- B. Review Monitoring Reports
  - **B-1 Workforce Preparedness**

Students will be prepared for success in the workplace. Chair Douglass looked for additional definitions during the ACCT conference. The first one is what is called financial literacy. A student in the workforce should know how to pay bills, use credit cards, and understand loans and repayments. The Trustees had a robust discussion regarding how to set indicators for student success in this area.

The trustees agreed to update #2 in the policy to state:

"Students will have discipline and collaborative skills necessary to be successful in the workplace and have exposure to relevant work ethics and financial literacy. "

Consensus to change work preparedness as stated above.

Congratulations to the women's half-marathon team, which finished fourth at the NJCAA National Championships in Tallahassee, Florida.

Trustee Rupp suggested adding more lighting around the Fitness Center to help protect our resources. Dr. Ruda said that in the master planning, once we get the greenhouse, we will do more landscaping and lighting in that area.

## E. Incidental Information

Trustees accepted printed reports.

# F. Report from FCEDC

There are 10 Housing Projects in process in the area at this point. Some of them are under construction, and the rest are in the planning and permitting process.

## CHILDCARE-

3<sup>RD</sup> Street facility is in the License phase with KDHE.

Dreams Childcare on 8<sup>th</sup> St. (former Community Daycare) was hoping to be open soon.

Community Day Care (across the street from Dorms) had to close temporarily because of a lack of staff. It is open now.

## G. Report from KACCT

The next meeting is December 2-3 in Coffeyville.

## H. Report from Faculty Senate

Veronica Goosey reported that faculty are pleased and relieved with how well the HLC visit and Exploration Day went. Faculty are still reviewing instructional policies. Veronica gave the trustees information regarding DE&I sessions during the NISOD conference.

## V. Ownership Linkage

Trustee Rupp attended the Allied Health Meeting on October 27 for Merilyn (while she was in New York). It was their first meeting, and it went well. A discussion was about Alzheimer's disease, and the research was done with the KU Alzheimer's Disease Research Center. SW KS is part of this research, with Glenda Owens participating. There were 3 of their representatives attended, and they discussed the partnership and help that Glenda Owens has provided so far. Classes involving some of the paths will start in the spring.

Trustee Tedrow attended the Early Childhood meeting. Two representatives come from Liberal and contribute generously to the information presented.

Trustee Hitz attended coffee with the President. There was a good turnout. He encouraged the President to have it more often. It would be a good idea to have coffee with the Board. There were questions and requests on some personal enrichment classes, like how to use your iPhone and iPad. We have Chris Turpin coordinating this.

There were questions about why the buses were sitting out and not in the new transportation building.

Trustee Tedrow commented that she has seen people using the new outdoor exercise equipment.

Trustee Hitz noticed that students were taking reserved seats during games. Ashely, Emmett, Mike, Colin, and Dr. Ruda have all asked students to move when the seats are needed.

The December Board meeting has been moved to the 13<sup>th</sup> to accommodate the break.

Special Board meeting placeholder on December 16 – the John Deere building. We will verify that date once we get the final information.

Chair Douglass discussed the results of last month's Board evaluation. The Board filled out this month's evaluation. We are at a point where we can entertain changing the questions. Chair Douglass will bring new ones to the next meeting.

#### **Diversity Recruitment Opportunity**

In researching effective ways of advertising GCCC faculty and other professional position vacancies, a more affordable alternative emerged recently. We place our national position advertising with a leading website called HigherEdJobs.com, and now the HEJ site has added an additional service. When we place a 60-day vacancy posting we are now having the same advertisement e-mailed to approximately 142,000 professionals who have identified themselves as minority educators seeking employment. The e-mail message allows interested professionals to contact us directly, and it also includes a link to the HEJ site, which allows an interested applicant to navigate to the GCCC website and apply online.

Agenda No: II-D

**Topic: Energy Services Agreement** 

Presenter: Dr. Ryan Ruda

**Background Information:** One of the Pillars identified in the GCCC Strategic Plan is Sustainable Infrastructure. In an effort to conserve energy and lower our utility cost, we entered into a no-cost study with C&C Group to explore options. They presented a three-phase application which is estimated to result in a 15-year savings of \$5,780,932 with an annual energy inflation of 7% per year. Included is a summary sheet explaining the estimated savings and the partnership C&C Group has with Ideal Impact, Inc.

**Budget Information:** GCCC will pay C&C Group a total project fee of \$1,109,232. GCCC will be billed quarterly at an amount not to exceed 80% of the energy savings. There is no upfront cost.

**Recommended Board Action:** Administrations recommends the Board of Trustees signing the Energy Services Agreement with C&C Group.

Within three (3) days of Client's receipt of energy bills from the energy providers, Client shall electronically scan each bill and email them to C&C Group at the email address set forth in the Notice provision of Section 10.8 herein. C&C Group will perform any necessary adjustments as per Section 1.3 herein, and will then at the end of each quarter send an invoice to Client for the preceding quarter to CLIENT. This payment by Client is due to C&C Group fifteen (15) days after the invoice is received by Client. The invoice, plus payments to date for Services pursuant to this Agreement, shall not exceed 80% of the actual savings to date. The invoice, plus payments to date, shall not exceed the Project Fee owed to C&C Group for Services performed pursuant to this Agreement. Each month, the first 80% of savings shall be used to pay for the Project Fee owed to C&C Group until paid in full. Client is responsible for paying its own energy bills. ## **2019** Three-Year Cohort Default Report

The following information is Garden City Community College's Default Study for 2019 three-year Cohort Default Rate (3-YR CDR).

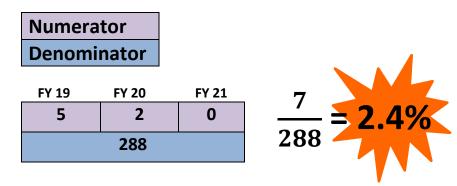

#### What is a Cohort Default Rate (CDR)?

- A CDR is a headcount of borrowers who enter repayment during a federal fiscal year (FFY) compared to the number in that group that <u>default</u> by the end of the specified timeframe.
- The denominator comprises the group of borrowers who entered repayment during a particular FFY, FY 2012 for example.
- The numerator is comprised of those borrowers in the denominator who defaulted between 10/1/2013 and 9/30/2016.

#### How to Calculate FFY 2019 3-Year CDR

## 2019 3-YR CDR at GCCC:

The 2019 national borrower default rate = <u>2.3%</u> (for all institutions – public, private, proprietary, etc.)

Public 2-year colleges = <u>3.7%</u>... GC3 is well below average and one of the lowest in the state of KS!

## $\star\star\star$

The FY 2019 default rates were calculated using the cohort of student loan borrowers who entered repayment on their William D. Ford Federal Direct Loans or Federal Family Education Loans (FFEL) between Oct. 1, 2018, and Sept. 30, 2019, and who defaulted between Oct. 1, 2018, and Sept. 30, 2021. FY 2019 cohort default rates were significantly impacted by the pause on federal student loan payments that began March 13, 2020. During the pause, borrowers with ED-held student loans were not required to make any payments, and no borrowers with ED-held loans entered default. Some schools have a small number of student loan borrowers entering repayment. At other schools, only a small portion of the student body takes out student loans. In such cases, the cohort default rate should be interpreted with caution.

Tuba Christmas took place on Saturday, December 10 at 3pm. Low brass instruments (tuba, euphonium, baritone) performed Christmas music in the Pauline Joyce Auditorium. It was recorded by PBS and will air on television on Christmas Eve or Christmas Day.

Rehearsals have started for the Spring Musical, "I Love You, You're Perfect, Now Change" for February 10-12.

The GCCC Buster Sound Marching Band completed two different marching shows in one football season. This was the first time since the creation of the marching band. This is more common at a four-year school but was a huge successful step at the community college level, where programs deal with a higher rate of student turnover.

#### **Statewide General Education Package**

The Core Curriculum Committee, a sub-committee of the Curriculum and Instruction Committee, has started its work on adopting the statewide general education package, which was approved by the Kansas Board of Regents in Summer 2022. The committee has started soliciting faculty feedback and will use the Spring 2023 semester to develop guidelines about adapting GCCC degrees to the new framework, and program faculty will use Fall 2024 to make necessary program modifications. This framework will launch statewide in Fall 2024 and will ensure that any student who completes the general education package at GCCC can transfer the entire package (with no credit loss) to any Regent four-year institution in the state.

## **Student Support Services Update 12.8.22**

On November 8<sup>th</sup>, we had a National 1<sup>st</sup> Generation Day celebration. The annual National First-Generation College Celebration honors the anniversary of the signing of the Higher Education Act of 1965. With this, we celebrated students, faculty, and staff who are the first in their families to pursue a four-year undergraduate degree. Mercedes Ramos, Manager of the FHSU Transfer Center, and Dr. Mike Dominguez, USD 457 Superintendent, presented their experiences as first-generation college students.

Two staff members attended the EOA Conference November 13-15. We attended insightful sessions and met a lot of other TRiO staff that provided valuable information for our program.

On November 15<sup>th</sup> and 16<sup>th</sup>, two SSS staff members took 8 participants to visit Emporia State University and Washburn University. Students were provided presentations by TRiO Student Support Services, TRiO McNair, and the office of diversity and inclusion. They also had individual academic advising appointments to get more in-depth information about their major at each institution. While in Topeka, the group visited the Brown v Board of Education National Historic Site.

At the beginning of December, we celebrated our Fall 2022 graduates with a come-and-go party in Saffell Library Lobby. Faculty, staff, and students signed cards for each graduate and enjoyed cake and refreshments.

SSS staff have also continued to provide presentations on our program at events like Exploration Day or in smaller groups like our GED class. Next week, we will meet with the Garden City High School counselors to share information that might benefit students that are graduating early and entering our institution.
