. Doing so may help the parties participate more meaningfully in the resolution process.

Garden City Community College provides a consent form that authorizes the College to share such information directly with their Advisor. The parties must either complete and submit this form to the Title IX Coordinator or provide similar documentation demonstrating consent to a release of information to the Advisor before the College is able to share records with an Advisor.

#### **G. Privacy of Records Shared with Advisor**

Advisors are expected to maintain the privacy of the records shared with them by the party they are advising.

These records may not be shared with third parties, disclosed publicly, or used for purposes not explicitly authorized by the College.

The College may seek to restrict the role of any Advisor who does not respect the sensitive nature of the process or who fails to abide by the College's privacy expectations.

#### **H. Expectations of an Advisor**

The College generally expects an Advisor to adjust their schedule to allow them to attend College meetings when planned but may change scheduled meetings to accommodate an Advisor's inability to attend, if doing so does not cause an unreasonable delay.

The College may also make reasonable provisions to allow an Advisor who cannot attend in person to attend a meeting by telephone, video conferencing, or other similar technologies as may be convenient and available.

#### **I. Expectations of the Parties with Respect to Advisors**

A party may elect to change Advisors during the process and is not obligated to use the same Advisor throughout. The parties are expected to inform the Investigator(s) of the identity of their Advisor at least two (2) business days before the date of their first meeting

with Investigators (or as soon as possible if a more expeditious meeting is necessary or desired).

The parties are expected to provide timely notice to the Title IX Coordinator if they change Advisors at any time. It is assumed that if a party changes Advisors, consent to share information with the previous Advisor is terminated, and a release for the new Advisor should be secured. Parties are expected to inform the Title IX Coordinator of the identity of their hearing Advisor at least two (2) business days before the hearing.

For representation, Respondents may wish to contact organizations such as:

- Families Advocating for Campus Equality FACE (<http://www.facecampusequality.org>)
- Stop Abusive and Violent Environments SAVE (<http://www.saveservices.org>)

Complainants may wish to contact organizations such as:

- The Victim Rights Law Center (<http://www.victimrights.org>)
- The National Center for Victims of Crime (<http://www.victimsofcrime.org>)
- The Time's Up Legal Defense Fund (<http://nwic.org/times-up-legal-defense-fund/>)

## **6. Resolution Processes**

Resolution proceedings are private. All persons present at any time during the Resolution Process are expected to maintain the privacy of the proceedings in accordance with College Policy. Although there is an expectation of privacy around what Investigators share with parties during interviews, the parties have discretion to share their own knowledge and evidence with others if they so choose, except for information the parties agree not to disclose as part of an Informal Resolution. Garden City Community College encourages parties to discuss any sharing of information with their Advisors before doing so.

The Formal Grievance Process is the College's primary resolution approach unless Informal Resolution is elected by all parties and the College.

### **A. Informal Resolution**

Three options for Informal Resolution are detailed in this section.

- 1) **Supportive Resolution.** When the Title IX Coordinator can resolve the matter informally by providing supportive measures (only) to remedy the situation
- 2) **Alternative Resolution.** When the parties agree to resolve the matter through an alternative resolution mechanism including mediation, restorative practices, facilitated dialogue, etc., as described below, often before a formal investigation takes place (See Section B)
- 3) **Accepted Responsibility.** When the Respondent accepts responsibility for violating policy, and desires to accept the recommended sanction(s) and end the Resolution Process (See Section C)

To initiate Informal Resolution, a Complainant must submit a Formal Complaint, as defined above. A Respondent who wishes to initiate Informal Resolution should contact the Title IX Coordinator. The parties may agree, as a condition of engaging in Informal Resolution, that

statements made, or evidence shared, during the Informal Resolution process will not be considered in the Formal Grievance Process unless all parties consent.

It is not necessary to pursue Informal Resolution first in order to pursue a Formal Grievance Process, and any party participating in Informal Resolution can stop the process at any time and begin or resume the Formal Grievance Process.

Prior to implementing Informal Resolution, the College will provide the parties with written notice of the reported misconduct and any sanctions or measures that may result from participating in such a process, including information regarding any records that will be maintained or shared by the College.

The College shall obtain voluntary, written confirmation that all parties wish to resolve the matter through Informal Resolution process before proceeding and will not pressure the parties to participate in the Informal Resolution process.

## **B. Alternative Resolution Approaches**

Alternative Resolution is an informal approach (including mediation, restorative practices, facilitated dialogue, etc.) by which the parties reach a mutually agreed upon resolution of a complaint. All parties must consent to the use of an Alternative Resolution approach.

The Title IX Coordinator may look to the following factors to assess whether Alternative Resolution is appropriate, or which form of Alternative Resolution may be most successful for the parties:

- The parties' amenability to Alternative Resolution
- Likelihood of potential resolution, considering any power dynamics between the parties
- The nature and severity of the alleged misconduct
- The parties' motivation to participate
- Civility of the parties
- Results of a violence risk assessment/ongoing risk analysis
- Disciplinary history of the Respondent
- Whether an emergency removal is needed
- Skill of the Alternative Resolution facilitator with this type of complaint
- Complaint complexity
- Emotional investment/capability of the parties
- Rationality of the parties
- Goals of the parties
- Adequate resources to invest in Alternative Resolution (time, staff, etc.)

The ultimate determination of whether Alternative Resolution is available or successful is made by the Title IX Coordinator. The Title IX Coordinator is authorized to facilitate a resolution that is acceptable to all the parties and/or to accept a resolution that is proposed by the parties, usually through their Advisors, including terms of confidentiality, release, and non-disparagement.

The Title IX Coordinator maintains records of any resolution that is reached, and failure to abide by the resolution agreement may result in appropriate responsive/disciplinary actions

(e.g., referral for formal resolution, referral to the conduct process for failure to comply). Results of complaints resolved by Alternative Resolution are not appealable.

### **C. Respondent's Acceptance of Responsibility**

The Respondent may accept responsibility for all or part of the alleged policy violations at any point during the Resolution Process. If the Respondent indicates an intent to accept responsibility for all of the alleged misconduct, the formal process will be paused, and the Title IX Coordinator will determine whether Informal Resolution can be used according to the criteria above.

If Informal Resolution is applicable, the Title IX Coordinator will determine whether all parties and the College are able to agree on responsibility, restrictions, and/or remedies. If so, the Title IX Coordinator implements the accepted finding that the Respondent is in violation of College policy and implements agreed-upon restrictions and remedies and determines the appropriate sanction(s) in coordination with other appropriate administrator(s), as necessary.

This result is not subject to appeal once all parties indicate their written assent to all agreed upon resolution terms. When the parties cannot agree on all terms of resolution, the Formal Grievance Process will resume at the same point where it was paused.

When a resolution is accomplished, the appropriate sanction(s) or responsive actions are promptly implemented in order to effectively stop the sexual harassment or retaliation, prevent its recurrence, and remedy the effects of the discriminatory conduct, both on the Complainant and the community.

## **7. Grievance Process Pool**

The Formal Grievance Process relies on a pool of administrators<sup>10</sup> ("the Pool") to carry out the process.

### **A. Pool Member Roles**

Members of the Pool are trained annually, and can serve in the following roles, at the direction of the Title IX Coordinator:

- To provide appropriate intake of and initial guidance pertaining to complaints
- To act as an Advisor to the parties
- To serve in a facilitation role in Informal Resolution or Alternate Resolution if appropriately trained in appropriate resolution modalities (e.g., mediation, restorative practices, facilitated dialogue)
- To perform or assist with initial assessment
- To investigate complaints
- To serve as a hearing facilitator (process administrator, no decision-making role)
- To serve as a Decision-maker regarding the complaint
- To serve as an Appeal Decision-maker

### **B. Pool Membership Appointment:**

---

<sup>10</sup> External, trained-third party neutral professionals may also be used to serve in Pool roles.

The Title IX Coordinator, in consultation with the Deputy Coordinator and Vice President of Student Services, appoints the Pool, which acts with independence and impartiality. Although members of the Pool are typically trained in a variety of skill sets and can rotate amongst the different roles listed above in different cases, the College can also designate permanent roles for individuals in the Pool, using others as substitutes or to provide greater depth of experience when necessary.

### **C. Pool Member Training:**

Pool members receive annual training. This training includes, but is not limited to:

- The scope of the College's Non-Discrimination/Anti-Harassment Policy
- How to conduct investigations and hearings that protect the safety of Complainants and Respondents, and promote accountability
- Implicit bias
- Disparate treatment
- Reporting, confidentiality, and privacy requirements
- Applicable laws, regulations, and federal regulatory guidance
- How to implement appropriate and situation-specific remedies
- How to investigate in a thorough, reliable, timely, and impartial manner
- How to conduct a sexual harassment investigation
- Trauma-informed practices pertaining to investigations and resolution processes
- How to uphold fairness, equity, and due process
- How to weigh evidence
- How to conduct questioning
- How to assess credibility
- Impartiality and objectivity
- How to render findings and generate clear, concise, evidence-based rationales
- The definitions of all offenses
- How to apply definitions used by the College with respect to consent (or the absence or negation of consent) consistently, impartially, and in accordance with policy
- How to conduct an investigation and grievance process including hearings, appeals, and Informal Resolution Processes
- How to serve impartially by avoiding prejudgment of the facts at issue, conflicts of interest, and bias against Respondents and/or for Complainants, and on the basis of sex, race, religion, and other protected characteristics
- Any technology to be used at a live hearing
- Issues of relevance of questions and evidence
- Issues of relevance to create an investigation report that fairly summarizes relevant evidence
- How to determine appropriate sanctions in reference to all forms of harassment, discrimination, and/or retaliation allegations
- Recordkeeping

All materials used to train all members are publicly posted here: [Title IX Training](#).

## **8. Formal Grievance Process: Notice of Investigation and Allegations**

The Title IX Coordinator will provide written notice of the investigation and allegations (the “NOIA”) to the Respondent upon commencement of the Formal Grievance Process. This facilitates the Respondent’s ability to prepare for the interview and to identify and choose an Advisor to accompany them. The NOIA is also copied to the Complainant, who is to be given advance notice of when the NOIA will be delivered to the Respondent.

The NOIA will include:

- A meaningful summary of all allegations
- The identity of the involved parties (if known)
- The precise misconduct being alleged
- The date and location of the alleged incident(s) (if known),
- The specific policies implicated
- A description of the applicable procedures
- A statement of the potential sanctions/responsive actions that could result
- A statement that the College presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a different determination
- A statement that determinations of responsibility are made at the conclusion of the process and that the parties will be given an opportunity during the review and comment period to inspect and review all directly related and/or relevant evidence obtained
- A statement about the College’s policy on retaliation
- Information about the confidentiality of the process
- Information on the need for each party to have an Advisor of their choosing and suggestions for ways to identify an Advisor
- A statement informing the parties that the College’s policy prohibits knowingly making false statements, including knowingly submitting false information during the Resolution Process
- Detail on how the party may request disability accommodations during the Resolution Process
- The name(s) of the Investigator(s), along with a process to identify to the Title IX Coordinator, in advance of the interview process, any conflict of interest that the Investigator(s) may have
- An instruction to preserve any evidence that is directly related to the allegations

Amendments and updates to the NOIA may be made as the investigation progresses and more information becomes available regarding the addition or dismissal of various allegations. Notice will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address(es) of the parties as indicated in official College records, or emailed to the parties’ College issued email or designated accounts. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

## **9. Resolution Timeline**

The College will make a good faith effort to complete the resolution process within a sixty-to-ninety (60-90) business daytime period, including appeal, which can be extended as necessary for appropriate cause by the Title IX Coordinator, who will provide notice and rationale for any extensions or delays to the parties as appropriate, as well as an estimate of how much additional time will be needed to complete the process.

## **10. Appointment of Investigators**

Once the decision to commence a formal investigation is made, the Title IX Coordinator appoints an investigator(s) to conduct the investigation usually within two (2) business days of determining that an investigation should proceed.

## **11. Ensuring Impartiality**

Any individual materially involved in the administration of the resolution process including the Title IX Coordinator, Investigator, and Decision-maker(s) may neither have nor demonstrate a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent.

The Title IX Coordinator will vet the assigned Investigator(s) for impartiality by ensuring there are no actual or apparent conflicts of interest or disqualifying biases. At any time during the Resolution Process, the parties may raise a concern regarding bias or conflict of interest, and the Title IX Coordinator will determine whether the concern is reasonable and supportable. If so, another Pool member will be assigned and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Title IX Coordinator, concerns should be raised with President of the College.

The Formal Grievance Process involves an objective evaluation of all relevant evidence obtained, including evidence which supports that the Respondent engaged in a policy violation and evidence which supports that the Respondent did not engage in a policy violation. Credibility determinations may not be based solely on an individual's status or participation as a Complainant, Respondent, or witness.

The College operates with the presumption that the Respondent is not responsible for the reported misconduct unless and until the Respondent is determined to be responsible for a policy violation by the applicable standard of proof.

## **12. Investigation Timeline**

Investigations are completed expeditiously, normally within sixty (60) business days, though some investigations may take weeks or even months, depending on the nature, extent, and complexity of the allegations, availability of witnesses, law enforcement involvement, etc.

The College will make a good faith effort to complete investigations as promptly as circumstances permit and will communicate regularly with the parties to update them on the progress and timing of the investigation.

## **13. Investigation Process Delays and Interactions with Law Enforcement**

The College may undertake a short delay in its investigation (several days to a few weeks) if circumstances require. Such circumstances include, but are not limited to: a request from law enforcement to temporarily delay the investigation, the need for language assistance, the absence of parties and/or witnesses, and/or accommodations for disabilities or health conditions.

The College may undertake a short delay in its investigation (several days to a few weeks) if circumstances require. Such circumstances include but are not limited to: a request from law enforcement to temporarily delay the investigation, the need for language assistance, the absence of parties and/or witnesses, and/or health conditions.

The College will communicate the anticipated duration of the delay and reason to the parties in writing and provide the parties with status updates if necessary. The College will promptly resume its investigation and Resolution Process as soon as feasible. During such a delay, the College will implement supportive measures as deemed appropriate.

The College's action(s) or processes are not typically altered or precluded on the grounds that civil or criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

#### **14. Investigation Process Steps**

All investigations are thorough, reliable, impartial, prompt, and fair. Investigations involve interviews with all available relevant parties and witnesses; obtaining available, relevant evidence; and identifying sources of expert information, as necessary.

All parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence and expert witnesses, and to fully review and respond to all evidence on the record.

No unauthorized audio or video recording of any kind is permitted during investigation interviews. If Investigator(s) elect to audio and/or video record interviews, all involved parties must be made aware of the audio and/or video recording. The parties will have the ability to review the summary or transcription of the interview once the investigation report is compiled.

The Investigator(s) typically take(s) the following steps, if not already completed (not necessarily in this order):

- Determine the identity and contact information of the Complainant
- Identify all policies implicated by the alleged misconduct and notify the Complainant and Respondent of all of the specific policies implicated
- Assist the Title IX Coordinator, if needed, with conducting a prompt initial assessment to determine if the allegations indicate a potential policy violation
- Commence a thorough, reliable, and impartial investigation by identifying issues and developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for the parties and witnesses
- Meet with the Complainant to finalize their interview/statement, if necessary
- Work with the Title IX Coordinator, as necessary, to prepare the initial Notice of Investigation and Allegations (NOIA). The NOIA may be amended with any additional or dismissed allegations
  - Notice should inform the parties of their right to have the assistance of an Advisor, who could be a member of the Pool or an Advisor of their choosing present for all meetings attended by the party
- Provide each interviewed party and witness an opportunity to review and verify the Investigator's summary notes (or transcript) of the relevant evidence/testimony from their respective interviews and meetings
- Make good faith efforts to notify each party of any meeting or interview involving another party, in advance when possible
- When participation of a party is expected, provide that party with written notice of the date, time, and location of the meeting, as well as the expected participants and purpose
- Interview all available, relevant witnesses and conduct follow-up interviews as necessary

- Allow each party the opportunity to suggest witnesses and questions they wish the Investigator(s) to ask of another party and/or witnesses, and document in the report which questions were asked, with a rationale for any changes or omissions
- Complete the investigation promptly and without unreasonable deviation from the intended timeline
- Provide regular status updates to the parties throughout the investigation
- Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) with a list of witnesses whose information will be used to render a finding
- Write a comprehensive investigation report fully summarizing the investigation, all witness interviews, and addressing all relevant evidence. Appendices including relevant physical or documentary evidence will be included
- Gather, assess, and synthesize evidence, but make no conclusions, engage in no policy analysis, and render no recommendations as part of their report
- Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) a secured electronic or hard copy of the draft investigation report as well as an opportunity to inspect and review all of the evidence obtained as part of the investigation that is directly related to the reported misconduct, including evidence upon which the College does not intend to rely in reaching a determination, for a ten (10) business-day review and comment period so that each party may meaningfully respond to the evidence. The parties may elect to waive the full ten (10) days.
- Elect to respond in writing in the investigation report to the parties' submitted responses and/or to share the responses between the parties for additional responses
- Incorporate relevant elements of the parties' written responses into the final investigation report, include any additional relevant evidence, make any necessary revisions, and finalize the report. The Investigator(s) should document all rationales for any changes made after the review and comment period.
- Share the report with the Title IX Coordinator for their review and feedback.
- Incorporate any relevant feedback and share the final report with all parties and their Advisors through secure electronic transmission or hard copy at least ten (10) business days prior to a hearing. The parties and Advisors are also provided with a file of any directly related evidence that was not included in the report.

## **15. Witness Role and Participation in the Investigation**

Witnesses (as distinguished from the parties) who are employees of the College are strongly encouraged to cooperate with and participate in the College's investigation and Resolution Process. Student witnesses and witnesses from outside the College community are encouraged to cooperate with College investigations and to share what they know about a complaint. Although in-person interviews for parties and all potential witnesses are ideal, circumstances may require individuals to be interviewed remotely. Zoom, FaceTime, WebEx, or similar technologies may be used for interviews if the Investigator(s) determine that timeliness or efficiency dictate a need for remote interviewing. The College will take appropriate steps to reasonably ensure the security/privacy of remote interviews.

Witnesses may also provide written statements in lieu of interviews or choose to respond to written questions, if deemed appropriate by the Investigator(s), though not preferred.

## **16. Interview Recording**

All interviews are audio and/or video recorded. All involved parties will be made aware of the audio and/or video recording. No unauthorized audio or video recording of any kind is permitted during investigation meetings.

### **17. Evidentiary Considerations in the Investigation**

Neither the investigation nor the hearing will consider: (1) incidents not relevant or not directly related to the possible violation(s), unless they evidence a pattern; or (2) questions and evidence about the Complainant's sexual predisposition; or (3) questions and evidence about the Complainant's prior sexual behavior, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

Within the boundaries stated above, the investigation and the hearing can consider character evidence generally, if offered, but that evidence is unlikely to be relevant unless it is fact evidence or relates to a pattern of conduct.

### **18. Referral for Hearing**

Provided that the complaint is not resolved through Informal Resolution, once the final investigation report is shared with the parties, the Title IX Coordinator will refer the matter for a hearing.

The hearing cannot be less than ten (10) business days from the conclusion of the Investigation –when the final investigation report is transmitted to the parties and the Decision-maker(s)– unless all parties and the Decision-maker(s) agree to an expedited timeline.

The Title IX Coordinator will select appropriate Decision-makers from the Pool depending on whether the Respondent is an employee or a student. Allegations involving student-employees will be directed to the appropriate Decision-makers depending on the context of the alleged misconduct.

### **19. Hearing Decision-maker Composition**

The College will utilize the Disciplinary Review Committee, which is made up of three faculty members and three Student Services staff members and Chaired by the Criminal Justice Instructor, to serve as the Decision-maker for all complaints processed under these procedures. Hearing Decision-maker composition may change, at the discretion of the Title IX Coordinator.

The Decision-makers will not have had any previous involvement with the investigation. The Title IX Coordinator may elect to have an alternate from the Pool sit in throughout the resolution process in the event that a substitute is needed for any reason.

The Decision-makers will not have had any previous involvement with the complaint. The Title IX Coordinator may elect to have an alternate from the Pool sit in throughout the hearing process in the event that a substitute is needed for any reason.

Those who have served as Investigators will be witnesses in the hearing and therefore may not serve as Decision-makers. Those who are serving as Advisors for any party may not serve as Decision-makers in that matter.

The Title IX Coordinator may not serve as a Decision-maker or Chair in the matter but may serve as an administrative facilitator of the hearing if their previous role(s) in the matter do not create a conflict of interest. Otherwise, a designee may fulfill this role. The hearing will convene at a time determined by the Chair or designee.

## **20. Additional Evidentiary Considerations in the Hearing**

Previous disciplinary action of any kind involving the Respondent may not be used unless there is an allegation of a pattern of misconduct. Such information may also be considered in determining an appropriate sanction upon a determination of responsibility, assuming the College uses a progressive discipline system. This information is only considered at the sanction stage of the process and is not shared until then.

The parties may each submit a written impact statement prior to the hearing for the consideration of the Decision-makers at the sanction stage of the process when a determination of responsibility is reached.

After post-hearing deliberation, the Decision-makers render a determination based on the preponderance of the evidence; whether it is more likely than not that the Respondent violated the Policy as alleged.

## **21. Hearing Notice**

No less than ten (10) business days prior to the hearing, the Title IX Coordinator will send notice of the hearing to the parties. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

The notice will contain:

- A description of the alleged violation(s), a list of all policies allegedly violated, a description of the applicable procedures, and a statement of the potential sanctions/responsive actions that could result.
- The time, date, and location of the hearing
- Description of any technology that will be used to facilitate the hearing.
- Information about the option for the live hearing to occur with the parties located in separate rooms using technology that enables the Decision-makers and parties to see and hear a party or witness answering questions. Such a request must be raised with the Title IX Coordinator as soon as possible, preferably at least five (5) business days prior to the hearing.
- A list of all those who will attend the hearing, along with an invitation to object to any Decision-maker(s) based on demonstrated bias or conflict of interest. This must be raised with the Title IX Coordinator at least two (2) business days prior to the hearing.
- Information on how the hearing will be recorded and how the parties can access the recording after the hearing.
- A statement that if any party or witness does not appear at the scheduled hearing, the hearing may be held in their absence. For compelling reasons, the Chair may reschedule the hearing.

- Notification that the parties may have the assistance of an Advisor of their choosing at the hearing and will be required to have one present for any questions they may desire to ask. The party must notify the Title IX Coordinator if they wish to conduct cross-examination and do not have an Advisor, and the College will appoint one. Each party must have an Advisor present if they intend to cross-examine others. There are no exceptions.
- A copy of all the materials provided to the Decision-makers about the complaint unless they have already been provided.
- An invitation to each party to submit to the Chair an impact statement pre-hearing that the Decision-makers will review during any sanction determination.
- An invitation to contact the Title IX Coordinator to arrange any disability accommodations, language assistance, and/or interpretation services that may be needed at the hearing, at least seven (7) business days prior to the hearing.
- Whether parties can/cannot bring mobile phones/devices into the hearing.

Hearings for possible violations that occur near or after the end of an academic term (assuming the Respondent is still subject to this policy) and are unable to be resolved prior to the end of term will typically be held immediately after the end of the term or during the summer, as needed, to meet the resolution timeline followed by the College and remain within the 60-90 business day goal for resolution. Employees who do not have 12-month contracts are still expected to participate in Resolution Proceedings that occur during months between contracts.

## **22. Alternative Hearing Preparation Options**

If a party or parties prefer not to attend or cannot attend the hearing in person, the party should request alternative arrangements from the Title IX Coordinator at least five (5) business days prior to the hearing.

The Title IX Coordinator or the Chair can arrange to use technology to allow remote testimony without compromising the fairness of the hearing. Remote options may also be needed for witnesses who cannot appear in person. Any witness who cannot attend in person must inform the Title IX Coordinator or the Chair at least five (5) business days prior to the hearing so appropriate arrangements can be made.

## **23. Pre-Hearing Preparation**

The Chair, after any necessary consultation with the parties, Investigator(s) and/or Title IX Coordinator, will provide the names of persons who will be participating in the hearing, all pertinent documentary evidence, and the final investigation report to the parties at least ten (10) business days prior to the hearing.

Any witness scheduled to participate in the hearing must have been first interviewed by the Investigator or have proffered a written statement or answered written questions, unless all parties and the Chair assent to the witness's participation in the hearing. The same holds for any evidence that is first offered at the hearing. If the parties and Chair do not assent to the admission of evidence newly offered at the hearing, the Chair will delay the hearing and instruct that the investigation needs to be re-opened to consider that evidence.

The parties will be given a list of the names of the Decision-makers at least five (5) business days in advance of the hearing. All objections to any Decision-maker must be raised in writing, detailing the rationale for the objection, and must be submitted to the Title IX Coordinator as soon as possible and no later than two (2) business days prior to the hearing. Decision-makers

will only be removed if the Title IX Coordinator concludes that their actual or perceived bias or conflict of interest precludes an impartial hearing of the complaint.

The Title IX Coordinator will give the Decision-makers a list of the names of all parties, witnesses, and Advisors at least five (5) business days in advance of the hearing. Any Decision-maker who cannot make an objective determination must recuse themselves from the proceedings when notified of the identity of the parties, witnesses, and Advisors in advance of the hearing. If a Decision-maker is unsure of whether a bias or conflict of interest exists, they must raise the concern to the Title IX Coordinator as soon as possible.

During the ten (10) business day period prior to the hearing, the parties have the opportunity for continued review and comment on the final investigation report and available evidence. That review and comment can be shared with the Chair at the pre-hearing meeting or at the hearing and will be exchanged between each party by the Chair.

## **24. Pre-Hearing Meetings**

The Chair may convene a pre-hearing meeting(s) with the parties and/or their Advisors to invite them to submit the questions or topics they (the parties and/or their Advisors) wish to ask or discuss at the hearing, so that the Chair can rule on their relevance ahead of time to avoid any improper evidentiary introduction in the hearing or provide recommendations for more appropriate phrasing.

However, this advance review opportunity does not preclude the Advisors from asking at the hearing for a reconsideration based on any new information or testimony offered at the hearing. The Chair must document and share their rationale for any exclusion or inclusion at this pre-hearing meeting.

The Chair, **only** with full agreement of the parties, may decide in advance of the hearing that certain witnesses do not need to be present if their testimony can be adequately summarized by the Investigator(s) in the investigation report or during the hearing.

At each pre-hearing meeting with a party and their Advisor, the Chair will consider arguments that evidence identified in the final investigation report as relevant is, in fact, not relevant. Similarly, evidence identified as directly related but not relevant by the Investigator(s) may be argued to be relevant. The Chair may rule on these arguments pre-hearing and will exchange those rulings between the parties prior to the hearing to assist in preparation for the hearing. The Chair may consult with legal counsel and/or the Title IX Coordinator, or ask either or both to attend pre-hearing meetings.

The pre-hearing meeting(s) will not be recorded. The pre-hearing meetings may be conducted as separate meetings with each party/Advisor, with all parties/Advisors present at the same time, remotely, or as a written-only exchange. The Chair will work with the parties to establish the format.

## **25. Hearing Procedures**

At the hearing, the Decision-makers have the authority to hear and make determinations on all allegations of discrimination, harassment, and/or retaliation and may also hear and make determinations on any additional alleged policy violations that have occurred in concert with the discrimination, harassment, and/or retaliation, even though those collateral allegations may not specifically fall within the Non-Discrimination/Anti-Harassment Policy.

Participants at the hearing will include the Chair, hearing committee members, the Investigator(s) who conducted the investigation, the parties, Advisors to the parties, any called witnesses, the Title IX Coordinator, and anyone providing authorized accommodations and/or assistive services.

The Chair will answer all questions of procedure.

Anyone appearing at the hearing to provide information will respond to questions on their own behalf.

The Chair will allow witnesses who have relevant information to appear at a portion of the hearing in order to respond to specific questions from the Decision-makers and the parties and will then be excused.

## **26. Joint Hearings**

In hearings involving more than one Respondent and/or involving more than one Complainant who has accused the same individual of substantially similar conduct, the default procedure will be to hear the allegations jointly.

However, the Title IX Coordinator may permit the investigation and/or hearings pertinent to each Respondent to be conducted separately if there is a compelling reason to do so. In joint hearings, separate determinations of responsibility will be made for each Respondent with respect to each alleged policy violation.

## **27. The Order of the Hearing – Introductions and Explanation of Procedure**

The Chair explains the procedures and introduces the participants. This may include a final opportunity for challenge or recusal of the Decision-maker(s) based on bias or conflict of interest. The Chair will rule on any such challenge unless the Chair is the individual who is the subject of the challenge, in which case the Title IX Coordinator will review the challenge and decide.

The Chair then conducts the hearing according to the hearing script. At the hearing, recording, witness logistics, party logistics, curation of documents, separation of the parties, and other administrative elements of the hearing process are managed by a non-voting hearing facilitator/case manager appointed by the Title IX Coordinator.

The Title IX Coordinator may attend to: logistics of rooms for various parties/witnesses as they wait; flow of parties/witnesses in and out of the hearing space; ensuring recording and/or virtual conferencing technology is working as intended; copying and distributing materials to participants, as appropriate, etc.

## **28. Investigator Presentation of Final Investigation Report**

The Investigator will present a summary of the final investigation report, including items that are contested and those that are not, and will be subject to questioning by the Decision-makers and the parties (through their Advisors).

Neither the parties nor the Decision-makers should ask the Investigator(s) their opinions on credibility, recommended findings, or determinations, and Advisors and parties will refrain from discussion of or questions for Investigators about these assessments. If such information is introduced, the Chair will direct that it be disregarded.

## **29. Testimony and Questioning**

Once the Investigator(s) present(s) the report and respond(s) to questions, the parties and witnesses may provide relevant information in turn, beginning with the Complainant, and then in the order determined by the Chair. The hearing will facilitate questioning of parties and witnesses by the Decision-makers and then by the parties through their Advisors.

All questions are subject to a relevance determination by the Chair. The Advisor, who will remain seated during questioning, will pose the proposed question orally, electronically, or in writing (orally is the default, but other means of submission may be permitted by the Chair upon request if agreed to by all parties and the Chair), the proceeding will pause to allow the Chair to consider the question (and state it if it has not already been stated aloud), and the Chair will determine whether the question will be permitted, disallowed, or rephrased.

The Chair may invite explanations or persuasive statements regarding relevance with the Advisors if the Chair so chooses. The Chair will then state their decision on the question for the record and advise the party/witness to whom the question was directed, accordingly. The Chair will explain any decision to exclude a question as not relevant, or to reframe it for relevance.

The Chair will limit or disallow questions on the basis that they are irrelevant, unduly repetitious (and thus irrelevant), or abusive. The Chair has final say on all questions and determinations of relevance. The Chair may consult with legal counsel on any questions of admissibility. The Chair may ask Advisors to frame why a question is or is not relevant from their perspective but will not entertain argument from the Advisors on relevance once the Chair has ruled on a question.

If the parties raise an issue of bias or conflict of interest of an Investigator or Decision-maker at the hearing, the Chair may elect to address those issues, consult with legal counsel, and/or refer them to the Title IX Coordinator, and/or preserve them for appeal. If bias is not in issue at the hearing, the Chair should not permit irrelevant questions that probe for bias.

## **30. Refusal to Submit to Questioning; Inferences**

Any party or witness may choose not to offer evidence and/or answer questions at the hearing, either because they do not attend the hearing, or because they attend but refuse to participate in some or all questioning. The Decision-makers can only rely on whatever relevant evidence is available through the investigation and hearing in making the ultimate determination of responsibility. The Decision-maker(s) may not draw any inference solely from a party's or witness's absence from the hearing or refusal to submit to cross-examination or answer other questions.

An Advisor may not be called as a witness at a hearing to testify to what their advisee has told them during their role as an Advisor unless the party being advised consents to that information being shared. It is otherwise considered off-limits, and an Advisor who is an institutional employee is temporarily relieved from mandated reporter responsibilities related to their interaction with their advisee during the Resolution Process.

### **31. Hearing Recordings**

Hearings (but not deliberations) are recorded by the College for purposes of review in the event of an appeal. The parties may not record the proceedings and no other unauthorized recordings are permitted.

The Decision-makers, the parties, their Advisors, and appropriate administrators of the College will be permitted to listen to the recording in a controlled environment determined by the Title IX Coordinator. No person will be given or be allowed to make a copy of the recording without permission of the Title IX Coordinator.

### **32. Deliberation, Decision-making, and Standard of Proof**

The Decision-makers will deliberate in closed session to determine whether the Respondent is responsible or not responsible for the policy violation(s) in question. If a panel is used, a simple majority vote is required to determine the finding. The preponderance of the evidence standard of proof is used.

When there is a finding of responsibility on one or more of the allegations, the Decision-makers may then consider the previously submitted party impact and/or mitigation statement(s) in determining appropriate sanction(s). The Chair will ensure that each of the parties has an opportunity to review any submitted impact and/or mitigation statement(s) once they are submitted.

The Decision-makers will review the statements and any pertinent conduct history provided by appropriate administrator(s) and will determine the appropriate sanction(s) in consultation with other appropriate administrators, as required.

The Chair will then prepare a written statement detailing all findings and final determinations, the rationale(s) explaining the decision(s), the evidence used in support of the determination(s), the evidence not relied upon in the determination(s), any credibility assessments, and any sanction(s) and rationales explaining the sanction(s) and will deliver the statement to the Title IX Coordinator.

This report must be submitted to the Title IX Coordinator within two (2) business days of the end of the deliberations, unless the Title IX Coordinator grants an extension. If an extension is necessary, the Title IX Coordinator will notify the parties.

### **33. Notice of Outcome**

Using the deliberation statement, the Title IX Coordinator will work with the Chair to prepare a Notice of Outcome letter. The Title IX Coordinator will then share the letter, including the final determination, rationale, and any applicable sanction(s) with the parties and their Advisors within five (5) business days of receiving the Decision-makers' deliberation statement.

The Notice of Outcome will then be shared with the parties simultaneously. Notification will be made in writing and may be delivered by one or more of the following methods: emailed to the parties' College -issued email or otherwise approved account. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

The Notice of Outcome will identify the specific policy(ies) reported to have been violated, including the relevant policy section, and will contain a description of the procedural steps taken

by the College from the receipt of the misconduct report to the determination, including any and all notifications to the parties, interviews with parties and witnesses, site visits, methods used to obtain evidence, and hearings held.

The Notice of Outcome will articulate the specific alleged policy violation(s), including the relevant policy section(s), and will contain a description of the procedural steps taken by the College from the receipt of the misconduct report to the determination, including any and all notifications to the parties, interviews with parties and witnesses, site visits, methods used to obtain evidence, and hearings held.

The Notice of Outcome will specify the finding for each alleged policy violation; the findings of fact that support the determination; conclusions regarding the application of the relevant policy to the facts at issue; a statement of, and rationale for, the result of each allegation to the extent the College is permitted to share such information under state or federal law; any sanction(s) issued which the College is permitted to share according to state or federal law; and whether remedies will be provided to the Complainant to ensure access to the College's educational or employment program or activity.

The Notice of Outcome will also include information on when the results are considered final by the College, will note any changes to the outcome and/or sanction(s) that occur prior to finalization, and the relevant procedures and bases for appeal.

#### **34. Rights of the Parties (See [Appendix A](#))**

#### **35. Sanctions**

Factors considered when determining a sanction/responsive action may include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation(s)
- The Respondent's disciplinary history
- The need for sanctions/responsive actions to bring an end to the discrimination, harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of discrimination, harassment, and/or retaliation
- The need to remedy the effects of the discrimination, harassment, and/or retaliation on the Complainant and the community
- The impact on the parties
- Any other information deemed relevant by the Decision-makers

The sanctions will be implemented as soon as is feasible, either upon the outcome of any appeal or the expiration of the window to appeal without an appeal being requested.

The sanctions described in this policy may be in addition to, other actions or sanctions imposed by external authorities.

If it is later determined that a party or witness intentionally provided false or misleading information, that action could be grounds for re-opening a grievance process at any time, and/or referring that information to another process for resolution.

## A. Student Sanctions

The following are the usual sanctions that may be imposed upon students or organizations singly or in combination:

- **Disciplinary Warning** – This written warning is provided to acknowledge that the Respondent's behavior violated College policy and does not align with Garden City Community College's expectations for community members. Another breach of College policy and/or if the Respondent is found responsible for any future violations of College and/or HRL policy, offenses, it may result in severe disciplinary action.
- **Disciplinary Probation** – The student is deemed not in good conduct standing with the College. The duration of any probationary period will be determined by the resolution body on a case-by-case basis. Any further violations of College policy while on probation may result in more serious sanctions being imposed, which may include suspension or expulsion from the College. Restrictions that may be placed on the student during the probationary period include, but are not limited to: participation in student activities, representation of the College on athletic teams or in other leadership positions, eligibility to receive any College award or honorary recognition, entrance into College residence halls or other areas of campus, participation in a study abroad program, or College computer and network usage.
- **Suspension** – The student is required to leave the College for a designated time. During the suspension period, a student may not attend classes (either in person or online) nor participate in a student group or student organization activities, whether they occur on or off-campus. A currently enrolled student is withdrawn from their classes and is not eligible for a refund. A registration and records hold will be placed on the student's account until the conclusion of the suspension period. If the student is an on-campus resident, the student's contract with Housing & Residence Life will also be terminated and the student will be responsible for paying any remaining fees for the duration of the original contract period. The student must complete all assigned educational sanctions before the conclusion of the suspension period. The suspension will remain in effect until they are completed. Any further violations of College policy while on suspension could result in more serious sanctions being imposed.
- **Dismissal** – Dismissal removes a student from their academic program and separates the student from the College for a period of two to seven years. During the dismissal, the student is not allowed on College premises unless authorized in writing in advance under conditions approved by the Vice President or their designee. A currently enrolled student is withdrawn from their classes and may not be eligible for a refund.
- **Loss of College Privileges** – The student is restricted from accessing specific College privileges including, but not limited to: parking on campus, participation in student activities, holding a student leadership position, attending athletic events or participating in athletics, and College computer and network access.
- **Residence Hall Transfer or Removal** – The student will be placed in another room or residence hall or restricted from living on campus for a specified or indefinite period. If a student is restricted from living on campus, the student's Housing and Residence Life contract will be terminated and the student will be responsible for paying any remaining fees for the duration of the original contract period.
- **No Contact Order** – The student is prohibited from intentional direct or indirect contact with another person or group or their property via any means, including, but not limited to: personal contact, electronic communication (e.g. text messages, social media, etc.), telephone, or through third parties.

- **Campus and/or Building Ban** – The student is prohibited from being on any campus property and/or entering specific College facilities. Any student alleged to have violated a campus and/or building ban may be subject to additional disciplinary action.
- **No Trespass Order** – The student is prohibited from being on any campus property and/or entering specific College facilities. Any student alleged to have violated a campus and/or building ban may be subject to arrest.

## **B. Employee Sanctions**

Responsive actions for an employee who has engaged in harassment, discrimination, and/or retaliation include:

- **Corrective Action** - Official written notification of unacceptable behavior and violation(s) of College policy. The written documentation becomes part of the employee's personnel file.
- **Suspension** - An employee may be suspended without pay. The length of suspension will be dependent upon the severity of the violation and will range in length from three (3) to thirty (30) College business days.
- **Separation** - An action ending the employment relationship.
- **Job Reassignment** - An employee may be moved temporarily or permanently to a different position or to a different work location. This position may or may not be an equivalent level to their current position.
- **Loss of College Privileges** - An employee may be restricted from accessing specific College privileges including, but not limited to: College computer and network access, sabbatical, or eligibility for awards, participation in groups or associations, athletic events, and utilization of recreation or fitness facilities.
- **No Contact Order** - The employee is prohibited from intentional direct or indirect contact with another person or group or their property via any means, including, but not limited to: personal contact, electronic communication (e.g. text messages, social media, etc.), telephone, or through third parties.
- **No Trespass Order** - The employee is prohibited from being on any campus property and/or entering specific College facilities.
- **Other Actions** - In addition to or in place of the above sanctions, the College may assign any other sanctions deemed appropriate.

## **36. Withdrawal or Resignation Before Complaint Resolution**

### **A. Students**

Should a Respondent decide not to participate in the Resolution Process, the process proceeds absent their participation to a reasonable resolution. Should a student Respondent permanently withdraw from the College, the Resolution Process typically ends with a dismissal, as the College has lost primary disciplinary jurisdiction over the withdrawn student. However, the College may continue the Resolution Process when, at the discretion of the Title IX Coordinator, doing so may be necessary to address safety and/or remedy any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

Regardless of whether the complaint is dismissed or pursued to completion of the Resolution Process, the College will continue to address and remedy any systemic

issues or concerns that may have contributed to the alleged violation(s), and any ongoing effects of the alleged harassment, discrimination, and/or retaliation. [The student who withdraws or leaves while the process is pending may not return to the College in any capacity. Admissions and Human Resources will be notified, accordingly. Such exclusion applies to all College locations.

If the student Respondent only withdraws or takes a leave for a specified period of time (e.g., one semester or term), the Resolution Process may continue remotely and, if found in violation, that student is not permitted to return to College unless and until all sanctions, if any, have been satisfied.

## **B. Employees**

Should an employee Respondent resign with unresolved allegations pending, the Resolution Process typically ends with dismissal, as the College has lost primary disciplinary jurisdiction over the resigned employee. However, the College may continue the Resolution Process when, at the discretion of the Title IX Coordinator, doing may be necessary to address safety and/or remedy any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

Regardless of whether the matter is dismissed or pursued to completion of the Resolution Process, the College will continue to address and remedy any systemic issues or concerns that contributed to the alleged violation(s), and any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

The employee who resigns with unresolved allegations pending is not eligible for academic admission or rehire with the College or any College location, and the records retained by the Title IX Coordinator will reflect that status.

All College responses to future inquiries regarding employment references for that individual will include that the former employee resigned during a pending disciplinary matter.

## **37. Submitting a Request for Appeal**

Any party may file a request for appeal ("Request for Appeal"), but it must be submitted in writing to the Title IX Coordinator within five (5) business days of the delivery of the Notice of Outcome.

A single Appeal Chair will be designated by the Title IX Coordinator to review the appeal. No Appeal Decision-maker will have been previously involved in the Resolution Process for the complaint, including in any dismissal appeal that may have been heard earlier in the process.

The Request for Appeal will be forwarded to the Appeal Chair or designee for consideration to determine if the request meets the grounds for appeal (a Review for Standing). This review is not a review of the merits of the appeal, but solely a determination as to whether the request meets the grounds and is timely filed.

### **A. Grounds for Appeal**

Appeals are limited to the following grounds:

- 1) A procedural irregularity affected the outcome of the matter
- 2) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter
- 3) The Title IX Coordinator, Investigator(s), or Decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that affected the outcome of the matter

If any of the grounds in the Request for Appeal do not meet the grounds in this policy, that request will be denied by the Appeal Chair and the parties and their Advisors will be notified in writing of the denial and the rationale.

If any of the grounds in the Request for Appeal meet the grounds in this Policy, then the Appeal Chair will notify the other party(ies) and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigators and/or the original Decision-maker(s). The other party(ies) and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigators and/or the original Decision-maker(s) will be mailed, emailed, and/or provided a hard copy of the request with the approved grounds and then be given five (5) business days to submit a response to the portion of the appeal that was approved and involves them. All responses, if any, will be forwarded by the Chair to all parties for review and comment.

The non-appealing party (if any) may also choose to appeal at this time. If so, that will be reviewed to determine if it meets the grounds in this policy by the Appeal Chair and either denied or approved. If approved, it will be forwarded to the party who initially requested an appeal, the Title IX Coordinator, and the Investigator(s) and/or original Decision-maker(s), as necessary, who will submit their responses, if any, within five (5) business days. Any such responses will be circulated for review and comment by all parties. If not approved, the parties will be notified accordingly, in writing.

Neither party may submit any new requests for appeal after this time period. The Appeal Chair will collect any additional information needed and all documentation regarding the approved grounds and the subsequent responses and the Chair will render a decision in no more than five (5) business days, barring exigent circumstances. All decisions apply the preponderance of the evidence standard.

A Notice of Appeal Outcome will be sent to all parties simultaneously including the decision on each approved ground and rationale for each decision. The Notice of Appeal Outcome will specify the finding on each ground for appeal, any specific instructions for remand or reconsideration, any sanctions that may result which the College is permitted to share according to state or federal law, and the rationale supporting the essential findings to the extent the College is permitted to share under state or federal law.

Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official institutional records, or emailed to the parties' College-issued email or otherwise approved account. Once mailed, emailed and/or received in-person, notice will be presumptively delivered.

## **B. Sanctions Status During the Appeal**

Any sanctions imposed as a result of the hearing are stayed (i.e.: not implemented) during the appeal process. Supportive measures may be reinstated, subject to the same supportive measure procedures above.

If any of the sanctions are to be implemented immediately post-hearing, but pre-appeal, then the emergency removal procedures (detailed above) for a show cause meeting on the justification for doing so must be permitted within 48 hours of implementation.

If the original sanctions include separation in any form, the College may place a hold on official transcripts, diplomas, graduations, course registration, etc. pending the outcome of an appeal. The Respondent may request a stay of these holds from the Title IX Coordinator within two (2) business days of the notice of the sanctions. The request will be evaluated by the Title IX Coordinator or designee, whose determination is final.

### **C. Appeal Considerations**

- Appeals are not intended to provide for a full re-hearing (de novo) of the allegation(s). In most cases, appeals are confined to a review of the written documentation or record of the original hearing and pertinent documentation regarding the specific grounds for appeal.
- Decisions on appeal are to be deferential to the original determination, making changes to the finding only when there is clear error and to the sanction(s)/responsive action(s) only if there is a compelling justification to do so.
- An appeal is not an opportunity for Appeal Decision-makers to substitute their judgment for that of the original Decision-makers merely because they disagree with the finding and/or sanction(s).
- The Appeal Chair/Decision-makers may consult with the Title IX Coordinator and/or legal counsel on questions of procedure or rationale, for clarification, if needed. Documentation of all such consultation will be maintained.
- Appeals granted should normally be remanded (or partially remanded) to the original Investigator(s) and/or Decision-makers for reconsideration.
- Once an appeal is decided, the outcome is final: further appeals are not permitted, even if a decision or sanction is changed on remand (except in the case of a new hearing).
- In rare cases where an error cannot be cured by the original Decision-makers (as in cases of bias), the Appeal Chair/Decision-maker(s) may order a new investigation and/or a new hearing with new Pool members serving in the Investigator and Decision-maker roles.
- The results of a remand to a Decision-makers cannot be appealed. The results of a new hearing can be appealed, once, on any of the three available appeal grounds.
- In cases that result in reinstatement to the College or resumption of privileges, all reasonable attempts will be made to restore the Respondent to their prior status, recognizing that some opportunities lost may be irreparable in the short term.

### **38. Long-Term Remedies/Other Actions**

Following the conclusion of the Resolution Process, and in addition to any sanctions implemented, the Title IX Coordinator may implement additional long-term remedies or actions

with respect to the parties and/or the institutional community that are intended to stop the harassment, discrimination, and/or retaliation, remedy the effects, and prevent reoccurrence.

These remedies/actions may include, but are not limited to:

- Referral to counseling and health services
- Referral to the Employee Assistance Program (EAP)
- Education to the community
- Permanent alteration of housing assignments
- Permanent alteration of work arrangements for employees
- Provision of campus safety escorts
- Climate surveys
- Policy modification
- Implementation of long-term contact limitations between the parties
- Implementation of adjustments to academic deadlines, course schedules, etc.

At the discretion of the Title IX Coordinator, certain long-term support or measures may also be provided to the parties even if no policy violation is found.

When no policy violation is found, the College will address any remedies owed to the Respondent to ensure no effective denial of educational access.

The College will maintain the confidentiality of any long-term remedies/actions/measures, provided confidentiality does not impair the College's ability to provide these services.

### **39. Failure to Comply with Sanctions and/or Responsive Actions**

All Respondents are expected to comply with the assigned sanctions, responsive actions, and/or corrective actions within the timeframe specified by the final Decision-maker(s) (including the Appeal Chair/Decision-maker(s)).

Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s)/action(s), including suspension, expulsion, and/or termination from the College. Supervisors are expected to enforce completion of sanctions/responsive actions for their employees.

A suspension will only be lifted when compliance is achieved to the satisfaction of the Title IX Coordinator or Director of Human Resources.

### **40. Recordkeeping**

The College will maintain for a period of at least seven years following the conclusion of the Resolution Process, records of:

- 1) Each sexual harassment investigation including any determination regarding responsibility and any audio or audiovisual recording or transcript required under federal regulation
- 2) Any disciplinary sanctions imposed on the Respondent
- 3) Any remedies provided to the Complainant designed to restore or preserve equal access to the College's education program or activity

- 4) Any appeal and the result therefrom
- 5) Any Informal Resolution and the result therefrom
- 6) All materials used to train Title IX Coordinators, Investigators, Decision-makers, and any person who facilitates an Informal Resolution process. The College will make these training materials publicly available on the College's website.
- 7) Any actions, including any supportive measures, taken in response to a report or Formal Complaint of sexual harassment, including:
  - a. The basis for all conclusions that the response was not deliberately indifferent
  - b. Any measures designed to restore or preserve equal access to the College's education program or activity
  - c. If no supportive measures were provided to the Complainant, document the reasons why such a response was not clearly unreasonable in light of the known circumstances

The College will also maintain any and all records in accordance with state and federal laws.

#### **41. Disability Accommodations in the Resolution Process**

The College is committed to providing reasonable accommodations and support to qualified students, employees, or others with disabilities to ensure equal access to the College's Resolution Process.

Anyone needing such accommodations or support should contact the Coordinator of Accommodations, who will review the request and, in consultation with the person requesting the accommodation, and the Title IX Coordinator, determine which accommodations are appropriate and necessary for full participation in the process.

#### **42. Revision of this Policy and Procedures**

This Policy and procedures supersede any previous policies addressing harassment, sexual misconduct, discrimination, and/or retaliation for incidents occurring on or after August 14, 2020, under Title IX and will be reviewed and updated annually by the Title IX Coordinator. The College reserves the right to make changes to this document as necessary, and once those changes are posted online, they are in effect.

During the Resolution Process, the Title IX Coordinator may make minor modifications to procedures that do not materially jeopardize the fairness owed to any party, such as to accommodate summer schedules. The Title IX Coordinator may also vary procedures materially with notice (on the institutional website, with the appropriate effective date identified) upon determining that changes to law or regulation require policy or procedural alterations not reflected in this policy and procedures.

If government laws or regulations change—or court decisions alter—the requirements in a way that impacts this document, this document will be construed to comply with the most recent government laws or regulations or court holdings.

This document does not create legally enforceable protections beyond the protections of the background state and federal laws which frame such policies and codes, generally.

This policy and procedures are effective January 31, 2022.
