The Community

Garden City, with a population of 30,000, and an average age of 31, is the largest and fastest growing city in Southwest Kansas.

With numerous feed yards and large areas of irrigated farmland, employment in Garden City and Finney County tends to be related to agriculture. In addition, Sunflower Electric Cooperative has invested close to $500 million in Finney County through its coal-fired electric generating plant west of Garden City.

Garden City residents enjoy the advantages of many educational, medical, cultural and recreational services. In addition to the college, Garden City boasts 14 public and two parochial grade schools, two middle schools, two fifth and sixth grade centers, and one high school and a variety of nursery and pre-schools.

Garden City has the largest hospital between Wichita and Colorado Springs. There are also many churches, public parks, a zoo, a huge outdoor swimming pool, tennis courts, a municipal golf course and a public library.

The College

The first four community colleges in Kansas were established in 1919, and GCCC is one of the two from that group which still exist. It was created by county-wide election on April 1, 1919, and opened in September of the same year. GCCC initially shared facilities with Garden City High School, and opened with a first class of less than three dozen students. The first graduate, Mildred Hope of Garden City, received her degree in the spring of 1920. The college moved to the then-new Garden City High School building in 1954, and first occupied a campus of its own in 1958 on property where Buffalo Jones Elementary School is located.

The Kansas Legislature passed the Community College Act in 1965, authorizing the establishment of 22 independent colleges including GCCC. This authorized the institution to levy taxes, conduct its own programs, and function independently of the K-12 school system. County voters elected the first GCCC Board of Trustees in July 1965, and the first college president, L.C. Crouch, was hired.

The original 13-building, 63-acre campus at 801 Campus Drive was designed between July, 1965 and January, 1966. In addition, GCCC owns 75 acres east of Campus Drive. That property includes a baseball practice building, football and soccer practice areas, and a running track. The city of Garden City added a baseball field and a softball complex to the East campus in the spring of 1996.

Voters approved a $2.5 million bond issue, supplemented by a $538,000 federal grant for construction. Buildings erected between 1968 and 1970 were the Residence Hall, Student Center, Academic Building, Thomas F. Saffell Library, Administration Building, Warren L. Fouse Science-Math Building, Pauline Joyce Fine Arts Building and the Physical Education Building. The John Collins Vocational Building was added in 1974. The Williams Baseball Stadium, named for Garry and Janet Williams, was added in 1986, and a residential life addition was built in 1978. The Penka Building, named for Sister Aquinata Penka, was added in 1986 when additions were completed to the Joyce, Collins and PE Buildings.

In January of 1996, a 15,000 sq. ft. 1.4 million dollar technical teaching laboratory was completed so that GCCC could provide more training for workers in area and national industries. In 2007, the Annex was renamed the Gary E. Jarmer Technical Annex.

In 2002, three new apartment style residence complexes were built and extensive renovations were made to the existing student housing. An addition to the existing Student Center was completed in January, 2004, and the Center was renamed the Beth G. Tedrow Student Center.

In January of 2005, the Physical Education Building was renamed the Dennis B. Perryman Athletic Complex. Later that same year, construction began on a three-level, two story addition to the south end of the Administration Building. The new Student and Community Service Center was completed in August, 2006. This $3.12 million project provided a single location for student services, community services, and adult education programs. Created in partnership with the City of Garden City, the Southwest Kansas Fire Training Center opened on campus in 2008.

Garden City Community College continued to grow along with the economic development in Southwest Kansas, and in 2014 GCCC realized a 7% increase in enrollment—the highest increase of the 19 Kansas Community Colleges.

In September of 2013 the residence halls were filled to capacity with students on a waiting list. Construction began on new student housing during early 2014. Just across from the college on Spruce Street, this new housing saw its first students in January of 2015. Governor Sam Brownback and over 100 people attended the
ribbon cutting ceremony for Broncbuster Housing. Continued increases in enrollment furthered the need for additional housing. During Fall 2016, GCCC purchased the Wagner Apartments complex located just south of the college behind the newer Broncbuster Housing. The apartments were named “Broncbuster Suites,” and saw the first students being housed there in the fall 2016 semester.

In 2014, GCCC was recognized as “Outstanding College of the Year” by the Rural Community College Alliance (RCCA). Additionally, CNN Money Magazine ranked GCCC among the top 24 community colleges in the nation; GCCC ranked #31 in the list of top community colleges in the nation by “The 50 Best Community Colleges.” In 2015, GCCC was named to Aspen Institute’s top 10% of community colleges in America and has been listed as a “Military Friendly” college for 2016, 2017, and 2018.

Administration introduced a mobile classroom in 2013, funded by the TRAC 7 grant. The mobile classroom has internet access and up to 25 instructional computers which can provide on-site training at various locations in remote areas.

During fall 2014, the college opened its brand new Phase I multi-sports complex with seating for 3,000 spectators. The complex is home to Broncbuster Track and Field, Soccer, and Football. The complex is located near campus housing and all field sports offered at GCCC. The inaugural football game was played against Highland Community College on August 30, 2014. The Busters won the game 29-26. The complex has quickly become a hub for community events and hosted the 1A Regional Track meet in both 2015 and 2016. GCCC hosted the NJCAA Region VI Track & Field Championships in May 2016.

During the month of June, 2014, the Garden City Community College Board of Trustees unanimously voted to transition the existing Department of Campus Safety to a professional law enforcement agency. The licensed police department proposal included several full-time and part-time commissioned police officers, along with a current full-time position for a Campus Police Chief. After receiving state approval, the GCCC Police Department’s first official day was July 1, 2014. In March, 2015, a tornado siren was installed on campus and linked with the City of Garden City system.

The summer of 2015 saw major improvements to buildings and parking lots at Garden City Community College. Several buildings were updated to make better use of space and remodeling was completed to bring campus compliant to current code.

The Broncbuster Bookstore relocated to the first floor of Beth Tedrow Student Center. A cyber café with coffee bar seating and WIFI access was added. The student lounge was also renovated and a new activities center was added.

The Dennis Perryman Athletic Center was remodeled, bringing the building to ADA compliance. A mural was also added featuring successful student athletes. Utilizing a U.S. Department of Labor Trade Adjustment Assistance Community College and Career Training (TA-ACCCT) grant, the welding center moved to a new updated facility, expanding capacity to serve more students.

**Symbols and Seals**
The Broncbuster is the college mascot, initially selected by the class of 1939 as the college symbol. A logo featuring the letters “GCCC,” designed by a student, was adopted by the Board of Trustees as the official college symbol in 1989. Brown and gold are the official college colors, representative of the college flower, the sunflower.

The emblematic Seal of the College was designed by an early Fine Arts student, Thelma Whitney, and art instructor Vera L. Stone. The 32 petals of the sunflower represent the 32 members of the first class. The lamp of knowledge atop two books, the sugar beets, denoting the original name of the school newspaper, the organizing date and the motto, Plus Ultra (Ever Upward), are significant to GCCC. The seal was officially adopted for the college by the Board of Education.

Degree and Graduation Requirements

Garden City Community College awards four degrees, each with a special emphasis to meet individual student needs. The degrees are:

- Associate in Arts (AA)
- Associate in Science (AS)
- Associate in Applied Science (AAS)
- Associate in General Studies (AGS)

Each student planning to graduate from GCCC is required to declare his/her intent to graduate by filing an Application for Graduation with the Registrar’s office. Application deadlines are:

- Fall completion: September 1
- Spring completion: December 1
- Summer completion: February 1

Upon successful completion of 60 credit hours (minimum 16 credit hours from GCCC) including fulfillment of specified General Education Requirements, additional courses required to complete the chosen program of study, cumulative GPA of 2.0, a completed Application for Graduation and completion of the outcomes assessment, the degree seeking student will be awarded an Associate Degree.

It is the student’s responsibility to be familiar with the graduation requirements for the degree he/she is seeking. Refer to the college catalog for a detailed outline of the requirements. Questions concerning these may be clarified by Advisors, Registrar or the Vice President for Instruction and Student Services.

Certificates - Certificates are based on completion of a course of study less than two years in length (less than 64 credit hours) with a 2.0 GPA. Students completing Technical Certificate programs in Practical Nursing, Office Technology and Cosmetology must apply for graduation to receive their certificates. They may also participate in and be recognized during the graduation ceremonies.

Honors Recognition - Outstanding scholastic work is recognized at the end of each semester through a President’s Honor Roll, which lists names of those who have earned a 4.0 grade point average for that semester. The Vice President’s Honor roll lists those who have earned a 3.2 to 3.999 GPA. Honorable Mention is given to those at 3.0 to 3.199. To be eligible for honors recognition, a student must be enrolled in and receive grades in eight or more credit hours.

At commencement, excellence in scholarship is recognized. High Honors are awarded to those with cumulative grade point averages of 3.6 or better and Honors to those with 3.2 to 3.599 cumulative GPA.

Academic Student Policies and Procedures

Refer to GCCC website for all policy information.

The Student and Academic Decisions - Academic decisions are made by faculty members, division leaders, Dean and Vice Presidents. If a student believes an academic decision is unfair, he/she may meet with the above personnel, who will review the complaint and render a final decision.

Student Responsibilities - Those enrolling for college work at GCCC are considered adults and expected to assume responsibility for the following:
1. Planning a semester schedule or course of study and completion of all course requirements. Instructors, counselors and administrators will give advice. The college catalog and supplementary bulletins are authoritative sources of information on academic matters.
2. Voluntary consultation with counselors on adjustment difficulties, vocational and professional aptitude and planning, as well as personal problems pertaining to a college career.
3. Attending classes regularly.
4. Observance of all college regulations specified in the college catalog, Student Handbook, Residential Life Handbook, the Student Athlete Handbook and other information bulletins.

Residency - Kansas Community Colleges are funded in part through taxes paid by Kansans. Therefore, the Kansas Board of Regents specifically states that students eligible for in-state tuition rates must have been bona fide residents of the state for six continuous months or more. A student can be a resident of only one state. If a student leaves the state and claims residency elsewhere, he/she forfeits residency in Kansas regardless of the time spent out of the state. Inquiries about appeals, exceptions or affidavits of residency should be made to the Registrar. Refer to the college catalog for further information or clarification.
Updating Student Information - Students needing to change their recorded information including: name, address, or social security number must complete a “Student Data Change Form” at the Registrar’s Office. Changing a name requires a copy of a marriage certificate or court order. Changing an erroneously reported social security number requires a copy of the official social security card.

Advanced Standing Credit - Advanced standing implies that credit will be granted for specific courses in which certain requirements or standards have been satisfactorily completed from external sources. These external sources may include: proficiency examinations, military credits, national standardized examinations, Kansas Technical Schools, competency based programs, correspondence courses and departmental course challenges. A maximum of 30 credit hours may be accepted by this method. Credits transferred from regionally accredited universities/colleges are excluded from this classification; total hours applicable to fulfilling degree requirements from advanced standing and/or transfer cannot exceed 48 semester hours. Advanced standing credit will not count for the 16 credit hour residency requirement. All external credit requests must be approved by the College Registrar. The source will also be listed on the transcript.

In most cases, a processing fee is required and the student will be notified at the time of evaluation the amount of the charge. Credit will not be awarded if:
1. A student has previously received a grade in the course.
2. A student has previously received a grade in a higher content level course.
3. A student has been awarded credit through other non-traditional programs in areas containing the same content.

The Credit by Examination Program is administered through the Mary Jo Williams Assessment Center, located in the SCSC.

Add/Drop Policy and Procedure - Once a student has completed registration, the only way to modify the class schedule is through the add/drop procedures (Change of Schedule form) adopted by the college. Any student who wishes to modify his/her schedule should immediately go to the Registrar’s Office for instructions.

Adding Classes - Students wishing to add (a) class(es) during the first five (5) days of each semester may do so with the advisor’s signature only. The student must secure a Change of Schedule form from the Registrar’s Office or his or her advisor, obtain the advisor’s signature, and return the completed form to the Registrar’s Office for processing.

After the fifth (5th) day of the semester, in addition to the advisor’s signature, students must also obtain a signature from the instructor(s) involved before returning the completed form to the Registrar’s Office. In addition, if the student is receiving a scholarship from any GCCC organization or team and/or is receiving financial aid and the schedule change results in the student’s enrollment dropping below a total of 12 credit hours, the student must also obtain a signature of approval from the coach, organization sponsor and/or Financial Aid Office before turning in the Change of Schedule form to the Registrar’s Office.

If a class has reached maximum enrollment and the class is “closed”, the student has the option to be placed on the waitlist (if available) for the class. If a space becomes available in the class, the student, instructor and advisor will be notified. The student will have four (4) days to respond and accept the space for enrollment. After four (4) days the student will be removed from the waitlist.

Dropping Classes - Students wishing to drop (a) class(es) during the first five (5) days of each semester may do so with the advisor’s signature only. The student must secure a Change of Schedule form from the Registrar’s Office or his or her advisor, obtain the advisor’s signature and return the completed and signed form to the Registrar’s Office for processing.

After the fifth (5th) day of the semester, in addition to the advisor’s signature, students must also obtain a signature from the instructor(s) involved before returning the completed form to the Registrar’s Office. In addition, if the student is receiving a scholarship from any GCCC organization or team and/or is receiving financial aid and the schedule change results in the student’s enrollment dropping below a total of 12 credit hours, the student must also obtain a signature of approval from the coach, organization sponsor and/or Financial Aid Office before turning in the Change of Schedule form to the Registrar’s Office. Courses dropped prior to the published 20th day of classes (certification day) for a given term (or 25% of class meetings for non-standard classes) will not be recorded on the student’s transcript. After the certification date, officially dropped courses will appear on the transcript with a grade of “W.” Dropping courses is allowed only until
75% of course completion. After the last date to withdraw, students who do not officially drop (withdraw) from a class will receive the grade recorded by the instructor. Students may appeal to the Academic Review Committee.

**After the fifth (5th) day** of the semester, in addition to the advisor’s signature, students must also obtain a signature from the instructor(s) involved before returning the completed and signed form to the Registrar’s Office. In addition, after the published 20th day of classes for a given term (or 25% of class meetings for non-standard classes), the signature of the appropriate Vice President is required before the Registrar’s Office will process the Change of Schedule form.

If a class has reached maximum enrollment and is “closed,” the student has the option to be placed on the waitlist (if available) for the class. If a space becomes available in the class, the student will be notified through their GC3 email account and will have four (4) days to accept the offer of enrollment by contacting his/her advisor.

**Auditing a Class** - Students may choose to audit classes; no credit nor any grade will be assigned to audited courses. Regular tuition and fees will be charged. Students must declare their intention to audit at the time of enrollment and the option cannot be changed once the class begins. A course originally audited cannot later be converted to a graded or Pass/Fail basis.

**Advisement** - An academic advisor is assigned to each student according to the major declared on the student’s Application for Admission. Students who are still deciding a major will be assigned an advisor by the Advising Center. Advisors assist students in developing a degree completion plan, selecting courses each semester and monitoring academic progress toward completing the degree program. An advisor’s signature is required for the completion of a student’s enrollment. Each student is responsible for working out a plan of education with his/her advisor. The student is ultimately responsible for the success, degree requirements and transferability of his/her own educational program.

**Changing Advisor or Intended Major** - Students may change advisors or majors by completing a Reassignment of Advisor/Change of Major form available in the Advising Center or the Registrar’s Office. Signatures of the previous and new advisor must be secured before the change form is brought to the Registrar’s Office.

**Attendance Policy:** Students are expected to be regular and punctual in attendance of all classes. Regular class attendance is necessary for student success. Excuses for absences are not issued. The college will inform instructors of special circumstances which make an absence necessary. There is no officially recognized system allowing a certain number of absences before a student’s grade is affected. Those representing the college in any capacity necessitating absence from class should obtain assignments from instructors and submit them prior to the absence or as directed by each instructor. Instructors will be provided lists of participants in college activities.

**Procedures:** Punctual attendance at all scheduled classes is regarded as integral to all courses and is expected of all students. Each faculty member will include attendance guidelines in his or her course syllabus. Students will be responsible for knowing and adhering to those guidelines. Penalties for excessive absences may include a grade reduction. It is the student’s responsibility to obtain class materials missed because of absence. The matter of excessive absence and the way it affects a student’s grade is to be determined by the instructor, who, in turn, should be guided by Department guidelines where applicable. For example, some Departments that offer curricula requiring structured clinical instruction have more strict attendance requirements. Students who are under obligation to participate in jury duty, a generally recognized religious observance, or activities where they are required to represent the college must give notice to the faculty member in advance of the observance. If there are questions regarding whether a religious holiday is recognized or an activity is college-sponsored, students should contact the Vice President for Instruction and Student Services. Such students shall be afforded the opportunity to independently make up coursework or work of equal value for the day(s) the event was scheduled and take a scheduled exam at an alternate time determined by the instructor. Failure to provide timely written notice may result in loss of this opportunity. Students should be aware that the quality of their learning experience may suffer as a result of their absence if coursework is not made up.

Students should be advised in the course syllabus, outline, or other handout of attendance requirements.
and how attendance relates to grading. Valid grading practice may vary from class to class, but the need to communicate whether grading practices apply is imperative in all classes. Attendance requirements relative to students’ grades should be reasonable, capable of being supported by the department or division, and able to withstand review if protested by a student. Instructors should maintain adequate student attendance records to document student grades reflecting attendance considerations. Federal guidelines for financial aid require instructors to be able to give a student’s last date of attendance. For all other absences, authorization of excuse is the province of the individual faculty member and subject to the standard appeal process. If students receive benefits from a government agency, they must follow any policy the specific agency stipulates. Lack of attendance may affect financial aid.

**Attendance Guidelines:**
1. Consistent attendance at Garden City Community College is encouraged.
2. The student is responsible for contacting each of his or her instructors regarding an absence.
3. GCCC supports the right of instructors to recommend withdrawal prior to the published withdrawal date or to fail any student whose absences are excessive in the opinion of that instructor.

**College Sponsored Activity Absence**
1. The student must notify the instructor prior to the absence.
2. The student must obtain assignments prior to the absence.
3. The student and instructor must establish a due date.
4. The student must submit completed assignments by the due date.
5. Coaches or sponsors will provide a list of participants to instructors prior to the activity.
6. If these criteria are met, coursework will be accepted.
7. Dual credit students will follow same criteria.

**Student Credit Hour Load** - The academic year consists of a fall and a spring semester, each 16 weeks. One three-week, one six-week and one two-week summer session is also available. Academic and technical credit programs are offered on a semester credit-hour basis. One hour of credit is earned for each hour per week a student attends class every semester. Laboratory classes require additional time under an instructor’s supervision. Approximately two hours of study time is recommended for each hour of classroom activity. Sixteen hours of college credit is considered a standard semester load. Students may discuss with their advisors and the appropriate Vice President their desire to carry more than 18 hours a semester. Permission to enroll in over 18 hours per semester may be granted by the appropriate Vice President. An average course load for the combined summer sessions is suggested to be 12 hours or less.

**Placement Assessment** - GCCC students complete a skills assessment to determine their “best fit” course placement. This assessment underscores the college’s commitment to the student’s right to succeed. Earning a GCCC degree requires successful completion of a series of communication and math courses, with mandatory prerequisite skills for access. Admitting students to a course for which they are not prepared does them an injustice. Developmental course work is intended to give the student the academic skills necessary to succeed at college-level work. The placement assessment determines if the student is prepared to succeed in the required English, reading and math courses or if he/she would benefit from developmental course preparation before the required college courses. Students have opportunities to confirm or appeal course placements. To arrange for assessment, students should contact the Mary Jo Williams Assessment Center in the SCSC.

**Enrollment** - Enrollment begins well in advance of the beginning of each semester and summer session. Currently enrolled students are given the opportunity to select classes before enrollment is open to new students. Early enrollment is highly recommended for students to secure a satisfactory class schedule. Late enrollment may cause scheduling difficulties because of closed classes. Early enrollment for summer and fall semesters begins in April. Enrollment for the spring semester begins in November. Exact dates for the start of these enrollment periods are listed in the Student Handbook and on the college web site.

**Class Cancellations** - During the registration process, all course sections offered are reviewed to see if
there is sufficient enrollment to justify the class. If a class is cancelled, students are contacted by mail if there is sufficient time before the end of the registration period to adjust their schedules. If a section is cancelled too late for mail notification, attempts to contact students are made by students’ GCCC e-mail or by telephone and a sign is posted by the scheduled classroom door.

**Examinations** - Students absent on the day of an announced examination may be permitted to make-up the exam at the discretion of the instructor. Final examinations at the close of each semester are required for all students. In case of an emergency, such as bereavement or hospitalization, a student may be permitted to deviate from the schedule of examinations with permission from the appropriate Vice President. The academic calendar for the entire year is printed in the calendar section of this handbook as well as in each semester’s course schedule and on the GCCC main website. Students should refer to the schedule prior to making travel arrangements so that there will be no conflict with the final exam schedule.

**After the fifth (5th) day** of the semester, in addition to the advisor’s signature, students must also obtain a signature from the instructor(s) involved before returning the completed form to the Registrar’s Office. In addition, if the student is receiving a scholarship from any GCCC organization or team and/or is receiving financial aid and the schedule change results in the student’s enrollment dropping below a total of 12 credit hours, the student must also obtain a signature of approval from the coach, organization sponsor and/or Financial Aid Office before turning in the Change of Schedule form to the Registrar’s Office. Courses withdrawn prior to the published 20th day of classes (Certification Day) for a given term (or 25% of class meetings for non-standard classes) will not be recorded on the student’s transcript. After the certification date, officially withdrawn courses will appear on the transcript with a grade of “W”. Dropping courses is allowed only until the published “last date to withdraw.” After the last date to withdraw, students who do not officially drop (withdraw) from a class will receive an “F” for that class. Students may appeal to the Scholarship and Academic Review Committee to receive a withdraw by following these steps:

1. The student must notify the Vice President for Instructional Services of his or her desire to appeal.
2. The Vice President will give the student an appeal form which must be filled out and returned to the Vice President.
3. The Vice President will forward all appeals to the Academic Review Committee.
4. The Appeal Committee will meet to approve or deny the appeals and will send the forms back to the Vice President for Instructional Services who will notify the student of the outcome.
5. The decision of the Committee will be considered final. If the request is approved, the student will be withdrawn from the class in question and receive a “W” for the class. If the request is denied, the student will receive the grade for the class that the instructor records.

Students wishing to appeal the last day to withdraw must complete a “Course Withdrawal Appeal Request” form and return it to the Vice President for Instructional Services with appropriate documentation within two weeks of the last day to withdraw.

**Complete Withdrawal from College** - Students who find it necessary to withdraw from all classes for the remainder of the semester must meet with a counselor in the SCSC Building. Completing this process helps the student avoid future holds on records by returning materials and clearing up discrepancies. Instructors cannot withdraw a student who has stopped attending. Students who do not process a Complete Withdrawal will receive an “F” for those classes still enrolled, and that grade will be entered on the transcript. Students receiving any type of financial aid are recommended to also complete an exit interview with a financial aid staff member.

**Grading System** - : Faculty members have the responsibility for grading. Evaluation of student learning must be documented.

Procedures: Grading scales/criteria that are used must appear in the course syllabus so students know what is expected and how to accomplish the objectives for the course. Final grades are due in the Registrar’s office shortly after the end of a semester, on dates established by the Registrar.

During the last week of each semester, comprehensive final exams or other educational or evaluative events are expected for all courses, with certain exceptions (labs, fieldwork and practicums, private lessons, and others as determined by the Vice President for Instruction and Student Services.)

All final exams are to be given at the date and time indicated on the final exam schedule. Exceptions must first be cleared with the Dean of Academics or Dean of Technical Education & Workforce Development.
Grades are reported to the office of the Registrar at the end of each semester. Grades are reported by letter only. No plus or minus values are recorded. The grading system includes the following:

- **A (Excellent)**: 4.0
- **B (Good)**: 3.0
- **C (Average)**: 2.0
- **D (Poor but passing)**: 1.0
- **F (Failing)**: 0.0
- **P (Passing – credit only, not computed in GPA)**
- **I (Incomplete)**
- **W (Withdrawn)**
- **CR (Credit only, not computed in GPA)**
- **AU (Audit – no credit, no grade)**

**Note:** An “I” grade indicates the instructor's and College's willingness to assist the student in completing course assignments independently and to ultimately award a grade. It should be assigned only to students passing the course and who are near the end of the semester when independent completion of course requirements is probable and achievable. The instructor will not automatically record an incomplete; the student must petition the instructor before the end of final examinations. Course requirements must be completed by the end of the next full semester, or a failing grade will be assigned. A contract signed by the instructor and the student must be submitted to the Registrar's Office for an incomplete grade. A “CR” or “P” grade indicates that the student has received credit for the course, but the grade is not calculated in the grade point average. The hours do count for graduation. A “CR” grade is assigned for credit in courses for which no letter grade is given such as seminars, workshops or other similar learning experiences. Credit by examination program credits are usually designated by this notation.

At the end of each semester, faculty will report final grades through the Busterweb Gradebook system. Every instructor is responsible for accurate grade reporting and submitting them by the deadline listed in the instructions. Instructors needing to change a final grade (e.g. an incomplete grade or correcting an error) will need to submit a Change of Grade Request Form to the Registrar's Office. Grades are not distributed to students through the mail. Grades are posted to the internet via the college website.

Due to financial aid audit requirements, the following procedures are implemented: Student grade records and attendance records must be kept for five (5) years. If faculty do not wish to personally keep the records, they can be given to the division secretary for filing. They may be in the form of gradebooks, class rosters with verified attendance, or attendance records. Through the Busterweb Gradebook system, instructors note the last date of attendance for students. This date needs to be as accurate as possible.

**Calculating Grade Point Averages** - The college grades on a four-point system. A is four points, B is three, C is two, D is one and F, I and W grades are zero points. In figuring grade point averages, use the letter grades for each course and translate them into grade points from the scale. Then multiply this number by the number of credit hours for each course. Thus, an A in a three-hour course equals 12 grade points, and a C in a five-hour course equals 10. When this is done for each course taken for a letter grade, add the total number of grade points and divide by the total number of enrolled letter graded hours, to determine the grade point average. Remember to include all courses, except those taken for pass/fail, audit or withdrawals.

**Credit/Pass Grades** - A “CR” or “P” grade indicates a student has received credit for the course, but the grade is not calculated in the grade point average. Credit/Pass grades are counted as a “C” for athletic eligibility purposes. The hours do count for graduation. A “CR” grade is assigned for credit in courses for which no letter grade is given such as seminars, workshops or similar experiences. Credit by exam program credits are usually designated by this notation.

**Pass/Fail Policy** - The student must declare their intention to enroll for pass/fail at the time of the enrollment, and the option cannot be changed once the class begins. Regular tuition and fees will be charged to a student who enrolls for the pass/fail option in a class. Students may enroll in certain courses under the Pass/Fail option. Under this option, an earned grade of A, B, C or D will be recorded on the transcript as “P” for passing. A grade of “F” will be recorded as “F” for failing. Grades recorded as “P” will not be counted in calculating grade point average, but “F” grades will be counted in the calculation.
The following conditions apply to students choosing this option:

- Courses that cannot be taken Pass/Fail are as follows:
  - General education requirements, with exception of activity courses
  - Courses required in the major field of study
- Advisor approval is required before a student chooses the Pass/Fail option
- A student must indicate the Pass/Fail option at the time of registration, and the option cannot be changed once a class begins.
- A course originally completed under the Pass/Fail option cannot later be converted to a grade
- A student may enroll in only one Pass/Fail course per semester

**Note:** Some university/college scholarship committees and honor societies do not accept the Pass/Fail grading system when computing grade point averages and may convert grades of “P” and “CR” to a letter grade of “C” or in some other way penalize the student. Students planning to seek admission to a professional school, i.e., medical, veterinary medicine, physical therapy, etc. should contact potential universities for the specific policy regarding pass/fail and credit by examination experiences.

**Incomplete Grades** - Due to extenuating circumstances, if a student has not completed all requirements of a course, the instructor may issue an Incomplete “I” grade at the end of the semester, giving the student additional time to complete the requirements. The instructor will not automatically record an incomplete; the student must petition the instructor before the end of final exams. A contract for an Incomplete Grade, available from the Registrar’s Office, is required.

The student and the instructor must agree on conditions by which the requirements will be met and the contract for an Incomplete “I” grade must be completed and attached to the instructor’s final grade sheet. The instructor must issue a Change of Grade Request form before the “I” grade can be removed and a letter grade entered on the transcript. The “I” grades will be converted to “F” grades if requirements have not been met by the Friday prior to finals week of the following semester.

**Independent Study Courses** - In exceptional circumstances the college may approve offering an existing course on an independent study basis (i.e. student must have the course to graduate that semester, and there are not sufficient other students to warrant offering a regular class section). The student will need to obtain the approval of the Vice President for Instructional Services before being allowed to register. Contact Registrar office for appropriate form.

**Posting Grades** - The public posting of grades, either by student name, institutional student identification number or social security number, without the student’s written permission, is a violation of Federal Education Rights and Privacy Act, and is restricted by the college. Even with names obscured, numeric student identifier numbers are considered personally identifiable information.

The student may obtain the grade for a particular course by: individual discussion with the instructor; accessing BusterWeb; or self-addressed, postage-paid envelope/postcard with identifying information pertaining to the course number and section to be given to the instructor for mailing. Grades are entered into the computer for processing and the student must wait until grades are posted on BusterWeb.

**Repetition of Courses** - Repeating a course taken at GCCC for which credit has already been earned will cancel the grade and the credit previously awarded for that course; however, a record of the prior course will continue to appear on the transcript. Only the grade and credit from the most recent repeat of the course will be used when computing the grade point averages. When a student has withdrawn from a repeated course, the transcript entry indicates “W” and the most recent letter grade (A,B,C,D,F) is used for the GPA calculation. **If a course taken at another institution is repeated at GCCC, the grades will be averaged, not cancelled, to compute the GPA.**

**Grade Changes** - Grade Change forms are submitted directly to the Registrar’s Office by the instructor. A failing grade will not be changed to a passing grade without the signature of the appropriate Vice President. The student will receive a copy of the grade change form as notification that the process has been completed. Grade change and withdrawal appeals must be submitted to the Registrar’s Office within one semester of the student’s initial enrollment in the course.
Academic Probation/Dismissal -
Academic Probation is a warning that the student’s performance is below that necessary for satisfactory academic progress. To avoid dismissal, the student’s cumulative GPA must be above the GPA outlined below for the semester following being placed on academic probation.

Academic probation is not meant to be viewed as punitive but is based on the philosophy that a student’s continued enrollment at Garden City Community College is dependent on making progress toward academic good standing.

Academic Probation is based upon the number of completed hours and cumulative grade point average using the following structure:

- 0-32 hours completed— if cumulative GPA is 1.5 or below then placed on probation
- 33-48 hours completed—if cumulative GPA is 1.75 or below then placed on probation
- 49 or more hours completed—if cumulative GPA is below 2.00, then placed on probation

Additionally, students who were enrolled full-time (12 hours or more) during the semester placed on academic probation will be limited to 13 hours of enrollment. This allows for four academic courses and either College Success or Career Success as well as the Project Success course. Students who were enrolled part time (less than 12 hours) during the semester placed on probation will be limited to 8 hours of enrollment. This allows for a minimum of two academic courses and either College Success or Career Success as well as the Project Success course.

Students must earn a “C” or better in either College Success or Career Success or will retake the course until successful completion.

Students will be removed from academic probation if, at the end of their probationary semester their cumulative grade point average is above the minimum academic structure listed above.

Students placed on academic probation who achieve a minimum of 2.0 grade point average at the conclusion of the probationary semester, but do not yet meet the cumulative minimum academic standards in the structure listed above, will remain on academic probation.

If at the end of the probationary semester, students who fail to achieve a minimum of 2.0 grade point average and fail to improve their cumulative grade point average to the structure listed above, will be placed on academic dismissal, during which time they will be automatically dropped from all pre-enrolled classes for the subsequent semester.

In order to continue to take classes at Garden City Community College, students placed on dismissal must meet with the Director of Enrollment Management and complete the dismissal appeals process for reinstatement to the college. Transfer students entering GCCC will follow the same guidelines outlined above.

Exemptions or special considerations will be reviewed by the Academic Review Committee using the appeal process outlined. Students dismissed from GCCC for academic reasons may not re-enroll without permission of the Academic Review Committee. This policy also applies to those dismissed from other colleges who wish to transfer to GCCC.

Academic Appeal Process
An appeal process is available to any student placed on Academic Dismissal. During the appeal process, a student is not allowed to enroll at GCCC. All appeals must occur in the following manner by the deadline specified in the Academic Dismissal letter or as indicated by the Director of Enrollment Management:

1. The Application for Reinstatement must be completed, signed by the student and submitted to the Director of Enrollment Management.
2. The student must also submit a signed letter of appeal with an explanation of the extenuating circumstances, such as personal illness/injury, critical family illness or other situations of sufficient severity that may have adversely affected academic performance. This letter must also state the conditions that indicate a plan of improvement.
3. Two letters of recommendation must be mailed directly to the Director of Enrollment Management. The letters must come from college faculty or staff, an academic advisor, or work supervisors. One letter of support may come from a family member.
4. If the reason is personal illness/injury, a medical verification form must be completed by a physician. This form is available from the Director of Enrollment Management.
5. The student must provide a degree audit from an academic advisor.
6. College transcript(s) must be submitted to the Director of Enrollment Management.

    The items listed above will be given priority if received in the office of the Director of Enrollment Management by:
    • June 1 for Summer enrollment
    • August 1 for Fall enrollment
    • November 1 for Spring enrollment

    Dishonesty on any of the materials submitted to the Academic Review Committee is considered grounds for denial of reinstatement or admission to Garden City Community College.

    The Academic Review Committee may schedule a hearing and will notify the student of the hearing date, time, and place. The student must be present at such hearing. The Committee shall either (1) readmit (admit) the student and allow him/her to enroll in the upcoming session or (2) deny the student’s request to be readmitted or admitted. A student’s failure to appear at the hearing waives the student’s right to appeal for that specific term of appeal.

    Students who have been academically dismissed from any other post-secondary institution within the last 5 years prior to seeking admission to GCCC, must present the same information listed above to the Director of Enrollment Management by the priority deadline date set.

    If readmitted, the student will be placed on Academic Probation for the first semester of enrollment and must meet the conditions for academic good standing thereafter. Students whose appeals of dismissal are denied by the Academic Review Committee may appeal directly to the Vice President of Instruction and Student Services or his/her designee. Such appeals must be made in writing to the Vice President Instruction and Student Services within one working day following denial by the Committee. Decisions by the Vice President of Instruction and Student Services are final. If a student does not appeal or is denied readmission for one semester, he/she has the right to appeal at a future date. The appeal process must be completed by the priority dates specified for the semester in which the student wishes to enroll.

    The student seeking readmission to the college at a future date is solely responsible for knowing and meeting deadlines for the subsequent appeal. Students transferring from another college are reminded that enrollment is not official until all records are complete and official transcripts are submitted to the Admissions Office.

    Reinstatement after dismissal from Garden City Community College or if student is transferring to GCCC who has been dismissed from another institution is neither automatic nor guaranteed. A student may be reinstated only if clear and convincing evidence of probable academic success is provided.

    **Academic Renewal** - The college permits students to petition for Academic Renewal of one semester’s course work completed at least five years prior to current enrollment. This permits a new start without the handicap of that semester’s academic record. A student eligible for consideration may apply for Academic Renewal by petitioning the Registrar’s Office according to the following guidelines:

    1. Course work at GCCC must have been taken five or more years prior to petitioning for renewal. None of the credits completed in the semester for which renewal is petitioned will count toward a degree.
    2. At the time of petitioning for Academic Renewal, the student must have completed a minimum of 12 credit hours within the previous two years at GCCC with an earned GPA of at least 2.0.
    3. A petition for Academic Renewal will not be considered if a degree has been earned subsequent to the semester in question.
    4. All course work will continue to appear on the transcript but the grades earned in the renewal semester will not be included in the student’s GCCC cumulative GPA.
    5. This policy refers to GCCC only. A student transferring from or to another institution will have to follow the other institution’s policy.
    6. Academic Renewal will be granted for only one semester.
    7. Granting of Academic Renewal does not affect or alter a student’s record for financial aid awards or for athletic eligibility.

    **Credit Transferred from Other Colleges** - GCCC accepts appropriate credits earned from a regionally accredited college or university and may permit up to 48 semester hours of transfer course work toward an Associate Degree.
Costs

*Tuition and General Fees - The total amount of tuition and general fees is determined each semester by the student’s residency status and number of hours enrolled. Regular tuition and fees apply for audited courses.

*SPECIAL FEES - Certain courses, classes or programs have various additional lab, materials or other fees. Additional fees can be viewed on-line in the course section information.

*Tuition and fees are subject to change.

Fee Payment - If students are enrolled prior to the start of the semester, they will be billed by the Business Office. If the fee portion is not paid or otherwise accounted for before August 1 for the fall semester and before January 1 for the spring semester, the registration will be canceled and the student will need to repeat the enrollment process. Students enrolling after August 1 for fall and after January 1 for spring will need to submit the fee portion at the time of enrollment, or make payment arrangements with the Business Office. Students whose financial aid applications are complete and accurate in the Financial Aid Office by July 1 or December 1 will have their aid eligibility determined by August 1 or January 1.

Tuition and Fee Refunds

Students may be eligible for refunds upon filing a "Change of Schedule" form in the Registrar's Office within the refund periods outlined below.

Refunds are calculated based on the day the official withdrawal is filed in the Registrar's Office (in person, by fax or by postmark date), not when the student stopped attending class. (Failure to attend or ceasing to attend a class does not constitute an official withdrawal.)

If the college cancels a class, enrolled students will receive a full refund of tuition and fees for that class.

If a student withdraws from a class after the refund period and simultaneously adds a class, including section and/or level changes, no refund will be given for the withdrawn (dropped) class. Full tuition and fees will be charged for the added class.

If an enrolled student is called to active military duty, full tuition will be refunded. Fees are not refundable if the activated date is beyond the published refund date.

Students receiving Federal Financial Aid who completely withdraw from Garden City Community College are also subject to a Return of Title IV fund calculation.

No-Show Fee

Students who do not attend classes within the first two(2) scheduled class meetings will be dropped as a No-Show (for non-attendance) and are subject to a $50 per course drop fee.

100% Refund Periods - (also applies to Evening and Outreach classes):

• 12 or More Week Classes
  Students who officially withdraw are entitled to a full refund of tuition and fees through the second Friday after the start of class. No refund on tuition and/or fees is given after this date and the student is responsible for the total tuition and fees incurred.

• 8-11 Week Classes
  The 100% refund period for 8-11 week classes is the second Friday after the start of class.

• 6-7 Week Classes
  The 100% refund period for a 6-7 week class is prior to the fifth calendar day after the start of the class.

• 2-5 Week Classes
  The 100% refund period for a 2-5 week class is prior to the third calendar day after the start of the class.

• 1 Week Classes
  The 100% refund period for a 1 week class is prior to the start of the class.

Refund Appeal Procedure

Students wishing to appeal their refund must complete a “Refund Appeal Request” form and return it with appropriate documentation to the Business Office within one week of the official withdrawal being filed in the Registrar’s Office (in person, by fax or by postmark date).
Ruling on the appeal will be determined by a committee consisting of representatives from the Business Office, Student Services and Instructional Services.

The Business Office will notify the student, in writing, of the committee’s decision.

• In addition to GCCC’s refund policy, all students receiving Federal (Title IV) Financial Aid are subject to a “Return of Title IV Funds” calculation. This calculation is required for students who completely withdraw or fail all classes for the payment period. The “Return of Title IV Funds” calculation involves only the Federal Financial Aid portion of funds received by the student. It determines the amount of federal funds the student and GCCC are entitled to keep, based on how long the student was enrolled during the semester. It is possible that GCCC and/or the student will owe federal funds back to the Department of Education regardless of the outcome of the GCCC institutional refund policy.

Payment of Obligations - Students are expected to make prompt payment of all college financial obligations, such as tuition and fees, housing, food, special fees, library fines and loans. • Graduating students must clear all outstanding accounts before any documentation of earned degree(s) will be issued.
• Holds will be placed on records of students who have defaulted on Federal Student Loans received while attending GCCC. No academic transcripts will be issued until the default status is resolved.
• To avoid registration delays a student, relying on financial aid to pay college costs, is responsible for contacting the Financial Aid Office and having all necessary forms and documentation completed before registration.

Residence Hall Costs - The Residence Hall Contract is a room and board contract. The cost includes actual room rent and food service for meal plans (19 meals per week). This amount is subject to change. Students interested in the Residence Halls should apply online through the StarRez portal found on the Residential Life web page. Contact the Residential Life Office at (620) 276-9516 for current costs and additional information.

Textbook Costs - Textbooks are part of student fees that each study pays on a per credit hour basis. The college has partnered with Cengage Learning and most courses have adopted textbooks which will be used as an e-textbook online. On-campus students will still go to the Broncbuster Bookstore for their textbooks. If your course uses Cengage texts, you will receive an access code at the bookstore to access your textbooks. Students who are taking classes which do not use Cengage will still need to purchase their textbooks from the Broncbuster Bookstore. Students taking online courses will have their textbooks embedded into the course and may access it through the Canvas course link.

Transcripts - A fee of $5 will be charged for each official transcript requested ($5 for faxed transcripts). No transcript will be released for anyone financially indebted to the college. Transcripts are issued only on the student’s written request, after the appropriate transcript fee is paid. Those who desire to transfer to another institution should request the Registrar’s Office to forward the transcript directly to the admissions office of the institution they plan to enter. Official transcripts received from other institutions cannot be released to any individual or institution. Transcripts will be sent by Federal Express only if an authorized account number is provided, or payment is made in advance to cover each transcript fee and actual express/shipping costs. Transcripts issued to the student will be marked “Issued to Student,” and are not considered to be official.

Records on Hold - If a student is delinquent on an account to the college, including but not limited to unpaid tuition and/or fees, housing contracts, non-return of scholarship books, athletic equipment or clothing, unpaid library fines,
non-returned books or unpaid class supplies, a hold will be placed upon the student’s records by the college official in charge of that area. The records will only be sent by the Registrar’s Office with written authorization from the official who originally requested the hold, stating that the obligation has been cleared or paid. Records of former students in default on Federal Loans taken while attending GCCC will also be placed on hold until the default status is satisfactorily resolved and until required loan exit counseling is completed.

**Returned Payment Policy** - If a check made payable to the college is returned by a bank for any reason, the student’s records will be placed on hold until the obligations are paid. The student will be charged a fee for each returned payment.
Identification Cards - During enrollment periods, the college will issue (or update) a photo identification card for all students. It is recommended that a new identification card should be issued to all new and returning students at no costs, if the old identification card is turned in. A driver’s license or state identification card must be presented in order to obtain a GCCC identification card. Upon payment of fees, the I.D. card will be validated for the semester. The cards are available in the Broncbuster Bookstore on the upper level of the Student Center Building. Students are requested to carry the card at all times to take advantage of a number of activities and events free of charge. The I.D. card entitles the student to the following:

1. Admissions to Lecture Series, Student Government Association activities, home athletic events and drama and musical presentations sponsored by the college.
2. Copies of each issue of the college magazine and newspaper.
3. A vote in all college elections such as Student Government offices and college royalty contests.
4. Materials and the use of other services at the Saffell Library.
5. Checking out games/game equipment and other services in the Beth Tedrow Student Center.
6. Entry to the college cafeteria for those who have contracted for meals.
7. Cash discounts at area businesses.

Additional privileges and services are currently being developed. Lost I.D. cards should be reported to Department of Campus Safety in the SCSC building. Duplicate cards may be obtained for a nominal charge in the Broncbuster Bookstore.

Disability Services – All students are provided a quality education and equal educational opportunities. The college works to comply with legal requirements to ensure the requirements do not discriminate or have the effect of discriminating on the basis of a student’s known and adequately documented disability. Requested changes shall not be if they require alteration of essential elements of the program or directly related licensing requirements, or would result in undue financial or administrative burdens.

Tuberculosis Testing - Kansas state law requires that all students enrolling at post secondary schools in Kansas complete a tuberculosis assessment prior to enrollment. At GCCC, this assessment is completed in conjunction with completing your enrollment.

Verification of Enrollment - Students needing verification of enrollment for the current semester should present forms to the Registrar’s Office after classes have been in session at least one week.

Student Records - A student has the right to inspect and review all official records, files and data directly related to the student, including material incorporated into each student’s cumulative record folder, and intended for college use or to be available to parties outside the college or school system, and specifically including, but not necessarily limited to: identifying data, academic work completed, level of achievement (grades, standardized achievement test score), attendance data, scores on standardized intelligence test, aptitude, psychological tests, interest inventory results, health data, family information, teacher or counselor ratings and observations and verified reports of serious or recurrent behavior patterns.

Students will be granted access to their personal college records within a period of 45 days after the request. No records pertaining to the student shall be removed from the office where they are maintained.

Students shall have an opportunity for a hearing to challenge the content of their college records, to ensure that the records are not inaccurate, misleading or otherwise in violation of the privacy or other rights of students and to provide an opportunity for correction or deletion of any inaccurate, misleading or otherwise inappropriate data contained therein.

If the student makes such notice all directory information will be withheld from publication.

   Students may file a complaint with the U.S. Department of Education if they believe their rights under this law have been violated and efforts to resolve the situation have not proved satisfactory. Complaints should be addressed to: Director, Family Compliance Office, U.S. Dept. of Education, 400 Maryland Ave., S.W., Washington, D.C. 20202-4605.

**Student Conduct**

**Student Code of Conduct** - All student behavior shall be based upon respect and consideration for the rights of others. Students shall be responsible for knowing, and abiding by, the rules and regulations of the college.

The college assumes that all students are able and willing to maintain standards of self-discipline appropriate to membership in a college community. A rigid code of conduct is purposely omitted in order to establish confidence in this assumption. The college reserves the right to take disciplinary measures in the best interests of GCCC.

Discipline is the responsibility of the Vice President for Instruction and Student Services. Cases involving minor infractions of normal discipline may be handled by the Disciplinary Review Board. Disciplinary action may be initiated when a student’s behavior/action is determined to be dangerous to that individual’s health/well-being, infringement on others’ rights, damage to college property, or any other situation which reflects negatively on the college community, programs, organizations, or activities.

The college reserves the right to dismiss a student whose conduct is at any time unsatisfactory in the judgment of college officials.

Conflicts with rules/regulations governing the following areas place a student in violation, and subject to discipline, of the Student Code of Conduct:

- **Alcohol and Drug Policy** – Alcoholic beverages and illegal drugs are prohibited on college property.
Possession, distribution or use of alcoholic beverages, or the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance on the Garden City Community College Campus, within the college buildings or at any college-sponsored event is strictly prohibited. Individuals who carry a handgun on campus must carry it concealed on or about their person at all times. “Concealed” means completely hidden from view and does not reveal the handgun in any way. “About” the person means that an individual may carry a handgun if it can be carried securely in a suitable carrier, such as a backpack, purse, handbag or other personal carrier designed and intended for the carrying of an individual’s personal items at all times. This includes wearing the carrier with one or more straps consistent with the carrier’s design, carrying or holding the carrier or setting the carrier next to or within the immediate reach/control of the individual. Please refer to the GCCC Weapons policy for additional information.

- **Theft/Vandalism** – theft or damage to college or other’s property will subject students to college disciplinary measures as well as legal action.
- **Traffic Laws and Regulations** – All local and state regulations are in effect on campus 24 hours a day. In addition to campus police, city, county and state law enforcement agencies have jurisdiction on campus.

**College Disciplinary Process**

*Refer to GCCC website for all policy information.*

The rights of each individual at Garden City Community College deserve the respect and protection of administrators, faculty and staff. To assure the fair treatment of each individual, rules of disciplinary process are in effect.

The main objectives of the disciplinary process are to protect members of the campus community from harm due to the indiscretion of those on campus who are unable or unwilling to respect the rights of others, and to assure students due process if they have been charged with violating college rules and regulations as listed in this handbook.

Misconduct is considered a matter of concern to administrators, faculty, staff and students alike. Reports of misconduct are usually made to the Vice President for Instruction and Student Services for investigation and determination of appropriate action.

**Implementation of Disciplinary Process** - The Vice President for Instruction and Student Services will review with the student the nature of the complaint and the relevant evidence and testimony. When the investigations have been completed, the Vice President will take appropriate disciplinary action or refer the case to the College Disciplinary Review Board.

**Disciplinary Appeals Procedures** - If the appropriate action taken by the Vice President for Instruction and Student Services calls for the student to be expelled or penalized, the student will be informed in writing, with a statement for the action taken. The student has the right to appeal the disciplinary action taken by the Vice President to the College Disciplinary Review Board. **This appeal must be made in writing to the Vice President for Instruction and Student Services within 48 hours of the original decision.**

All appeal hearings are private to best ensure justice and discourage delay. The appeal is not a new hearing, but a review of the record of the original hearing. If evidence which was unavailable at the original hearing is discovered, it will also be considered. **The student requesting the appeal must be present on the hearing date as set in the letter to the student. Failure to be present as scheduled waives the student’s right of appeal.**

**The College Disciplinary Review Board** - The College Disciplinary Review Board shall hear the appeal after being informed in writing, by the Vice President for Instruction and Student Services, that the disciplinary action has been appealed by said student. This Board is composed of three professional staff members (appointed by the Faculty Senate) and three full-time students (appointed by the Student Government Association).

At this hearing, the Chair of the Board shall give both the student and the Vice President for Instruction and Student Services, or his/her designee, an opportunity to testify. Both may bring witnesses. Witnesses will be limited to five unless prior approval is granted by the Vice President for Instruction and Student Services. Each witness will be afforded a maximum of five minutes of testimony. After the witnesses have been heard, members of the Board may ask questions of the student who has had disciplinary action taken against him/her, the Vice President or his/her designee, and the witnesses who have testified.

The College Disciplinary Review Board shall decide to uphold the decision of the Vice President for Instruction and Student Services, or his/her designee, or to recommend that the action be modified.

The student or the Vice President, or his/her designee, may appeal the decision of the College Disciplinary Review Board. **This request for an appeal must be made, in writing, to the College President within three (3) days after the College Disciplinary Review Board has made its decision about a specific case.**
The Presidential Review - The President shall hear the appeal within **seven (7) days** and render a written decision to all parties. The President’s review shall be strictly on the process followed. Decisions of the President should be considered final by students, administrators, faculty and staff.

**Athletic Code of Conduct** - The athlete will not instigate, participate in, or condone inappropriate behavior from himself or another athlete. Inappropriate behavior is any behavior that draws unwanted attention to the athlete, the athlete’s teammates or to the college. Such attention is embarrassing to the athlete, the athlete’s parents, coaches and to the college. Involvement in an extracurricular activity is a privilege, not a guaranteed right. Students are responsible for their own actions; if those actions are in violation of the athletic guidelines then the student will be held accountable.

Individual coaches have requirements/regulations for conduct on the practice area, during travel to and from competition and in competition. This Code of Conduct is not meant to infringe on or detract from that right/responsibility. However, there are times and situations separate and removed from the immediate confines of practice and or competition in which the athlete may be in violation.

Students involved in inappropriate behavior will be subject to certain disciplinary actions. All actions and subsequent enforcements are cumulative for the entire time of enrollment at GCCC. Depending on the behavior problem of the student, one or more of the following actions will be taken by school officials:

1. The coach will have the responsibility to take first disciplinary action.
2. Action taken by the Disciplinary Committee may include, but is not limited to:
   a. **Short-term suspension** - Suspension from at least one regular season athletic contest.
   b. **Long-term suspension** - Suspension from at least 20% of the regular season athletic contests, up to the entire season with forfeiture of any future athletic scholarship at GCCC.
   c. **Expulsion** - Elimination from participation in all athletic activities while enrolled at GCCC. The athletic scholarship will also be forfeited for the remaining enrollment at GCCC.

An individual charged with a criminal offense such as stealing, assault, battery, forgery, etc. will at least receive a long-term suspension.

**Athletic Department Disciplinary Process** - The objective of the Athletic Department disciplinary process is to protect constituents of the athletic program from jeopardy due to the impropriety of those with the athletic department who are unable or refuse to abide by the departmental rules and regulations.

**Implementation of Disciplinary Process** - The Director of Athletics will review with the student-athlete the nature of the complaint and the relevant evidence and testimony. When the investigation has been completed, the director may convene the Disciplinary Action Committee.

The Committee will consist of the following members:

1. The involved athlete’s head coach
2. Athletic Director
3. Assistant Athletic Director
4. Vice President for Instruction and Student Services

The Committee will hear the evidence and rule on the complaint. The student athlete involved must be present so he/she may present testimony or evidence on his/her behalf.

If the appropriate action taken by the Committee calls for the student athlete to be penalized, the student will be informed, in writing, with a statement describing the action taken.

**Student Appeals Other Than Disciplinary Areas**

**The Student and Academic Decisions** - Academic decisions are made by faculty members, division leaders, deans and Vice Presidents. If a student believes that an academic decision is unfair, he/she may meet with the personnel, listed above, who will review the student’s complaint and render a final decision.

**Academic Ethics** - GCCC assumes that all students are enrolled to learn, and expects each individual to function as an ethical student. Integrity in the classroom is expected. Therefore, any cheating is at variance with the purposes of both the student and the institution. Any student dishonesty detected in a course (including during examinations or in submitting plagiarized materials) may result in the student receiving no credit for the examination, written work or quiz, and may result in an “F” grade, suspension and/or dismissal from the course. A violation of academic integrity includes:

1. Cheating on examinations, written quizzes and other written work.
2. Plagiarism, which is defined as the use of another’s written work without recognition/citation, the use of
another student’s work, the purchase and/or use of a paper that has already been prepared, the borrowing of an idea or phrase or the paraphrasing and/or summarizing of an idea without proper documentation.

3. Giving assistance to another person during an examination.
4. Falsification of an academic record.
5. Obtaining or attempting to obtain copies of a non-circulated examination or examination questions.

**Academic Dishonesty Policy** - This policy pertains to all GCCC classes and does not affect any action taken by the instructor of the class. The instructor retains the right to take the action he or she deems appropriate to the specific case including but not confined to the following:

– Discussing the violation with the student
– Failing the student for the specific assignment in question
– Failing the student for the class

If the instructor decides to fail the student for the course, the student may receive an XF grade on his or her transcript with the understanding that the X denotes academic dishonesty. The X will remain as a permanent part of the grade on the transcript.

The instructor also has the following options regardless of the actions already taken:

1. The instructor can notify the Vice President for Instructional Services that academic dishonesty has occurred. The notification will include the following information:
   a. Name and ID number of the student or students involved
   b. Proof that academic dishonesty has occurred
   c. A description of any action already taken by the instructor
2. Once the Vice President has received this information, he/she will notify the student’s advisor and any sponsors or coaches with whom the student is associated of the breech in academic integrity. The Vice President will also notify the student by mail that a second occurrence will result in dismissal from the college.
3. The Vice President will maintain a file listing students whose names have been turned in for academic dishonesty.
4. Should the student be dismissed from the college for academic dishonesty, the student retains the right of pursuing an appeal to the decision as described in the college catalog.

**Grade Appeals Process** - Students wishing to appeal a grade received should first meet with the instructor who issued the grade. If not satisfied with the resolution, the student may consult the appropriate division chair in an attempt at resolution. If the student still feels the grade is in error, he/she may request a meeting with the appropriate Vice President. The Vice President’s decision is final in the appeals process.

**Grievance Appeals Process**

Any GCCC student has the right to appeal what is perceived to be an unfair practice without fear of reprisal, abuse or other form of discouragement by the staff, faculty or administration. Such unfair practice may be registered by the student informally as an oral complaint (a recommended first step), or officially filed in writing.

The College encourages the resolution of all complaints through the most informal means and at the lowest possible administrative level. Whenever a complaint is made directly to the Board of Trustees as a whole or to a Board member as an individual, it will be referred to the administration for study and possible resolution. This appeals procedure is designed for issues other than academic or disciplinary actions (previously addressed in this catalog). This process/procedure provides students with protection against unwarranted infringement of their rights. Such appeals may concern alleged violations of the College policies, infringement of students’ rights and problems dealing with other students, college staff and faculty or college activities. The following procedures should be adhered to in order to ensure an appropriate resolution of a student complaint:

1. The student should attempt to rectify the grievance with the individual in which the alleged violation occurred. If the grievance is not resolved with this individual, then consulting with the appropriate supervisor and attempting to resolve the grievance through informal discussions, the supervisor will inform the student, in writing, of any decision made and the reason for that decision.
2. If the student feels that the complaint has not been satisfactorily resolved, he/she may submit a written appeal to the Vice President for Instruction and Student Services and request a conference. The Vice
President for Instruction and Student Services will inform the student, in writing, of any decision made and the reason for making that decision.

3. If the student still feels that the complaint has not been satisfactorily resolved, he/she may submit a written grievance to the President for review of the process. The President will respond in writing regarding the decision of whether the process for appeals was correctly followed within 10 days after the grievance is appealed.

4. If a solution satisfactory to the grievant and/or the administration has not been reached through the above procedures, the grievant may appeal the same in writing to the Board of Trustees within ten (10) days after delivery of the President's decision. The Board will review the grievance and the record of the above procedures at their next regularly scheduled meeting. Any pertinent evidence or argument which the grievant desires to submit or which the Board deems necessary may be presented at the next regularly scheduled meeting. The Board will review the process and thereafter render its decision and submit a copy of the same in writing to the grievant within twenty (20) days following the next regularly scheduled Board meeting.

Students concerned with the grievance procedure, after exhausting the college's appeal procedure, may contact:

- Consumer protection and/or fraud complaints may be filed with the Kansas Attorney General's office.
- Discrimination complaints may be filed with the Human Rights Commission.
- Complaints regarding State Authorization Reciprocity Agreement (SARA) courses delivered by SARA member community colleges may be filed by students enrolled in those courses with the Kansas Board of Regents office.
- Kansas Community Colleges are regionally accredited by the North Central Association of the Higher Learning Commission on Colleges and Universities (NCAHLC). Complaints regarding an institution's ongoing ability to meet the Criteria of Accreditation may be filed by following the guidelines at https://www.hlcommission.org/HLC-Institutions/complaints.html

**Other Academic Appeals Process** - Students who have been charged with academic dishonesty have the right to appeal that action or decision and are guaranteed due process.

The academic appeals process allows students an opportunity to question academic behavior by administrators, faculty or other college staff/personnel. These appeals could be related to any academic concerns, including but not limited to: grade appeals, class assignments, classroom policies, procedures or any related areas. Students are requested to:

1. Discuss the matter directly with the faculty/staff member to resolve the matter.
2. If the matter cannot be satisfactorily resolved between the student and faculty/staff member, an appeal letter should be presented to the program/division director.
3. If the decision of the program/division director is not satisfactory with either party, a written appeal may be presented to the appropriate Vice President. If this ruling is not acceptable to either party, a written appeal should be presented to the Vice President for Instructional Services for appropriate disciplinary action or the Vice President may refer the case to the Scholarship and Academic Review Committee. The Vice President will notify the student, in writing, of the decision.
4. A further appeal may be made to the president for final ruling.

a) submission to such conduct is made either explicitly or implicitly a term or condition of academic success; or
b) submission to or rejection of such conduct by an individual is used as the basis for academic decisions, affecting either the instructor or staff member; or
c) such conduct has the purpose or effect of unreasonably interfering with the instructor, student or staff member's performance or creating an intimidating, hostile or offensive environment.

Persons violating this policy will face student discipline up to and including suspension or expulsion. Any person believing that he or she has been subject to unlawful harassment, as set forth in this policy, should utilize the Discrimination or Harassment Complaint Procedure, as found in the Student Handbook. For more information regarding the Non-Discrimination/Anti-Harassment policy, please see the Student Handbook or visit the college website at www.gcccks.edu and click on Consumer Information.

Drug/Alcohol-Free Campus - GCCC has long recognized that an academic community is harmed in many ways by the abuse of alcohol and the use of other drugs. This high-risk behavior is exemplified by decreased productivity of members of the community, serious health problems, and strained social interactions as well as forms of vandalism. Problems associated with the illicit use and abuse of substances have a pervasive impact upon the academic community and are not associated with a single socioeconomic group or age level. The processes of education and learning are especially impaired by alcohol abuse and the use of illicit drugs. GCCC subscribes to the basic philosophy of the Network of Colleges and Universities Committed to the Elimination of Drug and Alcohol Abuse:
1. The institutional establishment enforces clear policies that promote an educational environment free from the abuse of alcohol and other drugs.
2. The institution will provide education for its members for the purpose of preventing alcohol and other drug abuse, as well as educating them about the use of legal drugs in ways that are not harmful to self or others.
3. GCCC will create an environment that promotes and reinforces healthy responsible living; respect for community laws; campus standards and regulations; the individual's responsibility within the community; and the intellectual, social, emotional, spiritual or ethical, and physical well-being of its community members.
4. The institution will provide for a reasonable level of care for alcohol and drug abusers through counseling, referral and treatment. The foundation of the philosophy concerning alcohol and drug abuse for GCCC is the firm commitment to an educational program which provides the adequate information and counseling to help all members of the academic community to make informed and responsible decisions concerning the use of any controlled substance. The institution is committed to a healthy environment for learning and living.

Disability Services - Garden City Community College is complying with the Americans with disabilities Act, and is committed to equal and reasonable access to facilities and programs for all employees, students and visitors. The four-year successful transfer-out rate for other students (non-graduates) in the same cohort groups was 26%. The persistence rate accounted for 60% of the four-year cohort groups. (2017-2018 Graduation Rate Survey) Copies of this survey are available at the Admissions Office, Athletic Director's Office and on the college Web site.

Campus Crime Disclosure Act – In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, GCCC collects and reports specific information on campus crime statistics, campus security policies and is required to inform the campus community where information concerning registered sex offenders can be obtained. This information as well as a link to the KBI's Registered Offenders List can be accessed on the college's Web site (www.gcccks.edu) or by directly going to the KBI site at www.accesskansas.org/kbi/ro.shtml. Student Guide on Sexual Misconduct

Campus Policies & Procedures, Victim Services, and Resources

Members of the Garden City Community College community, guests, and visitors have the right to be free from all forms of sex/gender harassment, discrimination, and misconduct, examples of which can include acts of sexual violence, sexual harassment, domestic violence, dating violence, and stalking. All members of the campus community are expected to conduct themselves in a manner that does not infringe upon the rights of others. The college believes in zero tolerance for sex/gender-based misconduct. Zero tolerance means that when an allegation of misconduct is brought to an appropriate administrator’s attention, protective and other remedial measures will be used to reasonably ensure that such conduct ends, is not repeated, and the effects on the victim and community are remedied, including serious sanctions when a responding party is found to have violated this policy. This policy has been developed to reaffirm these principles and to provide recourse for those individuals whose rights have been violated.

The college’s sex/gender harassment, discrimination and misconduct policies are not meant to inhibit or prohibit educational content or discussions inside or outside of the classroom that include controversial or sensitive subject matters protected by academic freedom.

The college uses the preponderance of the evidence (also known as “more likely than not”) as a standard of proof of whether a violation occurred. In campus resolution proceedings, legal terms like “guilt,” “innocence,” and “burden of proof” are not applicable, but the college never assumes a responding party is in violation of college policy. Campus resolution proceedings are conducted to take into account the totality of all evidence available, from all relevant sources.

If You Have Experienced Sexual Misconduct:

1) Get to a safe location as soon as you are able.
2) Seek immediate medical attention if you are injured, or believe you may have been exposed to an STI/STD or potential pregnancy.

4) Preserve Evidence

It is important to preserve physical evidence that may include tissue and fluid samples, evidence of violence, sheets, towels, clothing, etc. You may choose to avoid washing, bathing, urinating, etc., until after being examined at the hospital, if possible. Because evidence of a sexual assault can deteriorate quickly, you may choose to seek a medical exam as soon as possible. Evidence collection should be completed within 120 hours of an assault, but fluids, hair samples, and DNA can be collected for a long time thereafter. Even if you have washed, evidence can often still be obtained. After 120 hours, it may still be helpful to have medical attention, even if you are not trying to obtain evidence of an assault. Sexual assault nurse examiners (SANE) are trained in the collection of forensic evidence and can check for injuries and exposure to sexually transmitted diseases. If you are still wearing any clothes worn during the assault, wear them to the hospital, but bring a change of clothes, as the hospital will keep the clothes you are wearing as evidence. If you have changed clothes, bring the ones you were wearing during the assault to the hospital in a clean paper (non-plastic) bag.
or wrapped in a clean sheet. Leave sheets/towels at the scene of the assault. Police will collect them. Typically, police will be called to the hospital to take custody of the rape kit, but it is up to you whether you wish to speak with them or file a criminal complaint. Locally in Garden City, the Family Crisis Services (620) 275-5911 is available to provide assistance or answer questions you may have regarding medical and legal options.

5) Choose how to proceed

You have options, and are encouraged to contact the Title IX Coordinator to discuss your options:

1) Do nothing until you are ready;
2) Pursue resolution by GCCC; and/or
3) Initiate criminal proceedings; and/or
4) Initiate a civil process against the perpetrator. You may choose whatever combination of options is best for you.

If you wish to have an incident investigated and resolved by the College, students and employees should contact the Title IX Coordinator. GCCC procedures will be explained. Those who wish incidents to be handled criminally should contact Campus Security or local police. A campus official may be available to accompany students in making such reports, if desired. Contact the Title IX Coordinator office for more information.

About Confidentiality:
To make informed choices, all parties should be aware of confidentiality and privacy issues, as well as Garden City Community College’s mandatory reporting requirements.

Confidential Reporting
If reporting students wish that details of an incident be kept confidential, they should speak with campus mental health counselors. Campus counselors are available to assist during regular business hours and their service is free of charge to GCCC students. Off-campus rape crisis center staff and/or members of the local student health center can maintain confidentiality and have no duty to report your information to the College.

Mandated Reporting
All GCCC employees who are not identified above as confidential, are designated as responsible employees (or mandated reporters) for all the details they are aware of about an incident. They are required to share this information with the College’s Title IX Coordinator. Giving a responsible employee notice of an incident constitutes official notice to the institution. Incidents of sexual misconduct will be taken seriously when official notice is given. Incidents of sexual misconduct will be investigated and resolved in a prompt and equitable manner under the College’s Title IX – Non-Discrimination and Anti-Harassment Policy which is discussed later in this guide.

You may request confidentiality and/or that the Title IX Coordinator provide you with remedies and resources without initiating a formal resolution process. The coordinator will weigh requests for confidentiality against the College’s need to address and remedy discrimination or harassment under Title IX. Generally, the College will be able to respect your wishes, unless it believes there is a threat to the community based on the use of weapons, violence, pattern, predation, or threatening conduct by the person being accused.

In cases where your request for confidentiality is granted, the College will offer you available resources, supports, and remedies. You are not obligated to pursue formal resolution in order to access the resources that are available. If GCCC decides that it is obligated to pursue a formal resolution based on the notice you have given, you are not obligated to participate in the resolution process. However, the ability of the College to enforce its policies or provide some remedies may be limited as a result of your decision not to participate.

Incidents Involving Minors
Please be aware that institutional duties with respect to minors (those under the age of 18), may require reporting sexual misconduct incidents to state agencies and/or local law enforcement. As a result, confidentiality cannot be guaranteed in sexual misconduct incidents involving minors.

Garden City Community College Policy:
Sexual misconduct, including sexual harassment, sexual violence, sexual exploitation, intimate partner violence, and stalking are violations of the College’s Title IX Non-Discrimination / Anti-Harassment Policy. A number of federal laws and regulations, including Title IX, the Violence Against Women Act, and the Clery Act mandate how institutions respond to such allegations. Many types of sexual misconduct also constitute violations of Kansas law.

Members of the campus community, guests, and visitors have a right to be free from sexual misconduct. All members of the community must conduct themselves in a way that does not infringe upon the rights of others. The College’s policy is intended to define expectations for appropriate conduct and outline resolution processes to address conduct that does not meet these expectations. When individuals accused of sexual misconduct are found to be in violation of the policy, the College will impose sanctions, as noted in this guide.

All members of the campus community, guests, and visitors are protected by this policy regardless of their sexual orientation or gender identity. The College has jurisdiction over all acts of sexual misconduct involving members of the campus community, no matter where they occur, whether on- or off-campus, when such incidents have an impact on the educational and/or work environment.

Additional information about campus crime, state laws, and disclosures related to sexual misconduct can be found online in the College's Annual Security Report. Access it at https://www.gcccks.edu/about/safetysecurity/

Sexual Misconduct Violations:
Anyone experiencing sexual harassment in any college program is encouraged to report it immediately to the Title IX Coordinator. Remedies, education, and/or training will be provided in response.

The following are definitions of sexual misconduct prohibited by Garden City Community College Policy.

Sexual Harassment
Sexual harassment is:
• unwelcome
• sexual, sex-based, and/or gender-based verbal, written, online, and/or physical conduct.

Sexual harassment may be disciplined when it takes the form of quid pro quo harassment, retaliatory harassment and/or creates a hostile environment.

A hostile environment is created when sexual harassment is:
• Sufficiently severe, or
• Persistent or pervasive, and
• Objectively offensive that it:
  o Unreasonably interferes with, denies or limits someone's ability to participate in or benefit from the college's education, employment, social and/or residential programs.

**Quid Pro Quo Harassment is:**
• Unwelcomed sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature
• By a person having power or authority over another constitutes sexual harassment when an exchange of an item or a service has been traded in return for something of value.
• Submission to such sexual conduct is made either explicitly or implicitly a term or condition of rating or evaluating an individual's education or employment progress, development, or performance.
• This includes when submission to such conduct would be a condition for access to receiving benefits of any educational or employment program.
Sanctions range from warning through expulsion/termination.

**Non-Consensual Sexual Intercourse**
Non-consensual sexual intercourse is:
• any sexual penetration or intercourse
• however slight,
• with any object,
• by a person upon another person,
• that is without consent and/or by force.
*Sanctions typically result in suspension or expulsion/termination.*

**Non-Consensual Sexual Contact**
Non-consensual sexual contact is:
• any intentional sexual touching,
• however slight,
• with any object,
• by a person upon another person,
• that is without consent and/or by force.
*Sanctions range from warning through expulsion/termination.*

**Sexual Exploitation**
• Occurs when one person takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and
• that the behavior does not otherwise constitute one of the other sexual misconduct offenses.
*Sanctions range from warning through expulsion/termination.*

**Intimate Partner Violence**
Intimate partner violence is:
• violence or emotional and/or psychological abuse between those in an intimate relationship toward each other;
• which includes those in a romantic relationship, dating, domestic, and/or relationship violence.
Sanctions range from warning through expulsion/termination.*

**Stalking**
Stalking is:
• a course of conduct directed at a specific person,
• on the basis of actual or perceived membership in a protected class,
• that is unwelcome, and,
• would cause a reasonable person to feel fear.
• repetitive and menacing
• pursuing, following, harassing, and/or interfering with the peace and/or safety of another.
*Sanctions typically result in suspension or expulsion/termination.*

**Retaliation**
Retaliation is:
• any adverse action taken against a person participating in a protected activity,
• because of that person's participation in that protected activity.
  o subject to limitations imposed by the First Amendment and/or academic freedom
*Sanctions range from warning through expulsion/termination.*

**Consent:**
Consent is knowing, voluntary, and clear permission, through word or action, to engage in mutually agreed upon sexual activity or contact.
Since different people may experience the same interactions differently, each party is responsible for making sure that their partner(s) has provided ongoing, clear consent to engage in any sexual activity or contact.

A person may withdraw consent at any time during sexual activity or contact through words or actions. If that happens, the other party must immediately cease the activity or contact. Pressuring another person into sexual activity can constitute coercion, which is also considered to be sexual misconduct and a violation of College policy.

Silence or the absence of resistance alone does not constitute consent. A victim is not required to resist or say “no” for an offense to be proven.

Consent to some forms of sexual activity (e.g., kissing, fondling, etc.) should not be construed as consent for other kinds of sexual activities (e.g., intercourse).

Being or having been in a dating relationship with the other party does not mean that consent for sexual activity exists. Previous consent to sexual activity does not imply consent to sexual activity in the future.

To legally give consent in Kansas, individuals must be at least 16 years old.

Force

Force is defined as direct or indirect use of physical violence and/or imposing physically on someone to gain sexual access. Force, unless part of a mutually-permissible kink, is a clear demonstration of a lack of consent.

Incapacitation

Incapacitation is defined as a state in which individuals are unable to make rational, reasonable decisions because they lack the capacity to understand “who, what, when, where, why, or how” of a situation or interaction. Individuals cannot give sexual consent if they can’t understand what is happening, or if they are disoriented, helpless, asleep, or unconscious for any reason. That applies even if it is because they voluntarily consumed alcohol or drugs. Unless consent is “knowing,” it is not valid. Those engaging in sexual activity who know or should have known that the other party is incapacitated are engaging in sexual misconduct. The possession, use, distribution, and/or administration of any incapacitating substances is prohibited.

The fact that a responding party was intoxicated, and thus did not realize the reporting party was incapacitated, does not excuse sexual misconduct.

- Reporting parties have the right to seek orders of protection, no-contact orders, restraining orders, or similar lawful orders issued by criminal, civil, or tribal courts, and may seek the help of Campus Security in requesting and/or enforcing such orders.

Remedies:

Garden City Community College may take whatever steps are deemed necessary to appropriately respond to allegations of sexual misconduct, protect students’ rights, and keep members of the campus community safe from further harm. Measures include, but are not limited to:

- Issuing interim suspensions pending a hearing.
- Reporting incidents to local police and/or prosecutors.
- Referring to counseling and health services.
• Providing education to the campus community.
• Altering the on-campus housing situation of the reporting or responding party.
• Altering work arrangements for employees.
• Providing campus escorts.
• Providing transportation assistance.
• Implementing contact limitations between the parties.
• Offering adjustments to academic deadlines, course schedules, etc.

These measures are available regardless of whether a reporting party seeks formal resolution or makes a crime report.

Garden City Community College Procedures:

The College's procedures are detailed fully at https://www.gcccks.edu/policies/.

Intake
A College official will assist the reporting party with making choices and accessing resources. Assuming the reporting party chooses to move forward with a campus resolution, the next step is a preliminary inquiry.

All resolutions will be conducted by campus officials who receive annual training on issues related to domestic violence, dating violence, sexual assault, and stalking, and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

The resolution process is confidential. The institution will protect the confidentiality of victims, consistent with federal law. Title IX-related resolutions are not subject to publicly available record-keeping provisions. Any release of information about a resolution will be accomplished without the inclusion of identifying information about the victim, to the extent permissible by law."

Preliminary Inquiry
An initial determination is made about the allegations and whether to move forward to a formal investigation. This decision is made by the College's Title IX Coordinator, taking into account the nature of the allegations and the reporting party's wishes. If the decision is made to move forward, the Title IX Coordinator refers the allegations to investigators.

Investigations
An investigative model is used to resolve allegations. Trained investigators will provide an investigation that is prompt, thorough, reliable, equitable, fair, and impartial. They will interview reporting and responding parties and witnesses, and prepare reports with their findings and sanctioning recommendations which will be submitted to the Vice President of Instruction and Student Services.

Standard of Evidence
The College, in accordance with Title IX and guidance from the Department of Education's Office of Civil Rights, uses a preponderance of evidence standard. Decision-makers consider whether, given the available credible evidence, it is "more likely than not" that a violation occurred. This standard is sometimes explained as “50% plus a feather.”

Formal reporting still affords privacy to the reporter, and only a small group of officials who need to know will be told. Information will be shared as necessary with investigators, witnesses, and the responding party. The circle of people with this knowledge will be kept as tight as possible to preserve a reporting party's rights and privacy.

Past History
The past sexual history or character of an individual is not considered unless it is determined to be highly relevant. All such information sought to be entered for consideration by a party or the College will be presumed irrelevant until evidence of its relevance is offered. The existence of a pattern of behavior by a responding party may be relevant to the finding and sanction imposed. Both parties will be notified in advance if such information has been deemed relevant and will be considered during the process.

Final Determination
The parties will be informed in writing of the outcome of the resolution, without significant delay between the notifications of each party. This notice will include the procedures for appealing the decision, any change to the results that occurs prior to the time that such results become final, and when results are considered to be final.

Appeals
Either party may petition to appeal the Title IX Coordinator's final determination only on procedural concerns, where it is believed that the final determination was reached without following these Procedures. In such instances, the appealing party must submit an appeal to the Vice President of Instruction and Student Services in writing within three (3) business days of the date the Title IX Coordinator delivers the Final Outcome Letter to the parties. The notice of appeal must describe in detail the procedure that was not followed. The Vice President will put the non-appealing party on notice allowing the non-appealing party three (3) business days, to submit a response directly related to the appeal notice and will review the notice of appeal and any additional documentation with respect to the procedural appeal prior to determining whether a procedure was appropriately followed. The Appeals Committee will make the final rul-
ing/determination with respect to the original complaint of Sexual Misconduct within three (3) days of the date of the appeal. Decisions of the Appeals Committee are final and not subject to appeal by either party.

**Risk Reduction:**
Risk Reduction for Intimate Partner Violence, Stalking, Sexual Harassment, and Sexual Violence
While victim-blaming is never appropriate and Garden City Community College fully recognizes that only those who commit sexual misconduct are responsible for their actions, the College provides the following suggestions to help individuals reduce their risk of being victimized and their risk of committing acts of sexual misconduct.

**Reducing the Risk of Victimization**
- Make any limits/boundaries you may have known as early as possible.
- Clearly and firmly articulate consent or lack of consent.
- Remove yourself, if possible, from an aggressor's physical presence.
- Reach out for help, either from someone who is physically nearby or by calling someone. People around you may be waiting for a signal that you need help.
- Take affirmative responsibility for your alcohol and/or drug consumption. Alcohol and drugs can increase your vulnerability to sexual victimization.
- Look out for your friends, and ask them to look out for you. Respect them, and ask them to respect you, but be willing to challenge each other about high-risk choices.

**Reducing the Risk of Being Accused of Sexual Misconduct**
- Show your potential partner respect if you are in a position of initiating sexual behavior.
- If a potential partner says “no,” accept it and don’t push. If you want a “yes,” ask for it, and don’t proceed without clear permission.
- Clearly communicate your intentions to your potential sexual partners, and give them a chance to share their intentions and/or boundaries with you.
- Respect personal boundaries. If you are unsure what’s OK in any interaction, ask.
- Avoid ambiguity. Don’t make assumptions about consent, about whether someone is attracted to you, how far you can go with that person, or if the individual is physically and mentally able to consent. If you have questions or are unclear, you don’t have consent.
- Don’t take advantage of the fact that someone may be under the influence of drugs or alcohol, even if that person chose to become that way. Others’ loss of control does not put you in control.
- Be on the lookout for mixed messages. That should be clear indication to stop and talk about what your potential partner wants or doesn’t want to happen. That person may be undecided about how far to go with you, or you may have misread a previous signal.
- Respect the timeline for sexual behaviors with which others are comfortable, and understand that they are entitled to change their minds.
- Recognize that even if you don’t think you are intimidating in any way, your potential partner may be intimidated by or fearful of you, perhaps because of your sex, physical size, or a position of power or authority you may hold.
- Do not assume that someone’s silence or passivity is an indication of consent. Pay attention to verbal and non-verbal signals to avoid misreading intentions.
- Understand that consent to one type of sexual behavior does not automatically grant consent to other types of sexual behaviors. If you are unsure, stop and ask.
- Understand that exerting power and control over another through sex is unacceptable conduct.

**Programs:**

**Ongoing Campaigns**
Ongoing awareness and prevention campaigns are provided throughout the school year to students, faculty, and staff.

**VAWA/CLERY Training & Bystander Intervention**
The College provides all students and employees with education and training on awareness and risk reduction of sexual violence, dating violence, domestic violence, stalking, consent, and bystander intervention in compliance with the Violence Against Women Act and the Clery Act. Additionally, special emphasis is devoted to educating all new students, new employees, student-athletes, and residential students in an effort to ensure that each member of the campus community is invested in creating a safe campus environment for themselves and others.

**Safety Assessment Reporting System**
The Safety Assessment form will allow you to report concerns about a student’s mental health or well-being, disruptive or inappropriate behaviors in the classroom or on campus, a student posing a threat to themselves or others, abusive behaviors, or sexual misconduct. Referrals can be made by any GCCC employee, GCCC student, parents or by self-referral.
The Safety Assessment form is accessible on the webpage located under the Student tab and the Counseling
Anonymous Reporting

Members of the campus community can report incidents anonymously through the online assessment form. The Assessment Form is found under the Counseling and Advising page of the website or at the following URL: http://www.ggcccks.edu/student/counselingadvising/safetyassessment/

Reports to the Title IX Coordinator can be made via email, phone or in person at the information above.

Failure of a non-confidential employee, as described in this section, to report an incident or incidents of sex or gender harassment or discrimination of which they become aware, is a violation of college policy and can be subject to disciplinary action for failure to comply with the college policies."

TITLE IX COORDINATOR

The college’s Title IX Coordinator oversees compliance with all aspects of sex/gender harassment, discrimination and misconduct policy. The Coordinator reports directly to the President of the College, and is located in the Student Community Services Center (SCSC). Questions about this policy should be directed to the Title IX Coordinator.

Anyone wishing to make a report relating to discrimination or harassment may do so by reporting the concern to the college Title IX Coordinator:

Students: Employees:
Tammy Tabor Title IX Coordinator Director of HR
(620) 267-9508 (620) 276-9574

In the event that an incident involves alleged misconduct by the Title IX Coordinator, reports should be made directly to the Director of HR, (620) 276-9577.

Individuals experiencing harassment or discrimination also always have the right to file a formal grievance with government authorities:

OVERVIEW OF POLICY EXPECTATIONS WITH RESPECT TO PHYSICAL SEXUAL MISCONDUCT

The expectations of the college community regarding sexual misconduct can be summarized as follows: In order for individuals to engage in sexual activity of any type with each other, there must be clear, knowing and voluntary consent prior to and during sexual activity. Consent is sexual permission. Consent can be given by word or action, but non-verbal consent is not as clear as talking about what you want sexually and what you don’t. Consent to some form of sexual activity cannot be automatically taken as consent to any other form of sexual activity. Previous consent does not imply consent to sexual activity in the future. Silence or passivity—without actions demonstrating permission—cannot be assumed to show consent. Consent, once given, can be withdrawn at any time. There must be a clear indication that consent is being withdrawn.

Additionally, there is a difference between seduction and coercion. Coercing someone into sexual activity violates this policy in the same way as physically forcing someone into sex. Coercion happens when someone is pressured unreasonably for sex.

Because alcohol or other drug use can place the capacity to consent in question, sober sex is less likely to raise such questions. When alcohol or other drugs are being used, a person will be considered unable to give valid consent if they cannot fully understand the details of a sexual interaction (who, what, when, where, why, or how) because that lack the capacity to reasonably understand the situation. Individuals who consent to sex must be able to understand what they are doing. Under this policy, “No” always means “No,” and “Yes” may not always mean “Yes.” Anything but a clear, knowing and voluntary consent to any sexual activity is equivalent to a “no.”

OVERVIEW OF POLICY EXPECTATIONS WITH RESPECT TO CONSENSUAL RELATIONSHIPS

There are inherent risks in any romantic or sexual relationship between individuals in unequal positions (such as teacher and student, supervisor and employee). These relationships may be less consensual that perceived by the individual whose position confers power. The relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Furthermore, circumstances may change, and conduct that was previously welcome may be
come unwelcome. Even when both parties have consented at the outset to a romantic or sexual involvement, this past consent may not remove grounds for later charge or a violation of applicable section of the faculty/staff handbooks. The college does not wish to interfere with private choices regarding personal relationships when these relationships do not interfere with the goals and policies of the college. For the personal protection of members of this community, relationships in which power differentials are inherent are generally discouraged.

Consensual romantic or sexual relationships in which one party maintains a direct supervisory or evaluative role over the other party are unethical. Therefore, persons with direct supervisory or evaluative responsibilities who are involved in such relationships must bring those relationships to the timely attention of their supervisor, and will likely result in the necessity to remove the employee form the supervisory or evaluative responsibilities, or shift the student out of being supervised or evaluated by someone with whom they have established a consensual relationship. This includes Resident Assistants (RAs) and students over whom they have direct responsibility. While no relationships are prohibited by this policy, failure to self-report such relationships to a supervisor as required can result in disciplinary action for an employee.”

**FEDERAL STATISTICAL REPORTING OBLIGATIONS / MANDATED REPORTING**

Certain campus officials — those deemed Campus Security Authorities — have a duty to report sexual assault, domestic violence, dating violence and stalking for federal statistical reporting purposes (Clery Act). All personally identifiable information is kept confidential, but statistical information must be passed along to campus law enforcement regarding the type of incident and its general location for publication in the Annual Security Report. This report helps to provide the community with a clear picture of the extent and nature of campus crime, to ensure greater community safety. Mandated federal reporters include: student affairs, campus law enforcement, local police, coaches, athletic directors, residence life staff, student activities staff, human resources staff, advisors to student organizations and any other official with significant responsibility for student and campus activities. The information to be shared includes the date, the location of the incident (using Clery location categories) and the Clery crime category. This reporting protects the identity of the victim and may be done anonymously.

**FEDERAL TIMELY WARNING REPORTING OBLIGATIONS**

Victims of sexual misconduct should also be aware that the college administrators must issue immediate timely warnings for incidents reported to them that are confirmed to pose a substantial threat of bodily harm or danger to members of the campus community. The college will ensure that a victim’s name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger.

**TITLE IX NON-DISCRIMINATION / ANTI-HARASSMENT**

Garden City Community College does not discriminate against applicants, employees or students on the basis of race, religion, color, national origin, sex (including pregnancy), age (40 or older), disability, height, weight, marital status, sexual orientation, genetic information or other non-merit reasons, or handicap, nor will sexual harassment or retaliation be tolerated, in its employment practices and/or educational programs or activities.

Harassment is prohibited based on race, color, age, sex, religion, marital status, national origin, disability, veteran’s status, sexual orientation or other factors which cannot be lawfully considered, to the extent specified by applicable federal and state laws. The Director of Enrollment Management coordinates the college’s efforts to comply with Title IX. Students concerned about the above should contact Tammy Tabor, Director of Enrollment Management, 620-276-9508, Student and Community Services Center, 801 Campus Dr., Garden City, KS 67846, and employees with concerns may contact, Director of Human Resources, 620-276-9574, Student and Community Services Center, 801 Campus Dr., Garden City, KS 67846

Tornado Instructions

Below is a list of GCCC buildings and the designated places in each building you and your students should go in the event there is a tornado warning. Please locate your building and be aware of where to take your students if and when you know of a tornado warning. DO NOT TELL YOUR STUDENTS TO GO HOME. In the event of a tornado, more people are killed and injured by flying debris than by the actual tornado itself. Of course, if they, as individuals, choose to go home, you cannot require them to stay in the building.

There are a number of ways you may be alerted to a tornado warning. First of all, you may hear the city sirens. Secondly, the Campus Security or other GCCC staff coming to your classroom may alert you. In either case, you must instruct your students to go to the designated areas immediately. If there is a threatening weather forecast and you want to bring a radio to your class.

Please keep this list in your class materials so it will be readily available when needed.

Tornado Watch and Warning

- In the event that a Tornado Watch is issued for our area, the following will happen:
  - A global e-mail message via Bustermail will be sent.
  - You should continue with your daily routine; however, you should remain alert to the possibility of severe weather and be prepared to act accordingly.

- If a Tornado Warning is issued for our area, the following will happen:
  - External City warning sirens will be activated.
  - Stay away from windows and exterior doors.
  - You should promptly move to your designated Tornado Shelter.
  - Remain in your designated shelter until a warning expiration message is announced.
  - Note: If the facility is damaged, evacuate the area after the storm passes (following the direction of emergency building personnel) and stay clear of the damaged area. Be aware of fallen debris, downed power lines and gas leaks. Report any injuries to the GCCC Department of Campus Safety and emergency responders.

The Nature of College Counseling

Like everyone, college students face difficult life transitions and circumstances, experience painful emotions, and need assistance in developing clear and meaningful goals. College counselors are professionally trained to help students cope with a wide variety of educational, adjustment and mental health issues.

College counselors also facilitate academic progress and help students successfully achieve their career goals. A counseling relationship allows students to confidentially discuss their personal thoughts and feelings. Some of the skills counselors employ include listening, informing, empathizing, collaborating, brainstorming, problem solving, co-constructing goals and modeling appropriate behavior.

Presenting Problems

We are glad to talk with you about any issue causing you concern or distress. Some common concerns include: anxiety, depression, loneliness, eating disorders, alcohol and other drugs, rape and incest issues, self-assertiveness, relationship issues, communication skills, anger management, shyness, academic problems, time management, test anxiety, choosing a major, writing a resume, and career goals.

Length of Counseling

Depending on the nature of the concern, counseling may be one session, short-term or long-term. In some cases, a referral to a specialist may be required.

Cost and Availability

Campus services are free to enrolled students. Our offices are located on the first floor of the Student and Community Services building. Walk-ins are welcome!
