Policy Title: Student Academic Progress

Policy Statement: To encourage satisfactory progress throughout continuous terms of enrollment, the College has adopted an academic progress procedure.

Procedures: A student must make “satisfactory academic progress” toward a degree or transfer program leading to a bachelor’s degree to be eligible to receive federal financial aid. Assessment of the progress of students in completion of course objectives will be made by instructors. Academic progress will be measured both during the term and over continuous terms of enrollment GCCC will review each student requesting financial assistance from the college to determine if satisfactory academic progress is being met; the review will be based on all academic transcripts.
