Recruitment Opportunity

In researching effective ways of advertising GCCC faculty and other professional position vacancies, a more affordable alternative emerged recently. We place our national position advertising with a leading website called HigherEdJobs.com, and now the HEJ site has added an additional service. When we place a 60-day vacancy posting are now having the same advertisement e-mailed to approximately 142,000 professionals who have identified themselves as minority educators seeking employment. The e-mail message allows interested professionals to contact us directly, and it also includes a link to the HEJ site, which allows an interested applicant to navigate the GCCC website and apply online.

Topic: Approval of Temporary Construction Easement for City of Garden City

Presenter: Dr. Ryan Ruda

Background Information: We have been collaborating with the City of Garden City and a private interest group of local patrons to utilize and convert the Northeast portion of our East campus which is referred to as the “Pit.” The purpose is to convert this into a usable community resource for a disc golf course. This has been underdeveloped and underutilized space. The community group, City and GCCC have been working to improve the space. Mowing, removal of dead trees and other improvements have been made along with installation of the disc golf course currently. To continue with improvements, the City is requesting to tie this community resource into the Talley Trail and sidewalk system throughout Garden City. In order to do this, the City is requesting a Temporary Easement that provides authorization to build walking paths and sidewalks along the backside of Tangeman fields and ties into sidewalks along Spruce. The entities will be cost sharing this project with an anticipated start to enrollment in fall 2025.

Budget Information: There is no cost involved in the approval of the easement. The cost incurred for the construction and materials for the walking paths and sidewalks is incurred by the City of Garden City.

Recommended Board Action: Recommend the board approve the temporary easement to allow for improving use and access along college property to the newly designed disc golf course and for community benefit.

Board Action Taken: ___Approved ___Disapproved
 ___Ayes ___Nays ___No Action

Asset Protection #5	Page 14
The President shall not make any purchase (a) of over \$25,000 without competitive pricing and due consideration regarding cost, quality and service; and (b) of over \$150,000.	

CEO's Interpretation:

Unless purchases have been made under consortia contract with state service providers or with sole source providers, competitive pricing is required on all purchases reported to the Board exceeding \$49,999.99. Additionally, all purchases over \$150,000 have had board approval unless under contract such as Great Western Dining.

Data directly addressing the CEO's interpretation:

Purchases over \$25,000 are not processed until proper documentation following college policy are submitted to the Business office to the Account Payable coordinator. Each month the Board receives a listing of all purchases over \$150,000 which have a contract or exclusivity. All other purchases over \$150,000 require board approval and have been presented to the board for review and approval accordingly.
