GARDEN CITY
COMMUNITY COLLEGE

STUDENT SPEAKERS

Abbigale Ford is a General Studies major from Scott City, Kansas and her parents are Summer Ford and Reggie Ford. While attending GCCC, Abbigale has been a work-study in the Admissions Office and the President's Office, while also being a member of the GCCC Choir. She was named on the Vice President's Honor Roll during her time at GCCC.

When asked why she wanted to be a commencement speaker, Abbigale wrote, "I feel like I have had a unique two years here at GCCC, with being a student worker as well as dealing with the COVID-19 pandemic. GCCC has had such an impact on my life in so many different ways, and I wanted to share those experiences with everyone through a commencement speech."

After graduation at GCCC, Abbigale plans to transfer to Wichita State University, where she will major in Business Administration. She would someday like to start her own wedding planning business or work at a college.

Lauren Jones is a Communication Sciences and Disorder major from Holcomb, Kansas. She is the daughter of Matthew and Jennifer Jones. While attending GCCC, Lauren has worked as an Admissions Ambassador while also being an executive officer of Phi Theta Kappa (PTK) and a GCCC Choir member.

Lauren was named to the Phi Theta Kappa All-Kansas Academic Team, which is an honor for the top academic scholars in the state. Her academic excellence also earned her a place on the President's Honor Roll during her time at GCCC.

When asked why she wanted to be a commencement speaker, Lauren wrote, "GCCC made a major, unexpected impact on my life...it turned into a second home to me where I knew I would be encouraged, supported, and guided in everything I did. Attending GCCC has been one of the best decisions I've made."

After graduation, Lauren plans to transfer to Kansas State University, where she will major in Communication Sciences and Disorders to become a Speech Pathologist or Audiologist. She hopes to have a career where she can help people, especially children, and make an impact on others' lives.

The **ceremonial mace** is a highly ornamented staff of metal or wood, carried before a sovereign or other high official in civic ceremonies by a mace-bearer, intended to represent the official's authority. The mace, as used today, derives from the original mace used as a weapon. Processions often feature maces, as on parliamentary or formal academic occasions.
