Recruitment Opportunity

In researching effective ways of advertising GCCC faculty and other professional position vacancies, a more affordable alternative emerged recently. We place our national position advertising with a leading website called HigherEdJobs.com, and now the HEJ site has added an additional service. When we place a 60-day vacancy posting, we are now having the same advertisement e-mailed to approximately 142,000 professionals who have identified themselves as minority educators seeking employment. The e-mail message allows interested professionals to contact us directly, and it also includes a link to the HEJ site, which allows an interested applicant to navigate the GCCC website and apply online.
