Policy Title: Posting Campus Advertising

Policy Statement: Student Government Association (SGA) must approve any documents, posters or flyers by any individual, department or organization.

Procedures:

As approved by the Student Government Association in April of 2006, the following policy addresses the procedures for posting flyers, posters and any advertising materials on campus.

1. Any party wanting to post advertising material on campus, must receive prior approval along with a designated stamp from the Coordinator of Student Activities office in the Beth Tedrow Student Center.
2. Once approved, materials may only be posted on designated bulletin boards within each of the campus buildings. Materials may not be posted on any windows or doors.
3. Materials must be removed by the date indicated at the time of approval.
