Issues:

- I. Minutes, Discussion: minutes from 11/16/2020 approved. November 30th, 2020 meeting was not held, end of semester assessment workshops were arranged through email.
- II. Gen Ed Report (Chris, Seth): Reminder email will be sent to instructors conducting Gen Ed assessment. SLAT members discussed the new report submission pages on Canvas.
- III. Portfolium update: Brian commented on the prices discussed for the pilot program. SLAT members agreed that the value/price of Portfolium is not ideal for GCCC.
- IV. Assessment webpage: This is a place where we can add various assessment information for GCCC. We need to go through the assessment manual and make sure it is accurate with regards to how the processes are currently working before it is added to the webpage. Chris brought up the current expected outcomes webpage and SLAT members discussed the work preparedness skills. Sam will discuss these topics with VPI Marc Malone in their next meeting.
- V. Assessment accountability: Sam will put together an accountability file and send it out so that we can all start checking our department submissions.

- VI. BOT report: SLAT will present the Essential Skills Report to the BOT in February. Sam will send the updates rubrics to the BOT. SLAT will also pre-view the Employability Skills for the BOT to give them an idea of what is being worked on. SLAT discussed the previous assessment newsletter and the data that will be included in the BOT report. SLAT discussed the employability skills; Seth re-sent the link from Sam for the google doc containing the Employability Skills.
- VII. New Business: Meeting times were discussed. Odd Mondays work better for most SLAT members.

Next Meeting:

The next meeting of this committee will be January 25, 2021 at 2:30 pm.
